Living in Newcastle

Here are just 5 reasons why our students consider ‘The Toon’ their second home...

**Reason 1...**  Our campus is right in the heart of the city centre, so you're never far from all that the city has to offer. The city is very compact, so it's easy to get around, and you won't have to travel far to lectures from our centrally located accommodation.

**Reason 2...**  Our student social life is top-rated.* From legendary nightlife, to world-class arts, music and sport, and a multitude of shopping and dining options, Newcastle has it all!

*Joint 1st in the Times Higher Education Student Experience Survey, 2015 and 2016

**Reason 3...**  Student-friendly and safe – one in six people in Newcastle is a student, so you'll be in good company. You'll soon see why Newcastle is the happiest city in the UK* and why we're ranked 2nd in the UK for city life**

*The European Commission Survey, 2015
**Whatuni Student Choice Awards, 2016

**Reason 4...**  Newcastle is a cheap city to live in – it was recently ranked the 3rd most cost-effective UK city for students!* Plus, student rents are lower than average, saving you more money to spend on Newcastle's many attractions.

*Royal Bank of Scotland Student Living Index 2016

**Reason 5...**  Newcastle is a beautiful city to live in, with Georgian buildings standing alongside iconic, modern architecture, plenty of green spaces (including two parks next to the University), and the coast and countryside on your doorstep. With city-centre train and coach stations and the nearby airport, we're well-connected for travelling further afield.
