

## Student 'Feed Forward' Form

### School of English Literature, Language and Linguistics

This form is designed to help you to engage with and reflect productively on feedback from all your modules in a holistic sense. Whatever marks you received, it's important that you make the most of the comments and advice that are provided on your work—so that you gain a clearer understanding of how to act on the advice and move forward in your next assessments.

**Please read the written feedback on all your assignments from last semester** (esp. on the coversheets but also the work itself), thinking carefully about recurring comments, and perhaps rereading your work in the light of it. Then, **make notes on the questions below and bring this form**—together with your essays—to **your next meeting with your Personal Tutor**. Your tutor will discuss your action plan with you. For more detailed consultation with module leaders, do take advantage of the **Feedback Afternoon**, or contact your module leaders and arrange to discuss your work during their weekly scheduled feedback/consultation hours.
