SUMMER
SCHOOL

PARTNERS is our supported entry route into Newcastle University. Our nationally recognised PARTNERS programme is for students who are less likely to go to university.

The programme has been running for schools and colleges in North East England since 2000, and over 3,000 students have successfully entered university who might otherwise not have done. The programme is now open to all eligible students in England and composes:

- **free assessed summer school** (July, Year 13) where you'll complete a project in your subject, which counts as 40 points to your offer
- a **lower offer** (if you pass our summer school)
- **help with applying** and understanding student finance, and support when results come out
- the chance to **meet other students** on the scheme and find out about Newcastle University and student life here
- **extra help and support** once you're a student here

For more information:

- Visit us at the PARTNERS stand at the Information Fair in King's Gate
- Attend the PARTNERS session – see page 18

Welcome to our Summer Open Days

Today you'll get to explore our vibrant campus, discover more about the many opportunities on offer (both during your degree and in your free time), and find out what it's like to be part of the friendly student community here at Newcastle.

We hope you enjoy your time with us!

Travelling to the University

Newcastle has excellent transport links by road and rail from major cities across the UK.

P 20% off parking

We have negotiated a 20% discount for parking at two city-centre NCP car parks on 1 and 2 July. These are located at:

- **John Dobson Street** (NE1 8HL) (552 spaces)
- **New Bridge Street** (NE1 8AB) (376 spaces)

The University is within a 10-minute walk of these car parks.

Please note: to receive the reduced-rate NCP car parking, please collect a ticket from the Welcome Desk in the Information Fair, in King's Gate (University map leaflet ref 1), open from 9.00–4.00.

This reduced rate is only available on 1 and 2 July. For maps and directions to these car parks, please see: www.ncp.co.uk/find-a-car-park

3

Travelling by train

Located on the East Coast main train line, Newcastle is only three hours from London and even closer to other major cities including Manchester, Leeds and Edinburgh.

The University can easily be reached from Newcastle Central Station using the **Metro light rail system**. Haymarket Metro station (opposite the campus) is only two stops from the Central Station. Tickets are £2.80* for a Metro DaySaver return (one zone).

Alternatively, it is about a **15-minute walk** to the campus from the train station. Please see our University map leaflet for directions. Look out for our guides (wearing yellow T-shirts), who will be at key areas of the city centre in the morning to help direct you to the campus.

Travelling by car

The University is based in the city centre, so we have limited parking on campus and can only offer parking for disabled visitors. Please e-mail open.day@ncl.ac.uk if you need a disabled parking space.

Due to the number of visitors expected, we recommend that you use public transport where possible to get to our campus.

Directions to the city centre

From the north or south: follow the A1 towards Newcastle. Leave the A1 (Newcastle Western Bypass) at the junction with the A167/A696 and follow signs for the 'City Centre'.

From the west: follow the A69 to the junction with the A1, and then take the A1 northbound. Leave the A1 at the next junction, signposted 'City (West), Westerhope B6324'.

Follow signs for the 'City Centre A167' and then follow signs to the 'City Centre'.

For satellite navigation purposes, please use the postcode of one of the city-centre car parks listed on our website: www.ncl.ac.uk/openday/travel

*Prices are correct at the time of going to press (May 2016).

4

Metro park and ride

As the city centre is a busy place to park, another option is to park at a nearby Metro station and travel to the city centre by Metro. For Metro travel we suggest you purchase a Metro DaySaver ticket for two zones. The University is opposite Haymarket Metro station, which is a short journey from the stations listed below. Both of these stations offer long-stay parking:

Four Lane Ends Metro station (for those travelling from the north)

Benton Lane, Newcastle upon Tyne NE7 7UJ

Number of spaces: 475

Price of parking: £1.00 per day*

Journey to Haymarket Metro station: 12 minutes

Heworth Metro station (for those travelling from the south)

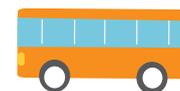

Sunderland Road, Heworth, Gateshead NE10 0YJ

Number of spaces: 462

Price of parking: £2.10 per day*

Journey to Haymarket Metro station: 9 minutes

For more information, including timetables, a map and station locations, please see: www.nexus.org.uk/metro

Planning your day

5 tips to help you make the most of your visit...

1

Arrive early

The event runs from **9.00–4.00**. You can arrive at any time, but there's so much to pack into the day that we recommend you arrive early to make the most of what's on offer. See us at the Welcome Desk to find out more about the day.

2

Plan your time

Start by identifying which Subject Session(s) you want to attend (see pages 9–14), and use the planner at the back of this programme to plan the rest of your day. Many of our tours and other sessions are repeated throughout the day.

3

Look out for the yellow T-shirts

Current students will be at welcome points in the city and around campus to help you with directions. You'll also see lots of staff around wearing red T-shirts, they're here to help you make the most of the day, so just ask if you have any questions.

4

Getting around campus

Our campus is very compact, so it won't take you long to get to the different activities. You can use the map leaflet provided with this programme, and the locations of key activities are pinned on our mobile-friendly website: www.ncl.ac.uk/openday/map

5

Subject information

As well as the Subject Sessions, don't forget to visit the Subject Fairs, where you can speak to staff on a one-to-one basis, find out more about the range of degrees we offer, and pick up brochures to read at your leisure.

Feeling hungry?

The University has a fantastic range of catering outlets, so you won't have to go far for refreshments. See pages 23–24 for more information. We are also two minutes' walk from cafés and restaurants in the city centre.

Seeing the city

Welcome to the 'Toon'

Famous for its friendliness, vibrant nightlife, and beautiful architecture, Newcastle also offers great shopping, dining and world-class cultural events and attractions, making it a fantastic destination for a weekend break.

Even if you're just visiting for a day, as the University is in the city centre, it's worth taking some time to sample what the city has to offer while you're here.

Getting around

Newcastle is a very compact city, so it's easy to get around on foot. You'll find a city centre map in the University map leaflet you receive with this programme. You can also pick one up from our main helpdesks on the day.

City tours

A 'hop on, hop off' City Sightseeing bus tour stops regularly outside King's Gate (University map leaflet ref 1). Visitors attending the Open Day can travel for a reduced price (£6 for adults and £5 for students), when they present this programme to the driver.

Bus tours run every 30 minutes from 10.30 until 3.00. A full tour takes one hour, and tickets are valid for 24 hours from the time of purchase. For further information, please see www.city-sightseeing.com

A free **walking tour** of the city will take place at **1.00**. See how easy it is to get around our fantastic city and sample some of the highlights including award-winning Grey Street, Newcastle Castle, and Grainger Market. The tour will leave from the city stand in the Information Fair (King's Gate) and will take approximately one hour.

Shopping, restaurants and culture

You'll find great places to eat, shop and visit not far from the campus...

- Just minutes away from campus you'll find **Eldon Square**, one of the UK's largest city-centre shopping centres, with over 150 stores and several cafés and restaurants.
- Grainger Town is home to lots of restaurants, independent and high street shops and a bustling indoor market.
- Take the QuayLink bus from Haymarket Bus Station to the **Quayside** to see the famous bridges. You'll also find a variety of restaurants and attractions, including the Sage Gateshead music centre, and the BALTIC contemporary art gallery.

Staying overnight

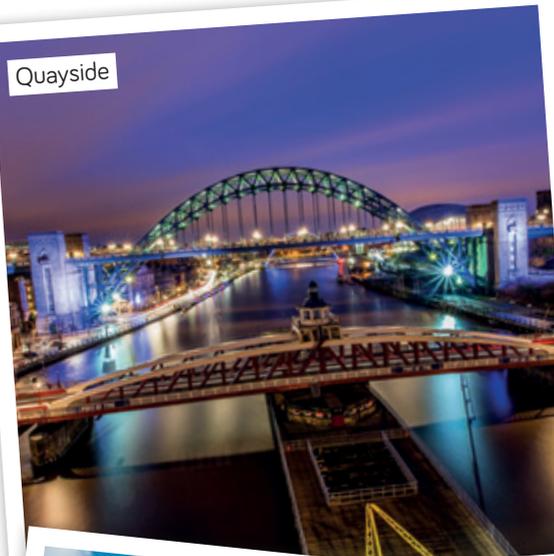

A number of city-centre hotels offer discounts for visitors attending the Open Days. We'll e-mail you with more information about this when you've booked your place.

If you're staying overnight and have more time to explore, you'll find lots of ideas for things to do in the city on the NewcastleGateshead tourism information website:

Subject Sessions and activities

Our Subject Sessions will give you an insight into our degrees and subject areas. **Please see the key on pages 13–14 to check which sessions cover the degrees you are interested in.** Each session will last approximately 50 minutes (unless stated), and many are followed by additional activities listed in the key below. Priority may be given to students rather than parents/guests in busy sessions.

 **Booking to attend Medical Sciences Sessions**
These are the only sessions that need to be booked before you arrive. You will receive an e-mail from us about this if you have registered to attend.

 **Buses to Newcastle University Business School**
If you're attending any sessions in the Business School, you can get the shuttle bus to Liberty Plaza/The View/Verde accommodation, which are close to the Business School (see pages 21–22). It's also approximately 10-minutes' walk from the University campus.

-  Booking required
-  Shuttle bus
-  Meet students
-  Refreshments available
-  Tour of facilities
-  Mini lecture

Mini Lectures

These sample lectures will give you an insight into the content that you may learn as part of the degree. These usually take place immediately after the subject session.

Geography and Beyond, and History Alternatives sessions:

Taking an interest in geography or history at higher education level opens up many other courses that you may not have thought about. These short sessions will introduce you to the range of geography- and history-related subjects available at Newcastle that you might like to consider.

Subject Sessions key

This list shows you which degree programmes are covered in each session*. Please check our website for an up-to-date list of the degrees available:

www.ncl.ac.uk/undergraduate/degrees or check at one of the helpdesks on the day.

Subject Fairs

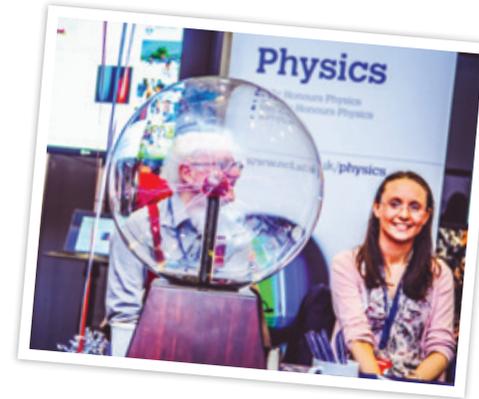

Our Subject Fairs are a great opportunity to find out more about the degree(s) you are interested in, speak to staff and students on a one-to-one basis and pick up relevant information to take home. You may even discover degrees that you hadn't considered studying before.

The subject areas represented at each fair and the fair locations are listed below. These locations are a short walk from each other, so you will have plenty of time to go to each fair if you want to. The fairs are open all day, so you can visit them in between any sessions or tours you're attending.

CAMPUS

Tours of the campus and facilities

Take a student-led tour of our impressive campus and see some of our outstanding facilities, green places and social spaces. Our Campus Tours are ticketed, but you simply need to turn up for the other tours.

Campus Tours

(9.30–3.30)

These student-led tours give you the opportunity to explore the campus and University first hand. Tours last approximately 45 minutes, but you can leave at any time if you need to get to another activity.

Tickets: collect tickets from the Campus Tours Marquee, which is in front of the Students' Union Building (University map leaflet ref 5).

Departure point: tours will leave promptly from the signed departure point next to the Campus Tours Marquee.

Departure times: every 30 minutes from 9.30, with the last tour departing at 3.30.

Students' Union Tours and drop-in

(9.30–3.30)

Don't miss the opportunity to see our fantastic Students' Union (NUSU). Simply drop in to look around at your leisure or attend a 30-minute tour of the building and facilities, led by current students.

Departure point: Students' Union Building reception, at the top of the stairs (University map leaflet ref 5).

Departure times: approximately every half hour from 9.30, with the last tour departing at 3.30. Tours last up to 30 minutes.

University libraries

(9.00–4.00)

- Philip Robinson Library (main library) (University map leaflet ref 35)
- Walton Library (5th Floor, Medical School) (University map leaflet ref 60)
- Law Library (Law School) (University map leaflet ref 38)
- Marjorie Robinson Library Rooms (University map leaflet ref 65)

Our Library Service holds the prestigious Customer Service Excellence award for the quality of its services. Staff and students will be in all of our libraries throughout the day to explain the libraries' services and wealth of resources, and to answer your queries. They will be happy to show you around or you can look around yourself if you prefer.

Language Resource Centre

(9.30–3.30)

The award-winning Language Resource Centre provides language-learning materials and opportunities in over 150 languages.

The Centre's facilities include access to an enormous range of languages and on-demand films. There are also over 80 computers equipped with language-learning software.

You can use the Centre to learn a language in your own time, as part of the University-wide Language Provision programme or to support your degree programme.

Staff will be around to tell you more about what's available (University map leaflet ref 26).

Sports Centre Tours

(9.15–3.45)

The University's Sports Centre incorporates a double-court sports hall together with a Strength and Conditioning Room, 120-station Health and Fitness Suite, two large multipurpose activity halls, four squash courts and a dance studio. Tours last approximately 10–15 minutes, and the Sports Centre is a 10-minute walk from the centre of campus.

Departure point: Sports Centre foyer (University map leaflet ref 70).

Departure times: 9.15; 9.45; 10.15; 10.45; 11.15; 11.45; 12.15; 12.45; 1.15; 1.45; 2.15; 2.45; 3.15; 3.30; 3.45.

Useful information

In case of emergency

Contact the nearest member of staff in red T-shirts. In the event of a fire alarm, please vacate the building immediately by the nearest exit. Do not use the lifts and remain outside until informed that you can re-enter by a member of staff.

Meeting point and lost property

If you become separated from your party, please meet at King's Gate reception (University map leaflet ref 1). Please also report here for lost property.

Information for parents

If you're accompanying your son or daughter to our Open Day, our Parents' Information Session (see page 18) provides extra information for you on student support, accommodation and graduate job opportunities, in addition to an opportunity to put questions to a panel of staff from across the University. You can also pick up a copy of our *Guide for Parents* brochure from any of our helpdesks.

Support for visitors with disabilities

If you or anyone coming with you has any specific support needs please let us know in advance of the day and we can make suitable arrangements. If you'd like to chat to someone about our support to ensure that you can make the most of your visit. For students with disabilities you can visit the Student Wellbeing stand in the Information Fair (see page 17) or contact Student Wellbeing on 0191 208 3333. Newcastle University's campus is accessible except where marked on the University map leaflet.

Care leavers

If you are a care leaver and would like to speak to the University's care leaver contact, ask a member of staff at the Herschel Building Information Desk (University map leaflet ref 17).

Photography and filming

Some photography and filming will be taking place on the day to appear in future Newcastle University printed and digital publicity. Please let the photographer or a member of staff know if you do not want to have your photo taken or be filmed.
