Subject Interest

We hope to offer taster sessions in a broad variety of subjects, however, interest in the following subjects may be prioritised when allocating spaces on Bitesize Uni (BSU) if the summer school is oversubscribed:

- Archaeology
- Biology and Zoology
- Biomedical and Biomolecular Sciences
- Chemical Engineering
- Chemistry
- Classics and Ancient History
- Electrical and Electronic Engineering
- Engineering
- English Language and Linguistics
- English Literature (including Creative Writing)
- Environmental Sciences
- Food and Human Nutrition
- Geography
- History
- Maths
- Modern Languages
- Music
- Philosophy
- Physics
- Planning

Any queries, please email bitesizeuni@newcastle.ac.uk
