Partial awards to contribute to tuition fees

Newcastle University Business School offers a number of partial MBA scholarship awards each year to assist MBA students with good qualifications to study for an MBA degree. The awards will be credited to the student's fee account to reduce the overall cost of tuition fees.

Awards include:

- MBA Recognising Talent and Achievement in Leadership Scholarship, awards of £12,000
- MBA Developing Leaders Scholarship, awards of £8,000

Terms and Conditions

1. To be considered for awards, applicants must have been offered a place to study on the Full-time MBA programme at the University's Newcastle city centre campus for the 2021/22 academic year. Only programmes beginning in September 2021 will be eligible.
2. Eligible applicants will be considered automatically for awards at the point of MBA interview and then these decisions will be ratified by the School's MBA Scholarship Committee. There will be 18 awards available for 2021/21 entry. Awards may be exhausted early in the application cycle; early MBA programme applications are therefore encouraged.
3. The value of the awards will be for £8,000 or £12,000 and will be credited to the student's tuition fee account.
4. Successful applicants will be selected on merit; interview performance and allocation of scholarships will be based on the Business School's priorities which may alter from time to time. Further details on academic grade equivalencies can be found on the MBA course profile page: www.ncl.ac.uk/business/study/mba
5. To receive awards applicants must become registered students at Newcastle University in the 2021/22 academic year for the Full-time MBA programme. Awards cannot be deferred to later academic years.
6. Fully sponsored students do not qualify for these awards. A fully-funded scholarship or full sponsorship covers fees and maintenance. The University reserves the right to suspend payment and recover any scholarship amounts already made to international students with full funding.
7. Scholarships will not be confirmed unless applicants satisfy all conditions related to their scholarship offer.

8. Successful applicants **cannot be** in receipt of an MBA partial award AND an award from any of the following scholarship schemes operated by the University: Vice-Chancellor's International Scholarships, Vice-Chancellor's Excellence Scholarships, Newcastle University GREAT Scholarships, full tuition fee MBA scholarships, any Elite Sports Scholarships, International Family Discount, Alumni Tuition Fee Discount, faculty and school scholarships.
9. Applicants may apply for and/or be considered for more than one award but if successful in either the MBA Recognising Talent and Achievement in Leadership Scholarship or the MBA Developing Leaders Scholarship and one of the schemes listed then they would receive the Higher of the awards with the lower value award reallocated to another applicant. The list of schemes is not exhaustive and applicants should check the regulations for all funding opportunities to which they apply to ensure eligibility.
10. The following applicants are not eligible to receive the MBA partial awards: current students registered at the University who have already commenced their postgraduate degree at the time of the award. Awards cannot be made retrospectively.
11. The Business School reserves the right to vary all or any scholarship awards at its sole discretion.
12. The Business School's decision on all MBA Scholarship awards and interpretation of rules and regulations shall be final: appeals will not be considered.
