

Medicine and Dentistry Virtual Outreach

With the on-going current situation, we are offering a flexible approach to outreach, including virtual sessions to be delivered in school. This handy brochure pulls together all the current Medicine and Dentistry sessions we are able to offer virtually to support your students' application to university. We will be consistently updating this document, so please do keep checking back at what we are able to offer. If you would like to book a session or have any questions, please email us at outreach@ncl.ac.uk.
