PARTNERS is our supported entry route into Newcastle University. Our nationally recognised PARTNERS Programme is for students who are less likely to go to university. The programme has been running for schools and colleges in North East England since 2000, and over 3,500 students have successfully entered the University who might otherwise not have done. The programme is now open to all eligible students in England and composes:

- free summer school (July, Year 13)
- a lower offer (if you complete our summer school)
- help with applying and understanding student finance, and support when results come out
- the chance to meet other students on the scheme and find out about Newcastle University and student life here
- extra help and support once you’re a student here

For more information:
- Visit us at the PARTNERS stand at the Information Fair in King’s Gate
- Attend the PARTNERS session – see page 22
Travelling by train
Located on the East Coast main train line, Newcastle is only three hours from London and even closer to other major cities including Manchester, Leeds and Edinburgh.
The University can easily be reached from Newcastle Central Station using the Metro light rail system. Haymarket Metro station (opposite the campus) is only two stops from the Central Station. Tickets are £2.90* for a Metro DaySaver return (one zone).
Alternatively, it is about a 15-minute walk to the campus from the train station. Please see our University map leaflet for directions. Look out for our guides (wearing yellow T-shirts), who will be at key areas of the city centre in the morning to help direct you to the campus.

Travelling by car
The University is based in the city centre, so we have limited parking on campus and can only offer parking for disabled visitors. Please e-mail open.day@ncl.ac.uk if you need a disabled parking space.
Due to the number of visitors expected, we recommend that you use public transport where possible to get to our campus.

Directions to the city centre
From the north or south: follow the A1 towards Newcastle. Leave the A1 (Newcastle Western Bypass) at the junction with the A167/A696 and follow signs for the ‘City Centre’.
From the west: follow the A69 to the junction with the A1, and then take the A1 northbound. Leave the A1 at the next junction, signposted ‘City (West), Westerhope B6324’.
Follow signs for the ‘City Centre A167’ and then follow signs to the ‘City Centre’.
For satellite navigation purposes, please use the postcode of one of the city-centre car parks listed on our website: www.ncl.ac.uk/openday/travel

For more information, including timetables, a map and station locations, please see: www.nexus.org.uk/metro

Parking in the city centre
City-centre car parks will be extremely busy, so please allow extra time for your journey. A list of car parks near to the campus is available on our website: www.ncl.ac.uk/openday/travel

Metro park and ride
As the city centre is a busy place to park, another option is to park at a nearby Metro station and travel to the city centre by Metro. For Metro travel we suggest you purchase a Metro DaySaver ticket for two zones. Tickets are £4.00* per person for a DaySaver return (two zones).

**Planning your day**

5 tips to help you make the most of your visit...

1. **Arrive early**
   The event runs from 9.00–4.00. You can arrive at any time, but there’s so much to pack into the day that we recommend you arrive early to make the most of what’s on offer. See us at the Welcome Desk in the tent opposite the Students’ Union to find out more about the day.

2. **Plan your time**
   Start by identifying which Subject Session(s) you want to attend (see pages 9–15), and use the planner at the back of this programme to plan the rest of your day. Many of our tours and other sessions are repeated throughout the day.

3. **Look out for the yellow T-shirts**
   Current students (wearing yellow T-shirts) will be at welcome points in the city and around campus to help you with directions. You’ll also see lots of staff around (wearing red T-shirts) who will help you make the most of the day, so just ask if you have any questions.

4. **Getting around campus**
   Our campus is very compact, so it won’t take you long to get to the different activities. You can use the University map leaflet provided with this programme, and the locations of key activities are pinned on our mobile-friendly website: [www.ncl.ac.uk/openday/map](http://www.ncl.ac.uk/openday/map).

5. **Subject information**
   As well as the Subject Sessions, don’t forget to visit the Subject Fairs, where you can speak to staff on a one-to-one basis, find out more about the range of degrees we offer, and pick up brochures to read at your leisure.

**Feeling hungry?**
The University has a fantastic range of catering outlets, so you won’t have to go far for refreshments. See pages 27–28 for more information. We are also two minutes’ walk from cafés and restaurants in the city centre.
Welcome to the ‘Toon’

Famous for its friendliness, vibrant nightlife, and beautiful architecture, Newcastle also offers great shopping, dining and world-class cultural events and attractions, making it a fantastic destination for a weekend break. Even if you’re just visiting for a day, as the University is in the city centre, it’s worth taking some time to sample what the city has to offer while you’re here.

Getting around

Newcastle is a very compact city, so it’s easy to get around on foot. You’ll find a city-centre map in the University map leaflet you receive with this programme. You can also pick one up from our main helpdesks on the day.

City tours

A ‘hop on, hop off’ City Sightseeing bus tour stops regularly outside King’s Gate (University map leaflet ref 1). Visitors attending the Open Day can travel for a reduced price (£6 for adults and £5 for students), when they present this programme to the driver. Bus tours run every 30 minutes from 10.30 until 3.00. A full tour takes one hour, and tickets are valid for 24 hours from the time of purchase. For further information, please see www.city-sightseeing.com

A free walking tour of the city led by Newcastle City Guides will take place at 1.00. See how easy it is to get around our fantastic city and sample some of the highlights, including award-winning Grey Street, Newcastle Castle and Grainger Market. The tour will leave from the city stand in the Information Fair (King’s Gate) and will take approximately one hour.

Shopping, restaurants and culture

You’ll find great places to eat, shop and visit not far from the campus…

- Just minutes away from campus you’ll find Eldon Square, one of the UK’s largest city-centre shopping centres, with over 150 stores and several cafés and restaurants.
- Grainger Town is home to lots of restaurants, independent and high-street shops and a bustling indoor market.
- Take the QuayLink bus from Haymarket Bus Station to the Quayside to see the famous bridges. You’ll also find a variety of restaurants and attractions, including Sage Gateshead music centre, and the BALTIC contemporary art gallery.

Staying overnight

A number of city-centre hotels offer discounts for visitors attending the Open Day. See our website for a list of hotels with offers available: www.ncl.ac.uk/openday/book/hotels

If you’re staying overnight and have more time to explore, you’ll find lots of ideas for things to do in the city on the NewcastleGateshead tourism information website: www.newcastlegateshead.com

For event listings and Newcastle city-centre discount vouchers see: www.getintonewcastle.co.uk

Seeing the city

1 in 6 people in Newcastle is a student, so you’ll be in good company!
Subject Sessions and activities

Our Subject Sessions will give you an insight into our degrees and subject areas. Please see the key on pages 16–17 to check which sessions cover the degrees you are interested in. Each session will last approximately 50 minutes (unless stated), and many are followed by additional activities listed in the key below. Priority may be given to students rather than parents/guests in busy sessions.

- **Booking to attend Subject Sessions**: Sessions with this icon need to be booked before you arrive. You will receive an e-mail from us about this if you have registered to attend.
- **Buses to Newcastle University Business School and the Urban Sciences Building**: If you’re attending any sessions in the Business School, or the Urban Sciences Building, you can get a shuttle bus from King’s Road. Please allow at least 15 minutes for the journey in case of traffic. You can also walk to both sites.
