Performance of the Services must be completed to the reasonable satisfaction of the University.

6.2 The quantity, quality and description of the Services shall be as specified in the Contract and/or in any specification supplied.

6.3 Time of performance of the Services is of the essence of the Contract. Notwithstanding this:

(a) if for any reason the University requests performance to be delayed, the Provider shall agree to such request at no extra cost to the University and the provisions of this Condition 6 shall apply to any such revised date for performance; and

(b) the Provider shall immediately notify the University of any occurrence which it reasonably considers will delay the delivery of the Services and the University shall, in its absolute discretion, decide whether any extension of time is to be granted. The Provider will use all reasonable endeavours to minimise the period and impact of any such delay and will promptly provide written details of the steps it will take to do so.

6.4 The Provider warrants to the University that the Services:

(a) will conform in every respect with the provisions of and requirements set out in the Contract;

(b) will comply with all standards of performance specified in the Contract;

6.6 Conditions 7.1 and 6.5 will apply to any repaired or replacement Services supplied under Condition 6.5.

6.11 The Provider shall take every practicable precaution not to damage or injure any property or persons.

7. **REJECTION AND TERMINATION**

7.1 Without prejudice to Condition 6.5 and/or any other rights or remedies available to the University (whether express or implied), if the whole or any part of the Goods do not conform in all material respects with any of the terms of the Contract and the Provider has failed to remedy such non-conformance without delay (as determined in the University's reasonable opinion), the University may:

(a) terminate the Contract without compensation or other liability being owed to the Provider immediately by giving written notice to that effect to the Provider; or

(b) require the Provider, at the University's option, to promptly repair or replace the relevant Goods free of charge or to refund the Price for the relevant Goods,

and, in either case, the University will be entitled to recover from the Provider any and Losses incurred by the University as a result of the non-conformity of the Goods, including in obtaining substitute goods from another Provider.

7.2 Conditions 7.1 and 6.5 will apply to any repaired or replacement Goods supplied under Condition 7.1(a).

7.3 The University shall not be deemed to have accepted the Goods until the University has had reasonable time to inspect and test them following delivery or, if later, within a reasonable time after any latent defect becomes apparent.

7.4 The University shall not be deemed to have accepted the Goods by virtue of having requested the Provider to repair or replace the Goods under these Terms and Conditions.

8. **PACKAGING AND MARKING**

8.1 The Goods shall be carefully and safely packed and protected using the degree of care, diligence and foresight which would be adopted by a leading professional provider of the Goods:

(a) in a manner suitable to the type and nature of the Goods and the means of transport being used; and

(b) in accordance with any special requirements stated in the Contract.

8.2 Without prejudice to Condition 4, the Provider shall cause all Goods (including all external packaging) supplied by it to the University to be suitably and sufficiently marked, endorsed and labelled with information and advice
necessary to instruct and warn such persons into whosoever hands the Goods shall come about any hazards to health and/or safety arising from despatching, receiving, handling, using or possessing the Goods and also about the necessary precautions to be taken in respect thereof. Provided however that it shall not be reasonably practicable to mark, endorse or label the Goods accordingly, the Provider shall fully instruct and advise such persons by any accompanying notice at the time of despatch and take all necessary steps to ensure such notice is given to all persons into whose hands Goods shall come.

8.3 All Goods shall be marked to ensure conformance with all applicable laws and the University’s written requirements.

9. **INSPECTION AND TESTING**

9.1 Before despatching the Goods, the Provider shall carefully inspect and test them for compliance with the Contract. The Provider shall, if requested by the University, give the University reasonable notice of such inspections and tests and the University shall be entitled to be represented thereat. The Provider shall at its own expense also supply to the University certificates of the results of inspections and tests in such form as the University may require.

9.2 It is expressly agreed that the University will be entitled at any reasonable time to inspect and test the Goods during manufacture, processing or storage, and the Provider shall at its own expense provide or procure the provision of all such facilities as may reasonably be required by the University thereof.

9.3 If as a result of any inspection or test under Condition 9.1 or 9.2 the University’s representative is of the opinion that the Goods do not comply with the Contract and/or are unlikely on completion of manufacture or processing or Delivery so to comply, the University may:

   (a) notify the Provider and the Provider shall take such steps as are necessary to ensure such compliance; and/or

   (b) terminate the Contract without liability by giving written notice to that effect to the Provider.

9.4 Nothing in Condition 9.1, 9.2 or 9.3 above nor any failure of the University to exercise its rights thereunder shall release the Provider from any of its obligations or liabilities under the Contract or affect the University’s rights and remedies under the same.

10. **RISK AND OWNERSHIP**

10.1 Risk of damage to or loss of the Goods shall pass to the University on Delivery or as otherwise stated in the Contract provided that, where the University rejects any part of the Goods in accordance with Condition 7, risk in that part shall revert to the Provider.

10.2 Ownership of any Goods shall pass to the University upon Delivery, unless payment for any Goods is made prior to Delivery, when ownership shall pass to the University once payment has been made.
10.3 All materials, equipment, tools, dyes and moulds supplied by the University to the Provider will at all times:

(a) be and remain the exclusive property of the University;
(b) be held by the Provider in safe custody at its own risk;

10.4 The Provider shall keep all University materials, equipment, tools, dies and moulds at such location agreed with the University and shall keep such equipment clearly identified at all times as the property of the University.

10.5 Any surplus materials supplied by the University shall be disposed of at the University's discretion. Any waste of such materials arising from bad workmanship and/or negligence of the Provider shall be made good at the Provider's expense.

11. OBSERVANCE OF REGULATIONS

11.1 The Provider's and/or Provider's representatives, when employed within the boundaries of the Premises, shall comply with such rules, regulations and requirements (including those relating to security arrangements) as may be in force for the conduct of personnel at the Premises. 11.3 The Provider will notify the University immediately in writing if at any time it does or will Process Personal Data under or in connection with the Contract. In such cases, the Provider will promptly enter into such contractual provisions as required by the University (acting reasonably) to ensure that such Processing and the contractual provisions governing such Processing each comply with the Data Protection Legislation.

12. PRICE AND PAYMENT FOR GOODS AND/OR SERVICES

12.1 With the exception of expenses that are stated in the Order as payable by the University that are properly incurred and evidenced by the Provider and approved by the University in writing in advance, the Prices are the only monies to be paid by the University in connection with the supply of the Goods or performance of the Services which will be inclusive of all costs and
expenses incurred by the Provider including all insurance, travel, accommodation and subsistence expenses.

12.2 All Prices:

(a) are fixed prices;
(b) shall be quoted, invoiced and paid in sterling;
(c) are inclusive of all costs and expenses incurred by the Provider including:
   (i) packaging, insurance, carriage and delivery costs; and
   (ii) taxes, customs, duties and other public dues, except VAT.

12.3 No increase in the Prices may be made for any reason without the prior written consent of the University. The University shall be entitled to any discounts for prompt payment, bulk purchase, volume or purchase customarily granted by the Provider.

12.4 Subject to the supply of the Goods and/or Services in accordance with the Contract, the Provider shall invoice the University for the Prices for the Goods and/or Services in the manner and at the times set out in the Contract. In the absence of any such provisions in the Contract, the Provider will invoice the University for the Price following Delivery and/or acceptance of the Goods (whichever the later) and for Services following performance. All invoices must be sent to the invoicing address indicated on the Order and must quote the full purchase order number of the Order.

12.5 Invoices shall (except to the extent that the relevant Services are exempt from VAT) be valid VAT invoices in such form as requested by the University in writing and accompanied by such information as the University may reasonably require in order to verify the Provider's entitlement to payment. VAT, where applicable, shall be shown separately on all invoices, as a strictly net extra charge. The Provider shall, if so requested by the University, furnish such information as may reasonably be required by the University as to the amount of VAT chargeable on the value of the Goods supplied or Services provided in accordance with the Contract and payable by the University to the Provider in addition to the Price.

12.6 Unless stated in the Contract, payment of any sums due under the Contract becomes due 28 days following receipt of any undisputed and properly submitted invoice.

12.7 Where the University disputes an invoice, the University is entitled to withhold the whole or part of the invoice to the extent of the amount in dispute, and shall pay the balance (if any) that is undisputed; the University shall promptly notify the Provider of its reasons for withholding any amount under this Condition 12.7. Should a dispute arise in relation to an invoice, the parties will meet within seven days of the University notifying the Provider of its reasons for withholding the relevant amount and each party will act in good faith to attempt to resolve the dispute.
12.8 The Provider is not discharged from performance of its obligations by reason only that some or all of the Price is withheld under Condition 12.7. No payment made by the University will constitute acceptance or approval by the University of the Goods and/or Services or otherwise prejudice any rights or remedies which the University may have against the Provider including the right to recover any amount overpaid or wrongfully paid to the Provider.

12.9 The University may set off against the Price any sums owed to it by the Provider, in connection with the Contract or any other agreement entered into by the parties.

12.10 If any sum payable under the Contract is not paid on or before the due date for payment the Provider will be entitled to charge the University interest on that sum at 4% per annum above the base lending rate from time to time of Barclays Banks Plc from the due date until the date of payment (whether before or after judgment), such interest to accrue on a daily basis. Such interest will not be chargeable on any sum disputed in accordance with Condition 12.7 for any period during which the payment of such sum remains disputed. The parties agree that this Condition 12.10 is a substantial remedy for late payment of any sum payable under the Contract, for the purposes of the Late Payment of Commercial Debts (Interest) Act 1998, in particular because:

(a) the interest rate is greater than the interest rate available to the Provider in respect of cash on deposit which is immediately available; and

(b) the other provisions of the Contract reflect, and take into account, the overall relationship between the parties, and so it would be inappropriate for a higher interest rate to apply.

12.11 The provisions of Condition 12.10 are in lieu of statutory interest, which shall not accrue on any late payments.

13. MINOR WORKS

13.1 In the event that the Contract includes any Minor Works, the provisions of the Minor Works Annex will be incorporated into the Contract to govern the provision of Minor Works. Except where the provisions of the Minor Works Annex expressly amend the provisions of these Terms and Conditions (in which case such amendments will have effect in respect of the Minor Works only), the provisions set out in the Minor Works Annex are additional to, and do not replace, these Terms and Conditions. To the extent of any conflict or inconsistency between the provisions of the Minor Works Annex and these Terms and Conditions, the provisions of the Minor Works Annex shall take precedence in relation to the Minor Works only.

14. PROVIDER'S STATUS

14.1 In carrying out the Services and/or supplying the Goods, the Provider shall be acting as principal and not as the agent of the University. Accordingly:

(a) the Provider shall not (and shall procure that its agents and servants do not) say or do anything that might lead any other
person to believe that the Provider is acting as the agent or employee of the University; and

(b) nothing in the Contract shall impose any liability on the University in respect of any liability incurred by the Provider to any other person.

14.2 Nothing in the Contract and no action taken by the parties in connection with it will create a partnership or joint venture or relationship of employer and employee between the parties.

14.3 Notwithstanding any degree of supervision exercised by either party over employees of the other, in no circumstances will the relationship of employer and employee be deemed to arise between either party and an employee of the other party. The Provider will Indemnify the University any such actual or threatened claim or proceeding, in each case including against all Losses arising out of or in connection with any claims that may be made by any relevant authorities against the University in respect of income tax collected (under PAYE or otherwise) or National Insurance including any connected interest, penalties or costs or any similar contributions relating to the Services.

15. INTELLECTUAL PROPERTY

15.1 Save for any Intellectual Property Rights in Provider Data, any Intellectual Property Rights which come into existence as a result of the performance by the Provider of the Services, including the Deliverables, or subsisting in or relating to the Specification and any Goods designed and/or created using such Specification, will be the property of the University.

15.2 The Provider hereby assigns to the University free from all charges and other encumbrances all right, title and interest in and to all Intellectual Property Rights subsisting in or relating to the Deliverables, together with all rights of action arising or accrued in relation to those Intellectual Property Rights, including the right to take proceedings and to seek and recover damages, the right to obtain delivery-up of all infringing copies and all other remedies for past infringement.

15.3 At the request and expense of the University, the Provider shall and shall procure that their personnel shall:

(a) do all things necessary or desirable to enable the University or its nominee to confirm absolute title to and ownership of and to obtain the benefit of the invention, development, discovery, improvement, process, design or copyright work (as the case may be) and to secure patent or other appropriate forms of protection for it throughout the world;

(b) provide to the University all such assistance as the University may require in relation to the resolution of any questions concerning patent, copyright or other intellectual property proprietary rights assigned by virtue of this Condition 15, and decisions as to the procuring of a patent or other appropriate protection and exploitation shall be in the sole discretion of the University.
15.4 The Provider shall clearly identify all Provider Data which are proposed to be included in the Deliverables and in such cases the Provider shall not include Provider Data in the Deliverables without the prior written consent of the University. 15.5 The Provider hereby waives and shall procure that any relevant third party shall waive (to the extent that such rights may be waived) all moral rights which now or in the future may subsist anywhere in the world in the Deliverables.

15.6 The Provider warrants that:

The ‘Protected Parties’ means the University and all of its agents, officers and employees.

15.8 If there is an IPR Claim:

(a) the University will as soon as reasonably practicable notify the Provider of the IPR Claim, provided that the giving of such notice will not be a condition precedent to the liability of the Provider under Condition 15.7;

(b) the Provider will at its own cost and expense control the defence of the IPR Claim and any related proceedings or settlement negotiations, except that the University will be entitled to take any action which it deems necessary if the Provider fails to take action, or (in the University’s reasonable opinion) delays taking action, in defending or settling any such IPR Claim and such failure or delay may, in the reasonable opinion of the University, prejudice the interests of any Protected Party; and

(c) at the cost and expense of the Provider, the University will take all reasonable steps to co-operate with the Provider in the defence or settlement of such IPR Claim.
15.9 If the University is (or reasonably believes it is likely to be) subject to any IPR Claim the University may by written notice require the Provider to promptly (and at the Provider's cost and expense) either:

(a) obtain for the Protected Parties the right to continue possessing, using and receiving the Indemnified Items in the manner permitted under the Contract free from any liability for such infringement or likely infringement; or

(b) modify, substitute or replace the relevant Indemnified Item so as to avoid the infringement or alleged infringement, without prejudice to any representations, warranties and indemnities in the Contract and without adversely affecting or limiting in any respect the performance, scope or functionality of the infringing items or any other Indemnified Item or any part of them.

15.11 The Provider shall keep all University materials, equipment, tools, dyes and moulds at such location agreed with the University and shall keep such equipment clearly identified at all times as the property of the University.

15.12 Any surplus materials supplied by the University shall be disposed of at the University's discretion. Any waste of such materials arising from bad workmanship and/or negligence of the Provider shall be made good at the Provider's expense.

16. PROVIDER’S PERSONNEL

16.1 The Provider shall take the steps reasonably required by the University to prevent unauthorised persons being admitted to the Premises. If the University gives the Provider notice that a person is not to be admitted to or is to be removed from the Premises or is not to become involved in or is to be removed from involvement in the performance of the Contract, the Provider shall take all reasonable steps to comply with such notice and if required by the University, the Provider shall replace any person removed under this condition with another suitably qualified person and procure that any pass issued to the person removed is surrendered. Such removal or refusal shall not relieve the Provider of its duties under the Contract.

18.3 The parties acknowledge that for the purposes of the Data Protection Legislation, the University is the Controller, and the Provider is the Processor.

As between the University and the Provider, the Provider shall remain fully liable for all acts or omissions of any third-party processor appointed by it pursuant to this Condition 18.

(a) where there is a Substantial Modification; or

(b) where any of the circumstances detailed in the Mandatory Exclusions or Discretionary Exclusions apply to the Provider at the time that a decision to award a contract to the Provider is made in respect of any tender to which the Contract relates.

28.3 The Provider shall notify the University in writing within 10 calendar days of becoming aware of any of the circumstances listed in Conditions 28.2(a) to (b) above applying.

28.4 Subject to Condition 24.7, no termination of the Provider’s and/or Provider’s engagement under this Agreement in accordance with Condition 28.2 shall render the University liable to the Provider for any claim for loss of profit, loss of fees or other Losses.
28.5 Termination of the Contract howsoever effected does not affect:

(a) the rights or liabilities of the parties under this Condition 28 or which have accrued on or before termination; and

(b) the continuance in force of Conditions 1, 10, 11, 12.6, 12.8-12.10, 13, 14, 15, 16, 18, 20, 21, 22.1, 24.7, 25, 28.4, 29.5, 30.3, 31, 32, 34, 35, 36, 37, 38 and Conditions 2.3, 3, 4, 10, 11, 12 of the Minor Works Annex which survive termination of the Contract.

29. **BREAK**

29.1 Subject to Conditions 29.2 to 29.5 and without prejudice to the rights of the parties accrued prior to the date of termination, the University may, in addition to its other rights and remedies under the Contract, terminate the Contract at any time by giving not less than one month's written notice to that effect to the Provider.

29.2 In the event of such notice being given in accordance with Condition 29.1, the University may at any time before the expiration of the notice direct the Provider:

(a) where work in relation to all or any part of the Services has not been commenced, to refrain from commencing work; and

(b) to complete in accordance with the Contract all or any of the Services, or any part or component thereof.

29.3 Where the Contract is due to terminate under Condition 29.1 and the University has directed the Provider to complete Services in accordance with Condition 29.2(b):

(a) the Contract will terminate in part in respect of the Services, other than those that the University has directed should be completed, on the expiry of the notice issued in accordance with Condition 29.1; and

(b) the Contract will terminate in respect of the Services that the University has directed should be completed, on the later of (i) the expiry of the notice issued in accordance with Condition 29.1 and (ii) the date on which all such Services have been completed.

29.4 Where the Contract terminates in part under Condition 29.1 without all Services being successfully performed, the Price shall be reduced by a fair and equitable amount having regard to the proportion of the Services performed in accordance with the Contract prior to such termination, and where the revised Price:

(a) exceeds the aggregate amount paid to the Provider on the date of termination, the University shall make a balancing payment to the Provider of any shortfall; or
(b) is less than the aggregate amount then paid to the Provider, the Provider shall refund any payments made by the University that exceed the Price.

29.5 The University shall not in any case be liable to pay under the Contract any sum which, when taken together with any sums paid, or due, or becoming due to the Provider under the Contract shall exceed the total Price.

29.6 The University may terminate the Contract in whole or in part immediately by giving written notice to that effect to the Provider at any time before Delivery of the relevant Goods. If the University exercises its right of cancellation under this Condition 29.6 the University's sole liability will be to pay to the Provider fair and reasonable compensation for work-in-progress at the time of cancellation but such compensation will not include loss of profits (whether direct or indirect and whether actual or anticipated) or any indirect or consequential loss.

30. **VARIATION AND ENTIRE AGREEMENT**

30.1 The University reserves the right to vary the Goods and/or Services ordered by giving written notice of such variation to the Provider (a ‘Service Variation Notice’), should this at any time become necessary. In the event of any variation of the Goods and/or Services, the Prices for the affected Goods and/or Services shall be subject to fair and reasonable adjustment to be agreed in writing between the University and the Provider.

30.2 In the event that the parties have failed to agree a reasonable adjustment to the Prices in accordance with Condition 30.1 within a period of 14 days following the Service Variation Notice being issued, the reasonable adjustment will be determined by independent expert who will be selected and appointed in accordance with the following provisions of this Condition 30.2.

(a) The independent expert will be a member of the Chartered Institute of Accountants of England and Wales of not less than ten years standing.

(b) If within a period of 28 days following the Service Variation Notice being issued, the parties have not selected and then contractually appointed an appropriate expert, then the expert will (on the written request of either party) be selected by the President from time to time of the Institute of Chartered Accountants of England and Wales. If, following his appointment, the expert dies or becomes unwilling or incapable of acting, either party may serve written notice to request the appointment of a new expert. If the parties have not contractually appointed a new expert within a period of 14 days of such notice, the expert will be selected by the President from time to time of the Institute of Chartered Accountants of England and Wales.

(c) Each party will co-operate in doing everything that is reasonably necessary to procure the appointment of any expert that has been selected pursuant to this Condition 30.2 (including by acting reasonably in agreeing the terms of engagement of any such expert).
(d) The expert will make his determination in writing and will give reasons. The expert will act as expert and not as arbitrator. The expert's determination will (save in the event of manifest error) be final and binding.

(e) The expert's fees and any costs and expenses incurred in relation to his appointment will be borne by the parties in such proportions as the expert determines and in the absence of such determination by the parties equally.

30.3 An amendment to the Contract is ineffective unless it is in writing, expressly purports to amend the Contract and is executed by both parties.

30.4 The Contract constitutes the entire agreement between the parties relating to its subject matter and supersedes all prior representations, agreements, negotiations or understandings between the parties in respect of such subject matter and:

(a) neither party has entered into the Contract in reliance upon, and it will have no remedy in respect of, any misrepresentation, representation or statement (whether made by the other party or any other person and whether made to the first party or any other person) which is not expressly set out in the Contract; and

(b) nothing in this Condition 30 will be interpreted or construed as limiting or excluding the liability of any person for fraud or fraudulent misrepresentation.

31. **AUDIT**

31.1 The Provider will and will procure that its sub-contractors will maintain a complete, detailed, accurate and up to date set of records and books of account pertaining to all activities relating to the performance of the Contract and all transactions entered into for the purposes of the Contract and all payments made and received and all other advantages given and received by the Provider in connection with the Contract (the 'Retained Records'). The Provider will ensure that those records and books of account are sufficient to enable the University to verify the Provider's and/or Provider's compliance with the Contract.

31.2 The Provider will and will procure that its sub-contractors will at any time whilst the Provider or their sub-contractor is required to retain Retained Records pursuant to Condition 31.3, promptly on request from time to time, provide copies of the Retained Records to the University and will permit the Retained Records to be copied to or examined or inspected by the University, and any of its representatives or any representative of any regulatory authority.

31.3 The Provider will and will procure that its sub-contractors will retain the Retained Records for the longer of:

(a) six years from the date on which the Contract expires or is terminated; and

(b) the period of time (if any) required by applicable law
except as otherwise notified by the University to the Provider in writing.

31.4 The Provider will and will procure that its sub-contractors will, during the term of the Contract and for a period of six years thereafter, permit the University and any persons nominated by it, to have such access on demand to the Provider's premises, personnel, systems, books and records (including the Retained Records) as the University may require in order to fulfil any request by any regulatory authority and as the University may reasonably require in order to:

(a) undertake verifications of the accuracy of the Price or investigate suspected fraud;

   (iii) deal fully with enquiries, complaints or claims made by third parties.

31.5 The University will, to the extent the same is within its control, use its reasonable endeavours to procure that each exercise of the University's rights under Condition 31.4 does not unreasonably delay the performance by the Provider of its obligations under the Contract and that, where possible, the exercise of those rights is coordinated so as to minimise disruption.

31.6 The Provider will and will procure that its sub-contractors will provide the University with all reasonable cooperation, access and assistance in relation to each audit.

(c) provide the University with such assistance and information as it may require from time to time to enable the University to:

33.3 The Provider will immediately give written notice to the University upon the occurrence of a breach or suspected breach of any of its obligations referred to in this Condition 33. The notice will set out full details of the breach or suspected breach.

33.4 Any breach of this Condition 33 by the Provider will be a material breach of this Contract, irrespective of whether any financial loss or reputational damage arises and irrespective of the level of any financial loss or deprivation of benefit arising as a consequence of the breach.

33.5 The University will be entitled, by giving written notice to that effect to the Provider, to require the Provider to:

(a) remove from the performance of this Contract any of the Provider’s officers, employees, agents or sub-contractors whom the University believes to be engaging in any Modern Slavery Practice; or

34. **WAIVER**
A delay in exercising or failure to exercise a right or remedy under or in connection with the Contract will not constitute a waiver of, or prevent or restrict future exercise of, that or any other right or remedy, nor will the single or partial exercise of a right or remedy prevent or restrict the further exercise of that or any other right or remedy. A waiver of any right, remedy, breach or default will only be valid if it is in writing and signed by the party giving it and only in the circumstances and for the purpose for which it was given and will not constitute a waiver of any other right, remedy, breach or default.

If any term of the Contract is held by any competent authority to be illegal, unenforceable or invalid such term will be deemed to be severed from the Contract and this will not affect the remainder of the Contract which will continue in full force and effect.

37. **THIRD PARTY RIGHTS**

The Contract does not create, confer or purport to confer any benefit or right enforceable by any person not a party to it for the purposes of the Contract (Rights of Third Parties) Act 1999.

39.1 The independent expert will be a member of the Chartered Institute of Accountants of England and Wales of not less than ten years standing.

39.2 If within a period of 28 days following the Service Variation Notice being issued, the parties have not selected and then contractually appointed an appropriate expert, then the expert will (on the written request of either party) be selected by the President from time to time of the Institute of Chartered Accountants of England and Wales. 40.1 Subject to Condition 40.5, neither party may commence proceedings in relation to a dispute that arises out of or in connection with the Contract (including (without limitation) in relation to any non-contractual obligations) (a 'Dispute') unless that party has:

(a) served a written notice (a ‘Referral Notice’) on the other party notifying it of the relevant Dispute: or

(b) already received a Referral Notice from the other party in relation to the same Dispute.

40.2 Following service of a Referral Notice in relation to a Dispute, each party will respectively procure that such Dispute will be referred for resolution to any director for the time being on behalf of the Provider and any person of Head of Procurement level (or above) for the time being on behalf of the University.
