

Campus for Ageing and Vitality (CAV)

Newcastle University Buildings

- CARU = Clinical Ageing Research Unit
- NBRB = Newcastle Biomedical Research Building
- NMRC = Newcastle Magnetic Resonance Centre
- PC = Pavilion Café
- PET Centre = Positron Emission Tomography Centre
- WRC = Wolfson Research Centre

- Entrance to Building
- Direction of Traffic

For NMRC/CARU

From Studley Terrace: Turn left at the sign for the “Academic Quarter”.

From Westgate Road: Follow one way system and take the second right, then turn right at the sign for the “Academic Quarter”.

Park in the pink bays and collect parking permit from NMRC/CARU Reception

For PET Centre:

From Westgate Road: Follow the one way system signs to Building 15. Patients should park in the blue bays as shown on the map, disabled badge holders may park directly outside the building in the appropriate spaces. Provide your registration plate number at PET Reception for free parking.

If no blue bays are available or you are not attending for a scan, please follow instructions for parking at NMRC.
