You may also need to organise childcare or schools for your children. Newcastle City Council will have details of local childcare facilities and schools on their website www.newcastle.gov.uk under Education and Learning. Local schools will operate either a two or three tier system, please find below details of the tiers:

Two Tier
Nursery 3-4 years old Primary 4-11 years old Secondary 11-16 years old

Three Tier
Nursery 3-4 years old First 4-9yrs old Middle 9-13 years old High 13-16 years old

Infants and children

In the interest and the safety of your children please ensure that children are supervised by an adult at all times. There is also a ‘No Ball Games’ policy on site, we would be grateful if your children adhered to this policy to avoid accidents and for their personal safety. Please ensure your children are familiar with basic road safety particularly when riding bicycles. The playground on site is for children aged 4 – 7 years, children must be supervised at all times.

The University is not responsible for any damage to vehicles parked on site, therefore we would appreciate children not playing near parked cars as damage may occur and also small children may not be seen by drivers entering the car park. We discourage children playing in the area to the right of block 33 as this area backs on to local residents, many of whom are elderly and require peace and quiet.
