Summer Open Days 2018

29–30 June
9.00–4.00
Welcome to our Summer Open Days

Today you’ll discover more about the many opportunities to inspire you to fulfil your potential at Newcastle.

You’ll meet current students to get a real insight into what it’s like to study here, and have the opportunity to find out more about the course(s) you’re interested in and meet staff from those areas.

Explore our beautiful city-centre campus and see facilities including accommodation, the Sports Centre and the Students’ Union. You can also attend your choice of Information Sessions to find out more about aspects of University life outside of your course.

We hope you enjoy your day with us.

Useful Information

In case of emergency
Contact the nearest member of staff in a red T-shirt. In the event of a fire alarm, please vacate the building immediately by the nearest exit.

Meeting point and lost property
If you become separated from your party, please meet at the helpdesk in the Information Fair, King’s Gate (University map leaflet ref 1). Please also report here for lost property.

Photography and filming
Some photography and filming will be taking place on the day to appear in future Newcastle University printed and digital publicity. Please let the photographer or a member of staff know if you do not want to have your photo taken, or be filmed.

Why choose Newcastle University?

At Newcastle, we put our students at the heart of everything we do, and our Open Day is all about you finding out more about what we have to offer you. Here are just a few reasons why 24,000 students from 138 countries choose to study here, and how you can find out more at our Open Day.

The highest teaching quality
We are one of only eight research-intensive Russell Group universities to be awarded the TEF Gold Award. This recognises that we deliver consistently outstanding teaching, learning and outcomes for our students.

Find out more about the course(s) you’re interested in at Subject Sessions (pages 7–13) and the Subject Fairs (page 16).

Excellent career prospects
Our graduates have some of the best employment prospects in the UK. 95% of our 2016 UK & EU graduates are in employment or further study and more than three quarters (77%) of those who entered employment achieved a professional or managerial position. Our Careers Service is one of the best, largest and most innovative in the UK.

Visit our careers stand in the Information Fair (page 17) to find out more.

An outstanding student experience
We’re ranked joint 7th in the UK for overall student experience (Times Higher Education Student Experience Survey 2018). With so many opportunities to expand your experience outside of your degree – whether through writing for our multi-award-winning newspaper, learning a new language, or trying a new sport – the challenge will be choosing what to do.

Find out more about these opportunities at our Information Fair and Information Sessions (pages 17–18).

In the heart of one of the UK’s best student cities
It’s difficult to imagine a better student city than Newcastle, and our students agree – we’re ranked 3rd in the UK for city life (Whatuni Student Choice Awards 2017). Newcastle is compact, friendly, and full of history and character, and the University campus is right in the city centre.

Visit the city stand at our Information Fair (page 17) or attend our About the ‘Toon’ session (page 18) to find out more about the city.

Getting around
Our campus is very compact, so it won’t take you long to get to the different activities. There are lots of students on campus (wearing yellow T-shirts) who can direct you to the different buildings and activities.

Travelling to the University

Newcastle has excellent transport links by road and rail from major cities across the UK.

Due to our city-centre location, we recommend that you use public transport where possible to get to our campus. If you are travelling by car, there are park and ride options available.

**Travelling by train**

Located on the East Coast main train line, Newcastle is only three hours from London and even closer to other major cities including Manchester, Leeds and Edinburgh.

The University can easily be reached from Newcastle Central Station using the Metro light rail system. Haymarket Metro station (opposite the campus) is only two stops from the Central Station. Tickets are £3.00* for a Metro DaySaver return (one zone).

Alternatively, it is about a 15-minute walk to the campus from the train station. Please see our University map leaflet for directions. Look out for our guides (wearing yellow T-shirts), who will be at key areas of the city centre in the morning to help direct you to the campus.

**Metro park and ride**

To avoid traffic congestion in the city centre another option is to park at a nearby Metro station and travel to the city centre by Metro.

The University is opposite Haymarket Metro station, which is a short journey from the stations listed below. All of these stations offer long-stay parking.

**Heworth Metro station**  
(for those travelling from the south)  
Sunderland Road, Heworth, Gateshead NE10 0YJ  
Number of spaces: 462  
Price of parking: £2.30 per day*  
Journey to Haymarket Metro station: 9 minutes

**Four Lane Ends Metro station**  
(for those travelling from the north)  
Benton Lane, Newcastle upon Tyne NE7 7LU  
Number of spaces: 475  
Price of parking: £1.00 per day*  
Journey to Haymarket Metro station: 12 minutes

**Regent Centre Metro station**  
(for those travelling from the north)  
Great North Road, Newcastle upon Tyne NE3 3PF  
Number of spaces: 182  
Price of parking: £1.00 per day*  
Journey to Haymarket Metro station: 12 minutes

*Prices are correct at the time of going to press (May 2018). For more information about travelling by Metro, including timetables, a map and station locations, please see [www.nexus.org.uk/metro](http://www.nexus.org.uk/metro)

**Parking**

City-centre car parks will be extremely busy, so please allow extra time for your journey. A list of car parks near to the campus is available on our website [www.ncl.ac.uk/openday/travel](http://www.ncl.ac.uk/openday/travel).

**Travelling by car**

The University is based in the city centre, so we have limited parking on campus and can only offer parking for disabled visitors. Please email open.day@ncl.ac.uk if you need a disabled parking space.

For satellite navigation purposes, please use the postcode of one of the city-centre car parks listed on our website.

**Metro DaySaver ticket**

For Metro travel we suggest you purchase a Metro DaySaver ticket for two zones. Tickets are £4.10* per person for a DaySaver return (two zones).

Welcome to the ‘Toon’
Famous for its friendliness, vibrant nightlife and beautiful architecture, Newcastle also offers great shopping, dining and world-class cultural events and attractions, making it a fantastic destination for a weekend break.

Even if you’re just visiting for a day, as the University is in the city centre, it’s worth taking some time to sample what the city has to offer while you’re here.

Getting around
Newcastle is a very compact city, so it’s easy to get around on foot. You’ll find a city-centre map in the University map leaflet you receive with this programme.

Where to go
Here are just a few places to visit within easy reach of the campus:

- Just minutes away from campus is Eldon Square, one of the UK’s largest city-centre shopping centres, with over 150 stores and several cafés and restaurants
- Grainger Town is home to lots of restaurants, independent and high street shops and a bustling indoor market
- Take the QuayLink bus from Haymarket Bus Station to the Quayside to see the famous bridges. You’ll find a variety of attractions here – from the BALTIC Centre for Contemporary Art to a temporary seaside!

See pages 19–20 for information about walking and bus tours of the city.

Staying overnight
A number of city-centre hotels offer discounts for visitors attending the Open Day. See our website for a list of hotels with offers available
