NEWCASTLE UNIVERSITY

Policy and Procedures for Admitting Students Under 18

1. Policy

Newcastle University welcomes applications from people of all ages. No applicant shall be refused admission on grounds of age.

Whilst responsibility for a student’s personal supervision and welfare continues to rest with the parent or guardian, the University recognises its special duty of care towards students who are legally still children. It has established procedures for dealing with applications from people who as students will be under 18. Principles, institutional responsibilities and procedures relating to the protection of under 18s and vulnerable adult students are set out in the University’s Policy for the Safeguarding of Under 18s and Vulnerable Adults’. The Procedures that follow here are concerned with the admissions process and preparation for the admission of such students.

A separate ‘Under 18 Students in Residence Policy’ is available for students who are under 18 and live in University owned or managed accommodation.

Separate provisions apply for applicants to INTO Newcastle University and to pathway programmes at Newcastle University London.

2. Procedure for Applicants with Parent(s) in the United Kingdom

2.1 When applications for undergraduate degrees are received, any applicants who will still be under 18 when they begin their first year of study shall be identified.

2.2 In the case of any such identified applicants to whom admissions tutors wish to make an offer, a letter shall be sent by the Admissions Office to let the applicant know that, if he/she accepts Newcastle’s offer, certain formalities will need to be completed before the start of the degree programme.

2.3 In addition, action shall be taken as follows, depending on whether applicants will be aged between 16 and 17 on entry or whether they will be under 16.

a) If they will be 16 or 17:

---

1 All references to ‘parent(s)’ in this document are intended also to cover legal guardians and any other person or body having parental responsibility.

2 ‘Admissions Office’ is used in this document to refer to the central Admissions Office, the offices in the Faculty of Medical Sciences that deal with undergraduate applications to that Faculty, and INTO University Partnerships staff who process applications for Newcastle University London.
The letter shall be accompanied by an agreement to be read and signed by a parent, and to be returned to the Admissions Office if the applicant decides to accept the offer. This seeks to ensure that the respective responsibilities of the University and parent in relation to the applicant are clear. The agreement is attached as Appendix I. Receipt of the signed agreement shall be a condition of the applicant’s offer.

b) If they will be under 16:

i) The letter shall explain that, if the applicant accepts the offer, the applicant and parent(s) shall be invited by the Admissions Office to a meeting. The purpose of the meeting shall be to discuss issues such as residential accommodation, responsibilities for welfare, guarantees for contracts, and consent for undertaking activities related to the degree programme. The meeting is also intended to ensure that the applicant and parent(s) are fully aware of the adult environment in which the University operates and that the applicant has the personal maturity to cope with and benefit from the Higher Education experience. The Admissions Office shall invite the relevant admissions tutor to attend the meeting.

ii) If the applicant accepts the offer, a memorandum of Understanding shall be drawn up (after a meeting if one is held), to remain in force until the student becomes 18. Two copies shall be signed on behalf of the University by the Academic Registrar, and a parent shall be asked to sign both copies also. One signed copy shall be retained by the parent and the other by the University, with a copy of it being sent to the Head of the relevant School. A sample Memorandum of Understanding is attached as Appendix II. Receipt of the signed memorandum shall be a condition of the applicant’s offer.

iii) If the applicant accepts the offer, the Admissions Office shall write to the relevant Head of School to inform him/her that an applicant who will be under 16 has accepted an offer for a degree programme. The Head of School will be advised that, although there is no guarantee in the case of conditional offers that the applicant will register for the degree, a personal tutor should be identified. If the nominated tutor does not already have Disclosure and Barring Service (DBS) clearance as an employee of the University, a DBS check should be arranged as early as possible.

iv) If the applicant accepts the offer, the Admissions Office shall, if the applicant has indicated that he/she would wish to live in University accommodation, inform the Accommodation Office of the situation in order that suitable accommodation is allocated.

3. Procedure for Applicants with Parent(s) outside the United Kingdom

3.1 –

3.2 The same procedure as 2.1 and 2.2 above shall be followed.

3.3 In addition, action shall be taken as follows depending on whether applicants will be aged between 16 and 17 on entry or whether they will be under 16.

a) If they will be 16 or 17:

The letter shall be accompanied by an agreement to be read and signed by a parent, and to be returned to the Admissions Office if the applicant decides to accept an offer. This seeks to ensure that the respective responsibilities of the University and parent in relation to the applicant
are clear. The agreement is attached as Appendix I. Receipt of the signed agreement shall be a condition of the applicant’s offer.

b) If they will be under 16:

i) The letter shall explain that a person within the United Kingdom, preferably based within convenient reach of Newcastle (or London in the case of applicants for degree programmes at Newcastle University London), shall be given written parental responsibility for the child by that child’s parent(s) before the University can agree to admitting the child. This person shall exercise responsibilities delegated by the parent(s). The parent(s) shall provide a copy of the written agreement to the University. The Admissions Office, in consultation with the Academic Registrar if appropriate, must be satisfied with the scope of the delegated responsibilities before the applicant may be admitted.

ii) If the applicant accepts the offer, the applicant and person with parental responsibility shall where practicable attend for a meeting with the Senior Undergraduate Admissions Manager. The purpose of the meeting will be the same as that described in 2.3 (b) (i) above, and the relevant admissions tutor shall be invited to attend.

iii) The same procedures as outlined in 2.3 (b) (ii) – (iv) above shall be followed.
