INTERNATIONAL WELCOME

The International Welcome Programme provides you with all of the information you need to make your stay and study at Newcastle University as easy, enjoyable and successful as possible. Use this series of events to meet other students, make friends and get to know the campus and city!

AIRPORT MEET AND GREET SERVICE

If you are flying into Newcastle between 20-22 September you can use our Meet and Greet Service, which will transport you free of charge from the airport to your University accommodation or to the main Newcastle University Campus.

Register for your place at www.ncl.ac.uk/pre-arrival/international/airport

We are also operating a Welcome Desk, from 19-23 September to answer any questions you may have.

This will be located near International Arrivals and our friendly team will be there to help you.

INFORMATION SESSIONS

A number of information sessions will cover many different aspects of life and study in Newcastle and local businesses will also be there to talk to you and tell you about the services they offer in Newcastle. You must attend one of the sessions called Welcome! and we recommend doing this as soon as possible, as this gives you important information about completing your Registration at Newcastle. We encourage you to attend as many of the other sessions as possible. For the full list of sessions, see page 7.

UNIVERSITY ENGLISH LANGUAGE ASSESSMENT

The University English Language Assessment (UELAA) is for all new students at the University for whom English is not their first language. It does not affect your entry onto your academic programme, but assesses whether you would benefit from In-Sessional English Language classes. Assessment sessions will take place following your arrival in September. Those taking place during the International Welcome Programme are listed below.

The following English Language Assessment sessions take place in Lecture Theatre 3 on the Ground Floor of the Herschel Building:

Wednesday 21 September: 10.00am - 3.00pm / 3.00pm - 5.00pm
Thursday 22 September: 10.00am - 12.00pm / 10.00pm - 3.00pm / 3.00pm - 5.00pm
Friday 23 September: 10.00am - 12.00pm / 10.00pm - 3.00pm / 3.00pm - 5.00pm

Further sessions will take place from Monday 26 September onwards.

CITY AND UNIVERSITY RECEPTION

Friday 23 September at 5.30pm

This is a celebratory event to welcome our new international students to both the city and the University. Newcastle University Students’ Union’s Freshers’ Week is one of the biggest and most diverse in the country, with a huge range of activities to suit EVERYONE. Be a part of it!

As well as big night-time events, there are non-drinking/alternative events every evening, a huge range of daytime activities and so much more included in the ticket price (a wristband that gives you entry to everything). This section aims to dispel some of the common myths held about Freshers’ events, and give you some recommendations about what you can get involved with, from like-minded students!

Keep an eye on the website, www.nusufreshers.co.uk for all the latest information and a countdown to the release of each night!

FAQs

I have lectures every day; can I still go on daytime activities?

Yes, all the morning activities are repeated after 2pm.

Isn’t Freshers’ Week only for 18-year-olds?

Last year during Freshers’ we ran 322 events over five days. The vast majority were NOT the bar crawls or club nights people imagine. Most are daytime activities suitable for ALL ages and personalities.

I don’t drink, isn’t the wristband a waste of money?

Over 90% of our activities are alcohol-free! The majority of events are daytime activities or non-drinking evening events!

I have two young children, how do I get involved?

There are hundreds of daytime activities to choose from which are repeated throughout the week, so you can choose a session that suits your commitments. In addition, the alternative evening events tend to finish at a reasonable time, so you can be back for the babysitter!

How do I buy a wristband?

Wristbands are available online at www.nusufreshers.co.uk from 18 August. They are limited in supply so make sure you buy yours early to avoid disappointment!

Testimonial Recommendations

We asked different students about their Freshers’ experience:

Mature student: ‘I didn’t really want to attend all the big nights out planned for Freshers’ as I have a lot of other responsibilities including a part-time job. However, I purchased a Freshers’ wristband as I’d heard it was really good value for money and I wanted to get to know the city. I ended up doing something nearly every night and so much during the day!’

International student: ‘As an international student from China, I was a bit apprehensive about Freshers’ Week as I thought it was all about drinking and partying. I did enjoy some of the night times but my favourite activities included seeing the city. I found this was a great way to make friends who had similar interests’

Local student: ‘I’ve lived in Newcastle all my life and also stayed at home during my Freshers’ year. At first I thought I might get a bit left out, but there were meeting points in Mens Bar specifically for home students so I got to know others before the nights out. I also went to some of the activities during Early Arrivals Week, like Quiz Night in the Students’ Union, where I got to know other local students’
