Celebrating Success are special events to recognise and celebrate the achievements of staff and students in all aspects of University life, including teaching, research, engagement and student success. The Celebrating Success event in June also focuses on staff who have helped the University achieve its sustainability objectives.

In addition to the above, Council members receive details of the Public Lectures programme and the live music events in the King's Hall details of which can be found on the following websites:

<http://www.ncl.ac.uk/events/public-lectures/>

<http://www.ncl.ac.uk/events/kings-hall/>

Dr John Hogan
Registrar
