Autumn

Open Day 2018

15 September 9.00–4.00

YOU BELONG HERE
Welcome to our Autumn Open Day

At Newcastle, we offer an outstanding student experience and world-class education for life. At our Open Day you’ll discover more about the many opportunities to inspire you to fulfill your potential at Newcastle.

You’ll have the opportunity to meet current students to get a real insight into what it’s like to study here, and find out more about the course(s) you’re interested in and meet staff from those areas.

Explore our beautiful city-centre campus and see facilities including accommodation, the Sports Centre and the Students’ Union. You can also attend your choice of Information Sessions to find out more about aspects of University life outside of your course.

We hope you enjoy your day with us.
What’s happening on the day?

Discover more about what we have to offer you through a flexible programme of sessions, tours and other activities that you can choose from. You can use the planner on the back of this programme to plan your day.

Welcome and registration

The day runs from 9.00–4.00 and although you can arrive at any time, we recommend arriving as early as possible to get the most out of the day.

When you arrive on campus you can visit our Welcome Desk in King’s Gate to speak to staff about planning your day, or continue on through campus to your chosen activities.

You don’t need to let us know you’ve arrived in person – that can be done via your phone – leaving you more time to explore. We’ll send you a text message on the day which will include a link to let us know you’re attending.

Useful Information

In case of emergency
Contact the nearest member of staff in a red T-shirt. In the event of a fire alarm, please vacate the building immediately by the nearest exit.

Meeting point and lost property
If you become separated from your party, please meet at the helpdesk in the Information Fair, King’s Gate (University map leaflet ref 1). Please also report here for lost property.

Photography and filming
Some photography and filming will be taking place on the day to appear in future Newcastle University printed and digital publicity. Please let the photographer or a member of staff know if you do not want to have your photo taken, or be filmed.

Travelling to the University

Newcastle is easy to get to, with excellent transport links by road, rail and air from major cities across the UK.

Due to our city-centre location, we recommend that you use public transport where possible to get to our campus. If you are travelling by car, there are park and ride options available.

Travelling by train
Located on the East Coast main train line, Newcastle is only three hours from London and even closer to other major cities including Manchester, Leeds and Edinburgh.

The University can easily be reached from Newcastle Central Station using the Metro light rail system. Haymarket Metro station (opposite the campus) is only two stops from the Central Station. Tickets are £3.00* for a Metro DaySaver return (one zone).

Alternatively, it is about a 15-minute walk to the campus from the train station. Please see our University map leaflet for directions. Look out for our guides (wearing yellow T-shirts), who will be at key areas of the city centre in the morning to help direct you to the campus.

Travelling by car
The University is based in the city centre, so we have limited parking on campus and can only offer parking for disabled visitors. Please email open.day@ncl.ac.uk if you need a disabled parking space.

For satellite navigation purposes, please use the postcode of one of the city-centre car parks listed on our website.

Parking
City-centre car parks will be extremely busy, so please allow extra time for your journey. A list of car parks near to the campus is available on our website www.ncl.ac.uk/openday/travel.

Travelling by plane
There are regular flights from other major UK cities to Newcastle International Airport, which is connected to the city centre by Metro.

Metro park and ride
To avoid traffic congestion in the city centre another option is to park at a nearby Metro station and travel to the city centre by Metro.

The University is opposite Haymarket Metro station, which is a short journey from the stations listed below. All of these stations offer long-stay parking.

Heworth Metro station
(for those travelling from the south)
Sunderland Road, Heworth, Gateshead NE10 0YJ
Number of spaces: 462
Price of parking: £2.30 per day*
Journey to Haymarket Metro station: 9 minutes

Four Lane Ends Metro station
(for those travelling from the north)
Benton Lane, Newcastle upon Tyne NE7 7UJ
Number of spaces: 475
Price of parking: £1.00 per day*
Journey to Haymarket Metro station: 12 minutes

Regent Centre Metro station
(for those travelling from the north)
Great North Road, Newcastle upon Tyne NE3 3PF
Number of spaces: 182
Price of parking: £1.00 per day*
Journey to Haymarket Metro station: 12 minutes

For Metro travel we suggest you purchase a Metro DaySaver ticket for two zones. Tickets are £4.10* per person for a DaySaver return (two zones).

*Prices are correct at the time of going to press (August 2018). For more information about travelling by Metro, including timetables, a map and station locations, please see www.nexus.org.uk/metro.

Subject Sessions

Attend Subject Sessions to find out more about the degree(s) you’re interested in and meet academic staff and students from those areas. See pages 14–15 to check which session covers the degree you’re interested in.

Each session will last approximately 50 minutes (unless stated), and many are followed by additional activities listed in the key. Priority may be given to students rather than parents/guests in busy sessions.

Key of additional activities:
- Meet students
- Refreshments available
- Tour of subject facilities
- Booking required

Sessions with this icon need to be booked before you arrive. You will receive an email from us about this if you have booked to attend the Open Day.

Shuttle bus available

If you’re attending any sessions in the Business School or the Urban Sciences Building, you can get a shuttle bus from King’s Road. Please allow at least 15 minutes for the journey in case of traffic. You can also walk to both sites—the walk will take approximately 15 minutes.
