By rail

- Newcastle Central Station, tel (0191) 2778000
- Citywall, Citygate, St James Boulevard, is only a short ½ mile walk from the Central Station.

On foot from rail station

- Leave Central Station by main entrance, cross over Neville Street to the Bakers Oven on the other side.
- On the left hand side of the Bakers Oven is Pink Lane (pedestrian only street). Walk up Pink Lane until Pink Lane crosses Clayton Street.
- You then have 2 options:

Option 1

- Cross over Clayton Street and continue on Pink Lane.
- Pink Lane joins Westgate Road. Cross over Westgate Road and walk up West Walls.
- At the top, cross Stowell Street and walk up some steps and through a hole in the wall.
- Follow the path with the city wall building on your right and a moat on your left. Continue along this path until you come to a small wooden bridge over the moat.
- Cross the bridge and you are now standing in a car park in front of the two white buildings. Citywall entrance is at the end of the building on the right (opposite Chinese Gate).

Option 2

- Turn right and walk up Clayton Street; turn left and walk past The Gate complex and Co-operative Building.
- Turn left into St Andrew’s Street. At the end of this street you will see the Chinese Gate and the Citygate Buildings ahead. Citywall entrance is opposite the Tyneside Irish Centre.

By Metro System

The metro system links us to Central Station (5 minutes) and Newcastle International Airport (45 minutes).

Both Central Station and Monument Metro stations are within walking distance of our offices; however St James Station is situated directly opposite the Citygate complex, but does involve an extra change.
