

Accessing your feedback on Blackboard

Go to the blackboard home page, under my institution, click My Grades. Click on your mark then click on your assignment title.

You will then be taken to a Review Assignments page, click the icon next to My Paper

A new window will open and you will be able to see your submitted work, click

on GradeMark at the top left, your comments will be populated.

Common Problems:

- Log in Error
 - Do not use Internet Explorer – Chrome/Firefox/Safari are best
- Nothing happens when clicking My Paper
 - Check if you have pop up blockers installed – make Blackboard a trusted website
- The page displays an error message or lots of code
 - Feedback can only be accessed via PC/Laptop, grades are viewable on the mobile interface but not comments.
