

Just one step away from a bright future.

Are you interested in sponsorship from Tridonic?

Applications for sponsorship are available for students who are studying for a MEng or BEng programme within the School of Electrical, Electronic and Computer Engineering at Newcastle University. If you are interested, please apply by answering the following questions and sending them with your contact information and your CV by email to nathalie.armstrong@ncl.ac.uk

Question 1:

Tell us why you think Tridonic should sponsor you?

Question 2:

What are your objectives and future aims in pursuing your chosen course of study?

Question 3:

You are aware of what Tridonic expects from potential sponsorship recipients. What do you expect from Tridonic?

Next stages in the process

1. All completed applications will be evaluated.
2. Successful candidates will be contacted for an interview at University by mid-January 2012.
3. The selected students will be invited to our subsidiary to finalise the sponsorship contract.
