How to move towards inclusive and urban and regional development

More and better jobs!

How?

Build demand for labour

Place based tailor solutions to regions

Local control of spending

LUARDS 40 yrs

How inclusive?

Minimum wage?

Make poverty matter less. Better, cheaper transport etc.

De-risk transition

Does the career ladder have all the rungs?

Lack of funding

Leads to depression

Build skills

Build success

Funding

Leads to success

Low skill work is under-valued it underpins society!
