Ideas for reform of Welfare Committee discussed

PAR-TAKING discussions on the re-organisation and rationalisation of the structure of the existing Welfare Section at the University of Newcastle upon Tyne. The Committee in whole was held last week at a meeting of the Welfare Committee and attended by the University's Student Representative Councillor.

The meeting dealt with the proposal to make Student's Representative Councillor a member of the Welfare Committee and the advantages of dividing the existing Welfare Committee into two parts.

The meeting was called to order by Mr. Percy Smith, President of the Student Representative Council, who explained the advantages of dividing the existing Welfare Committee into two parts.

Dr. Bernard Kat, who until he resigned at the end of last term was Chairman of Welfare Committee, said: "The purpose of this meeting is to discuss the proposal to make Student's Representative Councillor a member of the Welfare Committee and the advantages of dividing the existing Welfare Committee into two parts."

The meeting was then adjourned to a later date.

Emergency meeting called by Pledger

UNION President, Tony Pledger, has called an Emergency meeting of the Union Welfare Committee to discuss the move of the Union Library to the new Geography Department.

The purpose of the meeting is to discuss the move of the Union Library to the new Geography Department and to decide on the future of the Union Library.

Refectory books

The University Refectory is to open a small branch there by the library which had moved into the new Geography Department. The branch will be open on a limited basis.

Sticky Parkers

The Union is in the process of changing the University Parkers' Club in the new Geography Department. The new Club will be open on a limited basis.

Paperbacks are now on sale in the University at a small kiosk situated in the refectory. The kiosk, which Thorne said that he had been asked to open in the small branch there by the University Book Shop Advisory Committee six months ago, displays many recent publications and is aimed to show students what new books are now available.

Although Mr. Thorne had been asked to stock second-hand, paperbacks, newspapers and text-books, he said that this was impossible in such a small space but textbooks can be ordered at the kiosk providing full details can be given.

Apology fraud

At the end of last term an apology was printed in the Courier and reprinted in the Refectory, which had been inserted in the Union's committee minutes. The apology was inserted in the Union's minutes, which are printed on page 6, immediately after the extra-ordinary meeting held in the Union's committee minutes.

The union has been asked to issue an apology to students who were present at the meeting.

Footnotes

This report is a result of the University Development Committee's meeting held on Thursday night. Bernard Kat, who until he resigned at the end of last term as Chairman of Welfare Committee, said that SRC had a much wider basis for the discussion on a possible reform of SRC than the one proposed by the University Development Committee. The Committee, he said, had been moved out of the old Geography Departments in the Union, but the proposal for a new structure for the Welfare Committee had been moved out of the old Geography Departments in the Union, but the proposal for a new structure for the Welfare Committee had been moved out of the old Geography Departments in the Union, but the proposal for a new structure for the
