Graduate expertise boosting regional business

If you are looking for a simple and cost effective way to find new people for your business then Graduate Apprentices can help. Offering a 12 or 24 week subsidised work placement and a free recruitment service, Graduate Apprentices is the perfect opportunity to try out a highly skilled Newcastle University graduate and see how he/she would fit into your business.

The scheme attracts both recent and experienced graduates, so whether you are looking for a fresh graduate to train or a graduate with 1-3 years of work experience, we can find the right candidate for you.

“ *Robin is an excellent addition to our team. He has brought enthusiasm and fresh thinking to the business, and is already taking on projects that are adding real commercial value to us. We are delighted to have benefited from the scheme and would certainly recommend it to others.* **”**

Careers Service
where opportunities begin

Interested employers will benefit from:

- A free recruitment service which includes advertising, candidate screening and short-listing
- £100 per week towards the graduate's salary
- Expertise and ongoing support from Newcastle University Careers Service

“ We have been immeasurably impressed by the scheme, the quality of the initial candidates, the calibre of our chosen graduate, the help, guidance and support of the scheme organisers and the ease of participation. ”

Suzi Howey, Creative Director, Food Local Food

We run two distinct Graduate Apprentices schemes:

SME (Less than 250 employees)

Graduate Apprentices offers small to medium size enterprises the opportunity to recruit a Newcastle graduate for an initial 12 week subsidised period. Enquiries from any North East based SMEs are welcome, however, we are particularly keen to support employers in the following sectors: Subsea, Process industries, Healthcare, Voluntary and Cultural.

Larger Organisations (More than 250 employees)

Graduate Apprentices offers larger organisations the opportunity to recruit a Newcastle graduate for an initial 24 week subsidised period. We are keen to support a wide variety of North East based organisations and welcome enquiries from any sector. We already have many organisations on board across all kinds of industries, from marketing to engineering and healthcare to finance.
