Dear Student

It gives me great pleasure to welcome you to Newcastle University. I hope that your time here will be both successful and enjoyable. In choosing Newcastle, you have chosen to join a University that is committed to providing you with an education for life and, during your time here, you can expect to be engaged, inspired, challenged and supported as you discover and fulfil your potential.

During your studies here, you will learn that your degree is much more than the elements of your programme. You’ll be encouraged and empowered to be creative, innovative, enterprising and global in your outlook. There are many different facilities and diverse support services on campus that you can use to enhance your knowledge, skills and personal attributes – everything from an award-winning library to a business incubator, as well as outstanding sports facilities, clubs and societies. Please take full advantage of these resources and opportunities.

We suggest you keep this booklet for reference and as a source of useful information. If you lose your copy, you can get a replacement from student services or you can view it online at www.ncl.ac.uk/students/progress/student-resources/. You should also refer to your Programme Handbook. Postgraduate research students should refer to the Handbook for Research Students.

Please read the Student Charter at the beginning of the booklet and you will learn what you can expect from the University and, in turn, what this University expects of you as an actively engaged learner. Being absolutely sure about what is expected of you, and knowing what the University is committed to providing for you, will enhance your potential to succeed.

Remember you can talk to your personal tutor about any problems you experience, either academic or personal, that might affect your progress. Your tutor can address your questions or concerns with you, or they can put you in touch with University’s student services or other professional support.

With very best wishes for your University career.

Professor Chris Day
Vice-Chancellor and President

Newcastle University Student Charter - Rights and Responsibilities

Our vision is of Newcastle as a world-leading university, advancing knowledge, providing creative solutions and solving global problems. We aspire to be a people-focused university that harnesses academic excellence, innovation and creativity to provide benefits to individuals, organisations and to society as a whole.

Our Vision is based firmly on our core values of equality, diversity and inclusion, social justice and respect for academic freedom but it is also informed by three aspirational values - excellence, creativity and impact – that guide everything that we do.

The Vision is underpinned by a set of strategies, the first of which – Education for Life – outlines our commitment to promoting the highest levels of student engagement. We will inspire, challenge and empower you to discover and reach your full potential, and support you and care for you as you do so.

To encourage student success, the following summary of commitments has been agreed by the University community and signed off by the Vice-Chancellor and the President of the Students’ Union. This Student Charter has been developed after review and consultation with key staff and Students’ Union representatives. The document is reviewed regularly. Important sections to the Student Charter are the Statements of Student Academic Rights and Responsibilities and Behavioural Expectations, along with information on relevant key policies and procedures.

The University requires students to conduct themselves in a reasonable and proper manner at all times, both on and off campus. These values are essential to the functioning of an academic community and the University will take appropriate action where a proven breach of its policies/regulations relating to student conduct has occurred.

This Student Charter recognises that, whilst the majority of Newcastle University students are based on campus in Newcastle, increasing numbers of our students are based in London, Malaysia or Singapore or are studying at a distance or through e-learning arrangements. In addition, many students are based with external organisations whilst undertaking a placement as part of their course. The principles in the Charter apply to all students, regardless of their programme or mode of study or location. However, there may be particular provisions or different arrangements at our overseas campuses and for students studying at a distance or through e-learning, and where applicable, similar or equivalent services will be provided.

All students and staff are expected (subject to the provisions of any specific adjustments relating to individuals) to follow the spirit of the Charter.

Newcastle University undertakes to:

- require its employees to demonstrate high standards of professional conduct
- treat students as full members of the University community
require its employees to treat students professionally and with respect
promote equal opportunity for all students
work in partnership with students to shape their University experience.

Newcastle University undertakes to provide:
- high standards of teaching, support, advice and guidance
- access to activities that will develop graduate and research skills and enhance personal development and employability
- access to professional support services for advice on health and wellbeing, accommodation, finance and careers
- access to excellent library and IT facilities
- support for student election of representatives and participation in academic and programme development.

Newcastle University undertakes to provide students with the following information:
- published programme costs, payment options and deadlines, and an estimate of necessary additional costs
- a programme handbook which outlines any professional requirements, contact hours, attendance expectations, mode of course delivery, assessment criteria, examination arrangements and regulations, academic guidance and support, and appeals and complaints procedures
- clear deadlines and timeframes for feedback on submitted work
- appropriate periods of notice for planned changes to the timetable and curriculum.

Students undertake to:
- demonstrate high standards of personal conduct and respect in their interactions with the University and the local community
- treat staff and their fellow students respectfully.
- attend orientation, induction sessions and meetings with tutors/University support staff
- familiarise themselves with information provided by the University and follow recognised procedures
- be punctual, attend all timetabled sessions and participate in classes and group learning activities
- take responsibility to manage their learning and ensure that they regularly spend sufficient time in private study
- obtain agreement from their academic unit, where possible in advance, for essential absences
- submit assessed work by stated deadlines, collect marked work and learn from feedback
- participate in opportunities to develop and improve provision, such as supporting student representatives and completing feedback forms
- take responsibility for engaging in appropriate activities outside of their curriculum to enhance their employability skills
The Students’ Union undertakes to:

- promote high standards of student personal conduct
- support student engagement with the local community
- support all students to ensure they receive equal treatment and are aware of their rights and responsibilities
- support student representation in a wide range of contexts to ensure that students contribute to the development and improvement of provision
- work in partnership with the University to ensure that student views inform the development and improvement of provision, and the wider student experience
- assist students with academic and welfare problems
- represent the interests of all Newcastle University students at local and national level
- encourage students’ personal and professional development by provision of a range of information and media, sports clubs, societies and activities.

Welcome!
Newcastle University, the City and Travel

The University

Newcastle University is situated in Newcastle city centre so it is easy to experience everything Newcastle has to offer. Further information about the University campus is available on the following website: www.ncl.ac.uk/about/campus/newcastle/

Maps of the campus and the city are available at: www.ncl.ac.uk/who-we-are/contact/maps/. These may be useful to you in the first few weeks as you familiarise yourself with the many buildings on campus. You will soon know the way to your School/Institute office, the library, your nearest PC cluster and other facilities which will play a large part in your studies. Virtual tours of the campus and the city are also available: http://www.ncl.ac.uk/tour/

The City

Newcastle is a cosmopolitan city with many cultural, shopping and entertainment facilities. There are many websites dedicated to Newcastle and the surrounding area which can provide help with information for those new to the City. Some useful websites are:

- www.getintonewcastle.co.uk/ – information and events in Newcastle
- www.newcastle.gov.uk – Newcastle City Council
- www.newcastlegateshead.com/ – official Tourist Information

The Region

The following sites provide information on venues around the city and region so can prove a valuable source of information and inspiration:

- www.visitnortheastengland.com – for information about the entire North-East region
- www.visitnorthumberland.com – for events and days out in Northumberland

Travelling around Newcastle

The main transport methods for getting around the city are the Metro or by bus, both run frequently throughout the day and are a convenient way of travelling. Information about local travel is available on the following website along with timetables and information about ticket pricing: www.nexus.org.uk The University is located next to Haymarket Metro and bus stations.
Local Banks

All students will need a UK bank account to receive and make payments. Some banks allow you to open a bank account in the UK whilst you are in your home country. You should consult individual bank websites to see which products best meet your banking needs or visit the British Banking Association website which provides advice about bank accounts in the UK: https://www.bba.org.uk/customers/personal-banking/.

The following are the main UK banks:

- Barclays  www.barclays.com
- Halifax  www.halifax.co.uk
- HSBC  www.hsbc.co.uk
- Lloyds  www.lloydsbank.com
- NatWest  www.natwest.com
- RBS  www.rbs.co.uk
- Santander  www.santander.co.uk
- TSB  www.tsb.co.uk

The following is a checklist of what is usually required to open a UK bank account, however, requirements can vary from bank to bank:

1. Passport, OR current valid European Union National ID card, which should contain a photograph of you and your signature.

2. Your offer letter or letter of introduction from Newcastle University* confirming you are in full time Higher Education and showing your home address overseas.

Please note, if the letter does not feature your overseas address, you must also bring one of the following, making sure that it states your name and overseas address in English:

- original credit card or bank statement (no older than 3 months)
- national ID card

3. Confirmation of your UK address (your accommodation contract)

* During the Arrival, Welcome and Registration period you can request a bank introduction letter from the registration venue. Outside of this period you will need to go to Student Services, King’s Gate.

Health Fayre

Our Health Fayre will incorporate a range of health care partners including GP registration. You should register with a local doctor as soon as possible when you arrive in Newcastle; staff will be on hand to help with this process at our Health Fayre.
Details of Event
Dates: 18th to 25th September inclusive
Times: 9am to 5pm
Venue: Boiler House

If you are unable to attend this event you can find details of how to register with a doctor and a dentist at https://www.ncl.ac.uk/students/wellbeing/medical/doctor_dental.htm

Council Tax
Most students are entitled to some form of exemption or discount, but this depends on individual circumstances. If you are exempt from paying Council Tax you will need to submit a Student Exemption application form to your local council as well as a certificate of registration providing details about your course.

You can print a copy of your certificate of registration via the student self-service portal (S3P):
https://s3p.ncl.ac.uk/login/index.aspx

If you are living within the Newcastle City Council area you can complete an online exemption/discount form at:
newcastle.gov.uk/services/council-tax/council-tax-exemptions/council-tax-useful-council-tax-forms

Contact Newcastle City Council - Tel:+44 (0) 191 278 7878 or online enquiry form: newcastle.gov.uk/services/council-tax/council-tax-exemptions/council-tax-useful-council-tax-forms

More information on Council Tax is available at: https://www.ncl.ac.uk/students/wellbeing/finance/advice/counciltax.htm

Sit the English Language Assessment
Under University Regulations all new students whose native language is not English must sit the University English Language Assessment (UELA). If this applies to you, it will be shown on the ‘Registration Status’ screen on S3P when you register. Information about exemptions, locations, dates and times of the assessments are available at www.ncl.ac.uk/students/insessional/uela

You do not have to pass the UELA. The assessment helps the University support you with additional English Language classes, if required, during your studies.

Further information is available in the ‘Support through your studies’, English Language Support section on page 22 of this booklet. Full details of the classes are available at www.ncl.ac.uk/students/insessional/english/
Register with the Police
Many international students MUST register with the Overseas Visitors section of the Police soon after they arrive in the UK. Please read the decision letter that you received when you were granted your visa or look at your visa in your passport to see if this applies to you. If you are required to register with the Police you will be able to get help and support in making the arrangements once you arrive. This information will be available during the International and EU Welcome event and from the Visa Team at Newcastle University. www.ncl.ac.uk/students/progress visa/police.htm

Welcome and Induction Programmes
Your School/Institute welcome and induction
All students will have specific welcome and induction sessions organised for them by their School/Institute. Details will be sent separately by your School/Institute, or will be explained when you arrive. School/Institute and Faculty induction information will also be available at: https://www.ncl.ac.uk/pre-arrival/welcome/. Contact details for each School/Institute, Research Student Support Team (Faculty of Humanities and Social Sciences and Faculty of Science, Agriculture and Engineering) and the Faculty of Medical Sciences Graduate School are available at the back of this booklet.

New Student Induction: “Respect”
The University prides itself in showing respect for others. These sessions are compulsory for all new undergraduate and postgraduate taught students to attend. Your school will have them scheduled as part of the Welcome week. You should note that the session will include reference to sensitive issues such as sexual violence including imagery that some people may find distressing. We expect all students to attend unless you have a compelling reason to be excused.

New Beginnings: Your academic headstart
Whatever subject you’re studying, you will be joining an exciting academic community of people who are just as passionate about learning as you are. Explore what to expect, where to find the information you need and how to feel part of your academic community with our short online course Newcastle Beginnings: Your academic headstart. Our team of student presenters and mentors will introduce you to some of the people and activities you might encounter, give you a heads up on what to expect and some tips to try out when you get here. Sign up here: http://bit.ly/headstartSP2

Students should attend the session most appropriate to their circumstances but if this is not possible, they may attend one of the other dates.

**International & EU Welcome**

All new international and EU students are invited to take part in the University's International Welcome which starts on 16th September. This event consists of:

- Free information sessions (18th – 20th September)
- Social Programme called ‘Early Arrivals’ during International Welcome
- An optional social programme for ALL students called ‘Freshers’ Week’ (22nd September). Tickets for this are available from the Students’ Union Reception, in advance via the NUSU website or by contacting freshers.week@ncl.ac.uk.

Further events will be added so check our website (https://www.ncl.ac.uk/pre-arrival/international/) regularly for the latest information. Further information about the International and EU Welcome is also provided in the International Students’ Handbook. If you want to know more about the International and EU Welcome, please email InternationalWelcome@newcastle.ac.uk

**Your personal academic timetable**

Once registered on your programme, you can view a personalised timetable on the University app (https://services.ncl.ac.uk/itservice/teaching-services/mobile/universityapp/) which also has information on moving around campus, managing your Library and print accounts and finding places for private study. You may also view module, programme and individual timetables on the student timetables website (www.ncl.ac.uk/timetable) where there is also a guide for on how to understand your timetable (www.ncl.ac.uk/timetable/StudentTimetableGuide.pdf) and links to maps of the teaching campus.

If your degree programme allows the choice of modules or options, your personal or stage tutors will advise you on the best module options to suit your particular academic interests.

Contact hours and the amount of self-directed study can differ between subjects, but you should expect to attend classes on most days and between the hours of 9am and 6.30pm Monday to Thursday and 5.30pm Friday. Wednesday afternoons 1.30pm onwards are kept free for sports, volunteering and participatory activities.
Please note that timetables can change during the year, especially at the beginning of each semester – so please check the website and your app regularly.

**Freshers’ Week and Welcome events**

Arriving early? Newcastle University Students’ Union (or NUSU to our students) runs a number of welcome events for all students arriving in Newcastle. If you are arriving in Newcastle between Tuesday 17th September and 22nd September, you can get involved with our Early Arrivals events. These are primarily aimed at Internationals, local students and any students who are on campus during this week in the lead up to your main Freshers’ Welcome Events.

NUSU runs your official Freshers’ Welcome Events and this year we’re spreading it over 10 days! Yes, that’s right Freshers is now 10 days! Your main programme for social activities will be held between Sunday 22nd - Saturday 28th of September, when you arrive on campus. With a vast number of daytime and night-time activities, Freshers promises to be something you won’t have experienced before. We will introduce you to our Students’ Union, the University and the City which you’ll soon come to call home. Get to know your new surroundings and make lifelong friends on the way. Want to get to know the city and campus before you get here? Head to [nusufreshers.co.uk](http://nusufreshers.co.uk) to see all our blog posts. Participation in Freshers’ Welcome Events is optional, but if you wish to join us all you need to do is purchase an official Freshers’ wristband – which can be purchased [www.nusufreshers.co.uk](http://www.nusufreshers.co.uk)

If you are a Postgraduate student, you can sign up for the for events hosted by NUSU specific for you as well as purchasing an official Newcastle University Fresher’s Welcome Events wristband.

You will have compulsory induction lectures and events during the 10 days Fresher’s Welcome Events take place, but don’t worry about missing out because our daytime activities are offered over and over again throughout the week. Aside from this, we also have great evening & night-time events for you to properly immerse yourself into heart of Newcastle.

For further details about Freshers’ Welcome Events and to purchase your wristband visit [www.nusufreshers.co.uk](http://www.nusufreshers.co.uk)
Support through your studies
Student Services

The majority of Student Services referred to in this section can be found in King’s Gate, a dedicated Student Services building in the heart of the campus.

The main Student Services entrance is Level 2 opposite the Students’ Union Building. There is also an entrance on Level 1 from Barras Bridge. Your first point of contact for the majority of Student Service enquiries is the Customer Services Advisers Team. They will be able to answer many of your questions directly and will signpost you to colleagues within the integrated services if needed. Further information including opening times can be found at www.ncl.ac.uk/studentservices

Some examples of how the Customer Service Adviser Team can help are:
- Appointments with specialist teams (pre-booked and drop-in)
- Student registration (outside September’s main Welcome and Registration period)
- Issuing new and replacement smartcards
- Advice on self-service portal and document production

Some of the specialist teams located in King’s Gate:
- Accommodation (University-owned and managed partnerships) – page 23
- Careers – page 23
- Financial Support – page 25
- Student Health and Wellbeing – page 27
- Visa Support – page 29

As well as Student Services, King’s Gate, there are other services situated on Campus.
- Academic Support – page 19
- Library Services
- Maths Aid
- Writing Development Centre
- Language Resource Centre
- English Language Support
- Chaplaincy – page 29

Academic Support

Library Services

The University Library Service provides access to a wide range of resources, services and study spaces as well as professional expertise to help you to be successful in your studies and research. The Philip Robinson Library is open 24 hours a day during term-time and the Marjorie Robinson Library Rooms, Walton and Law libraries are open until late. The libraries offer over 0.8 million books, subscribe to over 42,000 journals and provide access to more than 1.8 million ebooks. Library Search (libsearch.ncl.ac.uk) can be used to locate books, journal articles and a lot more information.
using a single search. Online subject guides have been published to bring together all the key resources for your subject together with a variety of guides on topics such as referencing. These are available at: http://www.ncl.ac.uk/library/subject-support.

Library Staff are available at information points and service desks to help you to find the information you need. They also offer workshops and one to one consultancies to help you improve your information skills. Alternatively you can use our online Library Help service 24/7 (http://libhelp.ncl.ac.uk/) to access support no matter where you are.

Our libraries have a range of study and research spaces including group and individual study rooms. They collectively house over 820 computers. Wifi is also available so you can use your own devices. The Philip Robinson Library also houses the Special Collections (www.ncl.ac.uk/library/specialcollections) which are made up of rare and historic books, manuscripts, maps and illustrations.

If you have any questions or need any help ask a member of Library staff – we are here to support you through your course. For further information on Library services see www.ncl.ac.uk/library

**Maths Aid**

Maths Aid is a service providing assistance with mathematics, statistics and SPSS problems to undergraduate and taught postgraduate students who do not study within the School of Mathematics, Statistics and Physics. We offer bookable appointments on Monday and Tuesday mornings and run a drop in service 12.45-4.00pm Monday-Thursday. For more information or to book an appointment please visit www.ncl.ac.uk/ask/numeracy-maths-statistics/

**Language Resource Centre**

Located in the beautiful Old Library Building, the award-winning Language Resource Centre offers a wide selection of self-study language learning materials in over 130 languages. Members have full access to language learning resources such as course books, audio-visual materials and interactive language learning software.

The Language Resource Centre also offers free language taster sessions & conversation groups each semester to help you further your speaking skills and confidence. Additional language support and guidance is also available with one-to-one language advisory sessions and weekly University Wide Language Programme language surgeries available in 10 different languages.
Newcastle University members can also access IPTV, our world TV & film video streaming service with over 8,000 titles available online, as well as our free language-learning app, uTalk. This fun, interactive language-learning app has activities in over 130 languages to help you learn languages on the go.

Full IT access is available in the centre with PCs, tablets, printers and photocopiers. Students can also book private Talkshop spaces for independent or group study.

Language Resource Centre membership is free to all Newcastle University students and staff members.

To register online or to find out more about what we do, please visit the Language Resource Centre website: www.ncl.ac.uk/language-resource-centre/

Writing Development Centre
Location: Level 2, Robinson Library
Website: https://www.ncl.ac.uk/library/subject-support/wdc/
E-mail: wdc@newcastle.ac.uk
Twitter: @NCL_WDC

The Writing Development Centre’s role is to help you become a confident and successful independent learner.

Our team of tutors offers advice and guidance in academic skills including:

- Understanding assignment questions and marking criteria
- Critical thinking, critiquing and reviewing literature
- Planning and structuring writing (incl. paragraphing)
- Academic writing style (incl. fundamentals of grammar)
- Avoiding plagiarism
- Managing time, work and writing (incl. writers block and procrastination)
- Exams and Revision (excluding takehome exam papers, except in general terms)
- Presentations and posters.

We work closely with colleagues in other services such as the Library, Student Health and Wellbeing and INTO who can also help you to develop your academic skills.

Our approach is developmental – we don’t ‘check’, proofread or correct work for you, but we do help you identify and develop effective strategies which will suit your subject and your own study preferences, and help upgrade your academic performance. We work with students at all levels from Undergraduate to Postgraduate and across all subjects.

We can only offer advice on work submitted for assessment as part of a degree programme at Newcastle
University. We offer **one to one tutorials** based in the Writing Development Centre which focus in depth on a specific issue you want to work on. Tutorials with us are centred around your individual academic development and are non-judgmental, supportive and strictly confidential.

Appointments should be made online via our website. We also run a range of other activities throughout the academic year on core academic skills topics, and are invited by Schools and Faculties to run subject-specific sessions as part of degree courses. We also maintain a range of **online resources** on academic skills and writing.

To make an appointment, book a workshop or find out about our opening hours, please see our website [https://www.ncl.ac.uk/library/subject-support/wdc/](https://www.ncl.ac.uk/library/subject-support/wdc/)

**Academic Skills Kit (ASK)**

The Academic Skills Kit is an online resource which brings together the range of academic skills development provision across Newcastle University into a one-stop website to help you study to the best of your potential. The site offers information on the various services which provide academic skills development from information literacy, revision strategies and academic writing to time management and maths and statistics as well as specialist support, for example, for international students or those with Specific Learning Difficulties.

It also hosts a range of self-access online resources with advice and tips on various aspects of study. To find out more please see our website [www.ncl.ac.uk/ask](http://www.ncl.ac.uk/ask)

**English Language Support**

On arrival at Newcastle University, non-native speakers of English are required to take the University English Language Assessment (UELA). The purpose of this assessment is to advise new students on whether they would benefit from attending In-Sessional English Support classes. These classes aim to help non-native speakers of English to express their subject knowledge accurately and clearly, therefore helping them to achieve their potential on their chosen Degree Programme. Each week, up to 12.5 hours of free support is available. This consists of Writing Workshops, Listening & Speaking Lessons, Interactive Lectures and one-to-one Writing Tutorials. Further information is available at [www.ncl.ac.uk/students/insessional](http://www.ncl.ac.uk/students/insessional). Alternatively the In-Sessional team can be contacted at insessional@ncl.ac.uk for any specific questions.
Accommodation

Your accommodation is more than just a comfortable bed; we are here to make sure you have a fantastic experience living with us, which complements and supports your studies.

We will support you from the point of making your application through to moving out, and look after you during your first year at the University.

Here are just some of the ways we do this:

- Your residence life – we dedicate a whole team to helping you make the most out of your accommodation. This includes exciting events and competitions, community initiatives, opportunities to learn how to live independently, and support for your wellbeing;
- Building a community – whilst you will make friends in no time, we work hard to build a strong community within your accommodation to make you feel at home in no time. This includes dedicated site staff who are here for you whether you need a repair or have a parcel to pick up.
- Practical advice and flexible options – we run a regular drop-in in King’s Gate, where you can chat to us about things such as room moves or financial support, including setting up rent payment options to suit your circumstances;
- Safety and security – our residences are monitored by the Security Service for your peace of mind, and can be contacted through an emergency number, a phone outside of your reception or the Safezone app.

To find out more about who we are and what we do, visit www.ncl.ac.uk/accommodation.

Careers and Work

Newcastle University’s award-winning Careers Service can help you make the most of your unique skills and experiences. Whether you plan on embarking on a graduate career, going on to further research or starting your own business, we offer a range of support to help you realise your potential while you are studying and for up to three years after you graduate.

Advice

Our Information Officers and Careers Advisers are here to offer one-to-one advice, guidance and the information you need to explore your existing plans or generate new ideas. No appointment is required.
Information

There’s lots of information and useful resources on our website and in the Careers Service which will give you an idea of the opportunities out there. Our team of advisers can help you make the most of this information.

Developing potential business ideas

If you have a business idea and want to take it further, then visit the Careers Service for a chat with one of our business start-up advisers. You can also make use of the START UP Space – our creative thinking space where you’ll find other students and graduates working on their business ideas. Lots of activities take place across both semesters to help you develop a business idea and take it to the next level, including start-up workshops and monthly networking events. We can help you to connect with influential business advisers and investors across the Region and take your business idea to the next level. [www.ncl.ac.uk/careers/startup](http://www.ncl.ac.uk/careers/startup)

Skills and experience to add to your degree

Develop your skills and gain practical experience by taking part in extracurricular activities or undertaking work experience. Look out for the ncl+ logo around campus – it highlights a range of activities that will all add to your degree. You can gain recognition for your extracurricular activities through the Pride of Newcastle University Awards or by taking part in the ncl+ Award. [https://www.ncl.ac.uk/careers/awards/](http://www.ncl.ac.uk/careers/awards/)

You’ll find paid work experience opportunities and internships on our website and staff can help you find more specific roles. [https://www.ncl.ac.uk/careers/workexperience/](http://www.ncl.ac.uk/careers/workexperience/)

Graduate with the skills employers are looking for

The Career Development Module gives you the opportunity to gain credit towards your degree by completing one of our work-related modules - you can help out in a local school, the community or the University, or use your part-time job to build up a bank of skills that employers are looking for.

We also offer Exploring Enterprise, Entrepreneurship and Employability, a module which will enhance your employability by developing your personal enterprise and entrepreneurial skills, through working creatively on solutions to real life challenges. [https://www.ncl.ac.uk/careers/modules/](http://www.ncl.ac.uk/careers/modules/)

Meeting employers

Networking with employers may sound scary, but it can give you a head start when it comes to landing a job or developing your business idea.
You can talk directly to employers at events we organise, which range from large-scale recruitment fairs to smaller workshops and sector specific insights. Networking events run throughout the year. For dates, times and details see our website: www.ncl.ac.uk/careers/events

**Part-time and temporary jobs**

We advertise part-time, temporary and vacation jobs that can fit around your studies. As well as earning some extra cash, you’ll also gain a valuable addition to your CV. For more information, visit our website and register with our online jobs database which can be accessed at My Career. We also run JobsOC, an on-campus recruitment agency offering casual jobs across the University. https://mycareer.ncl.ac.uk/home.html

**Graduate vacancies**

Regional, national and international based employers regularly host presentations and attend recruitment fairs on campus. This is your chance to meet them face-to-face and find out more about their placement opportunities and graduate jobs.

Check our website for the latest events and graduate vacancies https://mycareer.ncl.ac.uk/home.html

**Making applications**

We run workshops throughout the year which cover all aspects of applying for jobs, from writing your CV to participating in assessment centres.

You can also get personal advice and feedback on your CV, job and further study application forms, covering letters, interviews and business-related applications, on any weekday without an appointment.

**Financial Help**

The Student Financial Support Team is part of the Student Health and Wellbeing Service and administers various funding schemes to assist students as well as providing information, advice and guidance about student finance related matters. More information is available at: www.ncl.ac.uk/students/wellbeing/finance

**Student Finance Advisers**

Advice, information and guidance are available about a range of student finance related issues such as budgeting and the financial implications of withdrawing, suspending or transferring from your course. More information is available at: www.ncl.ac.uk/students/wellbeing/finance/advice
The advisers offer one-to-one appointments: [link](http://www.ncl.ac.uk/students/wellbeing/finance/appointments) as well as running weekly drop-in sessions: [link](http://www.ncl.ac.uk/students/wellbeing/finance/dropin)

**Financial Difficulties**

Discretionary funding is made available by the University to assist registered students who experience unexpected financial difficulties.

UK Students - Student Financial Support Fund [link](http://www.ncl.ac.uk/students/wellbeing/finance/hardship/studentfinancialsupportfund/overview)

Non-UK EU and International students - Financial Assistance Fund [link](http://www.ncl.ac.uk/students/wellbeing/finance/hardship/financialassistancefund/overview)

Short-term, interest free, emergency loans are also available on a discretionary basis to assist students experiencing delays in their funding or suffering immediate financial crises. Usually only a small sum will be loaned to cover very basic costs. More information is available at: [link](http://www.ncl.ac.uk/students/wellbeing/finance/hardship/emergencyloan)

**Student Health and Wellbeing Service**

Starting university for the first time, moving to a different city or country and meeting new people can be a daunting prospect, no matter what type of student you are. The Student Health and Wellbeing Service is here to provide information, advice, guidance and support for a wide range of student issues. This support has been designed to enable you to maximise your potential and have the best experience you can whilst at University. This service is without charge and available to all students. Further information is available at: [link](http://www.ncl.ac.uk/students/wellbeing)

**Counselling**

The Newcastle University Counselling Team provide counselling for students who may be struggling with life concerns which cause unmanageable emotional or psychological distress. Students are linked to the correct internal or external support system via an assessment process. Internal support can take the form of online self-help, psychoeducational groups or one to one counselling, either face to face or over the telephone. Students whose needs cannot be best met by the counselling team are linked to the most appropriate external services. This may be their GP, local or national NHS mental health services or specialist third-sector agencies.
You can request an assessment appointment by phoning 0191 208 3333, by completing an enquiry form at my.ncl.ac.uk/students/contact or coming in person to the Student Services helpdesk on Level 2 of King’s Gate.

If you have a long-term mental health condition, supported by medical evidence, you may also have access to reasonable adjustments and support to help you engage in your studies, see Disability Support below.

Disability Support

If you have a disability or a long-term medical or mental health condition we would encourage you to contact the Student Health and Wellbeing Service as soon as possible to discuss your support requirements. You can do this by completing our online enquiry form http://ncl.ac.uk/enquiries/. It is very helpful to let the appropriate staff know of any circumstances which may impact on your studies and life at University.

Specific Learning Difficulties

If you have a specific learning difficulty, such as dyslexia or dyspraxia, an Autism Spectrum Disorder/ Asperger’s Syndrome or AD(H)D, you should contact the Specialist Learning Team as soon as possible and provide us with a copy of your documentation which contains information about your diagnosis. If you do not have a current report we can help you to arrange an assessment once you are fully registered.

We can also discuss any support that you may require e.g. additional time in examinations, study skills and mentoring support.

Disabled Students’ Allowances (DSA)

Funding is available from the Disabled Students’ Allowances for UK disabled students who, because of their disability, incur extra costs. You can apply for Disabled Students’ Allowances through Student Finance England (or the equivalent body if you live in Scotland, Wales or Northern Ireland).

Advice on Disabled Students’ Allowances is available from our Student Wellbeing Advisers. Further details are available at: www.gov.uk/disabled-students-allowances-dsas

The Hardware Loans Scheme

The Hardware Loans Scheme aims to provide assistive equipment to staff and students with a disability or health condition. Equipment includes high visibility screens, large key keyboards, portable hearing loops, and back supports. Some equipment is restricted
and you may require a referral from a Disability Adviser.

Further information is available at: https://www.ncl.ac.uk/itservice/hardware-loans/

**Visa Support**

The Visa Support Team offers free and impartial information and advice for students from outside the EEA on a range of immigration enquiries. The team provides assistance with Tier 4, PBS dependent visa renewals, issues relating to student visa categories, Schengen visas, police registration and work during and after your studies.

New students can meet the Visa Support Team at the special immigration induction sessions during International Welcome Week and throughout September. Students with visa questions throughout the year or those who need to apply to extend their Tier 4 visa are welcome to contact the Visa Support Team on ncl.ac.uk/visa.

**Faith, Encouragement and Spirituality Team (FEaST)**

The Faith, Encouragement and Spirituality Team (FEaST) is part of the wider Student Health and Wellbeing Service and is formed of Chaplains and local Faith Advisers who represent their various faith communities and traditions. Chaplains and Faith Advisers are committed to supporting tolerance, diversity and respect, welcoming people of all faiths and those with no religious faith. They offer confidential support to all students and staff, aiming to help them discover appropriate spiritual responses to life concerns, as well as aiding their personal growth while at Newcastle. They seek to foster individual care, good relations, commitment and worship.

Your university years can be a period of great change in your life. Faith and spirituality may form an important part of these changes. Whether you are looking to explore your understanding of spirituality, or to deepen your commitment to your particular faith, or to use the wisdom of religion to help you grow as a person, the Chaplains and Faith Advisers are happy and able to help you.

Sport and Physical Wellbeing

Newcastle is a top 10 university for sport*. The Sports Centre and the Athletic Union (AU) provide excellent facilities and an extensive programme of competitive and recreational sporting activities for students of all abilities, whether you wish to take up a sport for the first time or are participating for fun, fitness or serious competition.

Sports Clubs

All students at the University are eligible to become members of the Athletic Union and are able to join any of its 65 student run sports clubs. These range from traditional sports such as hockey, rugby and football, to more adventurous activities such as mountain biking, parachuting and sub-aqua. If we do not have a sport for you, you have the opportunity to set up your own sports club.

www.nusu.co.uk/getinvolved/sports

Performance Sport and Sports Scholarships

University representative teams compete in the British Universities & Colleges Sport (BUCS) programme where we excel in basketball, fencing, football, golf, lacrosse, netball, racquet sports, rowing, rugby union, volleyball and water polo. Several of our student clubs also compete in regional and local leagues.

For high performing athletes we offer a significant number of sports scholarships and a range of professional support aimed at ensuring that our athletes fulfil both their academic and sporting potential.

www.ncl.ac.uk/nclsport/performance/
www.ncl.ac.uk/nclsport/performance/scholarships/index.htm

Health & Fitness and Recreational Activities

Want to keep fit, have fun and try new sports? We run over 1,500 exercise classes / year with highly qualified tutors who provide a range of classes. These include; high energy classes to improve fitness; mind and body classes to reduce stress and Dance classes to improve co-ordination and flexibility. The ‘Give it a Go’ programme, run by NUSU, is a no experience required sports taster programme of up to 20 sports / term where no previous experience and no commitment are required to take part.

Inclusive Newcastle provides a wide range of sporting services to remove the barriers you may face to participate in sport and physical activity. If you need a bit of extra support, assistance or...
reassurance to get involved come and talk to us at the Students Union we will listen and work to get you involved. www.nusu.co.uk/getinvolved/sports/inclusive

Participation Sport

If you want to play sport in a fun but competitive environment, there are lots of opportunities at Newcastle to join a team and play in regular fixtures with your friends. Intra Mural Sport welcomes over 3,200 students of all sporting abilities to take part in a programme of league, cup and tournament fixtures in a range of sports including; Basketball, football (11, 7 and 5 a-side), futsal, mixed hockey, netball and rugby union (15, 10 and 7 a-side). www.ncl.ac.uk/nclsport/campus/intra-mural

Sports Facilities

Our indoor sports facilities are undergoing an extensive redevelopment. From autumn 2019 our sports centre extension will provide an eight court sports hall with viewing balcony, four glassed backed squash courts and two studios whilst the existing part of the sports centre will be redeveloped to provide enhanced gym facilities*, an additional strength and conditioning studio and studio spaces for Spring 2020. During this time a ‘pop up’ gym will be located in the sports hall. These facilities are open from 7am to 10pm** on weekdays so you’ll have plenty of time to make the most of these facilities. www.ncl.ac.uk/nclsport/campus/intramural

Outdoor sports facilities are located a short distance from the main campus with 25 grass pitches for football, rugby, lacrosse and cricket and two floodlit, artificial turf pitches. Cochrane Park, has been developed to provide three floodlit artificial 3G pitches, a rowing ergo area and seminar and physiotherapy / rehab space whilst Longbenton provides facilities for indoor rifle shooting and archery.

The Water Sports Centre, based at Newburn, hosts our Boat and Canoe Clubs with the river Tyne providing the ideal training resource for these sports. Track and field facilities are available at Gateshead International Stadium while ice hockey takes place at Whitley Bay Ice Rink. Swimming and other water sports, such as canoe polo, water polo and sub-aqua take place in pools throughout the city. Other outdoor activities, such as sailing, walking, mountaineering and climbing are all well catered for in the nearby countryside.

Newcastle University IT Services
From connecting to WiFi and finding a PC to accessing course resources, NUIT looks after the University IT services which support your learning, teaching and research. Visit www.ncl.ac.uk/itservice

Get Started with IT
Every student receives a username and password to access University IT services and WiFi. These are usually sent to you via email.

You also have a Newcastle University email account for all official University emails. You can log in at office365.ncl.ac.uk. To set up email on your mobile, laptop or tablet visit go.ncl.ac.uk/itservice/email

Your ‘Documents’ folder (H: drive) is a secure place to save your work; it’s accessible from any University PC. You can also create, save and collaborate on files via your Microsoft OneDrive, which is accessible from any device, anywhere. For further details visit go.ncl.ac.uk/itservice/filestore

Some University software is accessible off campus through your web browser at ras.ncl.ac.uk

Using Your Own Computer
WiFi is widely available across campus and University-owned Halls. Select the newcastle-university network and enter your username and password to connect. See go.ncl.ac.uk/itservice/connect

We run a free mobile and laptop connection clinic, which also offers general IT advice. Call in and see us at the Old Library cluster, Monday to Friday, 09:00 - 16:00.

Computer Cluster Rooms
There are computer cluster rooms across campus with over 3000 PCs, some rooms are open 24/7. All cluster PCs feature a wide range of software/specialist software, like CAD programs. See go.ncl.ac.uk/itservice/clusters

Printing and Photocopying
All cluster rooms have black and white A4 printers; larger rooms also have colour and A3 printers. Photocopying is available in the University Libraries. You can print to cluster room printers straight from your laptop, tablet or mobile at nuprint.ncl.ac.uk

All students receive a free allocation of print and copy credit at the start of each
academic year. You can buy more credit online at printing.ncl.ac.uk or from the Philip Robinson Library.

University Mobile Apps
Download the free ‘Newcastle University’ app from your app store. Features include find a PC, news and events, and access to your timetable, library and print accounts. You’ll also find links to other useful apps to support your University life. Like Microsoft Teams, where you can chat, meet online and share files.

IT Support
You can log and track requests for IT support online at nuservice.ncl.ac.uk or call the IT Service Desk on 0191 208 5999. Visit us in-person at the Old Library and Philip Robinson Library. For information and opening hours see www.ncl.ac.uk/itservice/support

It’s important to be aware of the policy on ‘Use of IT Facilities’. Learn more at www.ncl.ac.uk/itservice/rules

Students’ Union
Newcastle University Students’ Union (or NUSU to our students) is the Students’ Union for all students at Newcastle University. Here at NUSU, we’re the social, welfare and overall general fun side of your University experience. With a range of services and opportunities, we’re here to make sure your student experience is the best it can possibly be. We have so many ways for you to get involved here at NUSU. With a huge range of sports clubs and societies, one off adventures and cultural activities and Campus Sports programmes, there’s so many ways for you to meet likeminded people. NUSU also offers opportunities to get involved with course and school representation as well as being the home to your student newspaper, The Courier, and your TV and radio Station.

NUSU is also the home of your Students’ Union bar, Luther’s, and Venue where we host a wide variety of Gigs and events. A huge host of workshops and volunteering opportunities are ran out of NUSU which enable you to develop the practical skills employers are looking for.

So basically, to sum it up, NUSU is your go to for fun, support, representation and improving your employability. To see all the great stuff going on head to www.nusu.co.uk

Student Representation
Led by your seven Full-time Officers supported by ten Liberation Officers and Chairs NUSU aims to represent you on every part of your student experience. All Newcastle University students can run to be elected for one of the Officer
positions every year and allows us to make changes at a higher level and fully represent our students. Here at NUSU we also train and support all your course and school reps who then go on to represent you and ensure your studies here at Newcastle University are fully supported. Our systems and representatives are here to represent your academic interests ensuring your feedback and ideas are taken into account.

In the past, we have secured free bus travel for students at St Mary’s Halls; saved students over £7000 on food on campus; secured the implementation of free sanitary products across campus and longer building opening times. For more of our ‘big wins’ see https://www.nusu.co.uk/yourvoice/reps/academic/bigwins/

You can see a list of your current representatives and access more information at www.nusu.co.uk/representation

Student Opportunities and Experiences

Here at NUSU we encourage our students to get involved in as many activities and opportunities as possible. We aim to have a positive impact on your student experience at Newcastle University be that through our events, campaigns, fundraising or employment opportunities. There really is something for everyone here at NUSU.

There are so many ways to get involved including: our Athletic Union (AU) which offers a whole range of sporting opportunities and supports over 65 different sports clubs; over 200 different societies from Baking to Comedy; Volunteering in the community and charitable projects, The Courier Newspaper, Newcastle Student Radio (NSR) and Newcastle University TV (NUTV) which offer opportunities to develop skills in media and writing. We even have bursaries available to some eligible students to help you get involved with our clubs and societies. For those of you who aren’t quite ready to commit to a club or society, NUSU’s Give it a Go and Campus Sport teams run numerous one-off events, activities, experiences and sporting tournaments. And all at little to no cost.

Still wanting more? By volunteering with NUSU you can help us run epic events like Freshers’ Week, become hall and course reps and sit on your Students’ Union Council. Through the work of our student volunteers NUSU ensures your student experience is the best it can be. To find out more about how you can get involved with NUSU head to www.nusu.co.uk or pop in to speak to one of our Sabbatical Officers.
So how do you become a member of Newcastle University Students’ Union? Great news, you already are. Upon your enrolment at Newcastle University you become a member and automatically get access to all the great stuff we have going on here. Membership of Newcastle University’s Students’ Union (NUSU) is free. Under the terms of the Education Act 1994 you have the right to opt out of membership of the Students’ Union if you so wish. Students who wish to opt out should notify the Admin Office at NUSU in writing.

Non-members of the Students’ Union retain the right to make use of all of the Union’s facilities and services but are not permitted to vote in elections or at student meetings or to stand for election as a Student Union Officer; they may not become office-bearers in student societies or Athletic Union clubs. Please see the Students’ Union Code of Practice for further details www.ncl.ac.uk/students/progress/assets/documents/USCodeofPractice.pdf

and the Code of Practice issued by the University relating to freedom of speech https://www.ncl.ac.uk/media/wwwnclacuk/conferences/files/code-of-practice-for-freedom-of-speech.pdf

**Student Advice Centre (SAC)**

At some point during your studies, you may need or want to seek independent advice or assistance. The Student Advice Centre is a free, confidential, impartial and professional service of the Students’ Union. Our team can offer specialist advice, representation and assistance on a range of issues, including finance, housing, academic, consumer and personal matters. The SAC also work with other specialist services, such as the Police for safety advice and drop in sessions and a free massage clinic.

The SAC is independent to the University and strictly confidential and you can contact us at [https://www.nusu.co.uk/support/sac/](https://www.nusu.co.uk/support/sac/)

Nightline is a confidential, nonjudgmental telephone service for students who need some information, advice or just a chat. It runs from 8.00pm to 8.00am on 0191 261 2905. The number is printed on back of each student Smartcard.
Your Health, Safety and Security

Security related incidents involving University students are extremely infrequent and even those might sometimes be avoided through exercise of greater care and personal vigilance.

Steps are outlined on the University Security web page: https://www.ncl.ac.uk/estates/services/security/

It is important as a student that all crime related incidents occurring on campus are reported to University Security Staff who are on duty 24/7. Only in this way can we respond and maintain your personal safety and the security of personal property. Security staff can be contacted on +44(0)191 208 6666 for emergencies or + 44 (0)191 208 6817 for none emergencies or email security.control@ncl.ac.uk. The security control room is located on the ground floor of the Barras Building on Main Campus.

University Liaison Police Officer

We are fortunate to have a dedicated Northumbria Police Officer who is based on Campus during most business hours and is here to look after the welfare & safety of Students, Staff and the Campus infrastructure. PC 8964 Mick Miller is there to help you with all manner of issues and problems. He has two drop in sessions each week during term time, on a Tuesday in the Student Advice Centre in the Student’s Union Building and on a Thursday at Student Services in King’s Gate. Both sessions are 12 – 2pm; come along and say hello. Mick can also be contacted by email: 8964@northumbria.pnn.police.uk or by phone 07736464096. Northumbria Police can also be contacted on 101 for non-emergency matters and 999 if it is an emergency.

SafeZone

The university encourages students and staff to use the Safezone App which can be downloaded to most Smart phones and IPhones from their respective app stores. The app is free of charge and allows immediate contact with the security team in times of emergency of when they just require help e.g. first aid. www.safezoneapp.com for information or call in at security.

Medical and Emergency Information

Be aware of your own health and safety and the wellbeing of your friends and fellow students. Getting medical help early can save a life - please ‘look out for your friend’.
Remember the following emergency numbers and put them into your mobile phone:

- Universal Emergency Number for Fire, Police and Ambulance – 999 (can be dialled free from a call box or mobile)
- University Security Team – + 44 (0) 191 208 6817
- Northumbria Police – 101 (for non-emergencies or general information)

It is essential that you register with a local NHS doctor. During the Arrival, Welcome and Registration period you can do this at our ‘University Health Fayre’ event in The Boilerhouse building. Alternatively, there are many NHS doctor practices in Newcastle and further information is available from the NHS at: www.nhs.uk/Service-Search

**NHS Walk-In Centres**

Walk-in centres in Newcastle offer non-appointment access to treatment of minor illnesses, injuries and ailments. The service sees residents of Newcastle and North Tyneside and also patients who are not registered with a GP, or who are in the area temporarily. There are a number of walk-in centres across the region and details of local walk-in centres is available at: www.newcastle-hospitals.org.uk/services/accident-emergency.aspx

**Accident and Emergency Departments**

Accident and emergency departments are for urgent life-threatening illnesses. The closest Accident and Emergency Department to the University can be found in the Royal Victoria Infirmary. Further information is available at www.newcastle-hospitals.org.uk/services/accidentemergency.aspx

There are also A&E departments in North Tyneside General Hospital and South Tyneside General Hospital and other hospitals in the region.

**NHS Dentist**

We advise you to register with a dental practice. There are many NHS dental practices in Newcastle and further information is available from the NHS at: www.nhs.uk/Service-Search

For dental emergencies, visit the Newcastle Dental Hospital on Richardson Road (behind the Royal Victoria Infirmary). The emergency clinic opens at 9am, Mondays to Fridays (except bank holidays). The main reception opens at 8am to receive patients; patients will be seen on a first come, first served basis. Contact the Dental Hospital by telephone: + 44 (0) 191 282 4664 or visit their website: www.newcastle-hospitals.org.uk/hospitals/dental-hospital.aspx
Immunisation

Please note that in accordance with recommendations by the Department of Health all new students are strongly advised to check their vaccination status before arrival at University, normally done through your doctor. Students should all be up-to-date with vaccination against tetanus, polio, diphtheria and especially meningitis ACWY (see below), as well as measles, mumps and rubella (MMR). Two doses of measles, mumps and rubella vaccine (MMR) provide the best protection against these diseases which are currently circulating in the UK.

Immunisation Against Meningitis (Meningococcal ACWY)

Public Health advice is that students of any age, going into higher education for the first time should seek immunisation against Meningococcal disease (meningitis) before starting University. This group is at a slightly higher risk than the rest of the population, possibly because of being away from home for the first time and because of the level of mixing and contact taking place.

You are advised to contact your doctor as soon as possible to arrange to be vaccinated, bearing in mind that it takes two weeks for the vaccine to become effective. This includes home and international students and also any members of their families up to the age of 25 who will be accompanying them if they have not previously received the vaccine. Any international student whose doctor refuses to vaccinate on the grounds that meningitis is not a problem in their country should stress that meningitis does occur in England and that vaccination is very important.

If it is not possible before you arrive, it is recommended that you seek immunisation as soon as you start the new term.

Smoke-free Campus

Newcastle University operates a no smoking policy which covers all buildings and open spaces on campus.

Alcohol

An active social life is an important part of the student experience and for many this may involve drinking alcohol. Newcastle University encourages all students to think carefully about alcohol consumption to ensure that you are not damaging your health or risking your personal safety.

For further details about the University’s policies on alcohol, together with the advice and support that is available to students in this area, please see: www.ncl.ac.uk/students/progress/Regulations/Procedures/disciplinary/alcoholawareness.htm
**Emergency Taxis**

The Newcastle University Students’ Union and Student Health and Wellbeing Service have collaborated to provide Newcastle University students with an emergency taxi service. If you are stranded with no money to get home but have your student card with you, you can use the service by calling 0191 298 5050 and quoting reference NEW02. You can pick up wallet sized reference cards from Student Services, Level 2, King’s Gate. Further information is available at: [www.ncl.ac.uk/students/wellbeing/about/EmergencyTaxiScheme.htm](http://www.ncl.ac.uk/students/wellbeing/about/EmergencyTaxiScheme.htm)

**Circumstances Affecting Your Studies (Taught Programmes)**

**Change of Circumstance**

As you progress with your studies, you may find that situations arise that require you to change your study arrangements on a temporary or permanent basis.

We would always encourage you to speak to your school, tutor or Degree Programme Director (DPD) in the first instance so all of your options can be discussed before a decision is made.

You can also seek support from the Student Health and Wellbeing Service and the Careers Service is able to offer impartial and confidential advice if you are considering transferring or leaving your course.

If you receive funding for your studies (for example from Student Loans Company), our Student Financial Support Team can offer advice on the financial impact of any changes. You should always investigate the financial implications of any change in your circumstances before making your final decision.

Students on a Tier 4 visa should seek advice from the Visa Support Team before making a decision as any change in circumstance will impact their immigration status in the UK.

Most students encounter few, if any, problems during their period of study at the University but sometimes things can go wrong. There are processes in place to help you – see the sections below. You are urged to seek advice as soon as a problem occurs. You should speak to your Personal Tutor in the first instance.

**Personal Extenuating Circumstances (PEC)**

The most important thing you can do is to tell your School/Institute about the problems you are having that affect your studies and/or assessments. You do this initially by talking to your Personal Tutor.
Tutor. The Personal and Extenuating Circumstances (PEC) form, which is available online via the S3P portal is a way informing your School/Institute about any significant and unavoidable problems you may be experiencing and requesting a number of different types of adjustments – such as extensions, exemptions, deferrals, Board of Examiners discretion.

The online PEC form with relevant evidence should be submitted to your School/Institute Office via the S3P portal as soon as possible so that the appropriate adjustment or referral to other services can be considered.

The PEC Procedure and submission guidance are available at https://www.ncl.ac.uk/students/progress/Regulations/Procedures/change/PEC.htm

Student Complaints & Resolution Procedure

The Student Charter sets out the standards of service you can expect to receive from the University. If you are dissatisfied with the service you receive from a member of staff or from a University School/Institute or Service, you should follow Level 1 of the Student Complaints & Resolution Procedure https://www.ncl.ac.uk/students/progress/Regulations/Procedures/complaints.htm to raise the issue locally for consideration.

You can view the full Student Charter at www.ncl.ac.uk/pre-arrival/regulations/#studentcharter or pick up a hardcopy from Student Services, King’s Gate. If you remain dissatisfied following a Level 1 investigation, you should proceed to Level 2 of the Student Complaints & Resolution Procedure by completing the formal complaint form (https://www.ncl.ac.uk/students/progress/Regulations/Procedures/complaints.htm) and submitting this with a detailed statement and any supporting evidence to casework@ncl.ac.uk. You should not use this procedure to complain about the behaviour of another student.

If you wish to complain about another student at the University, you should contact casework@ncl.ac.uk giving a full explanation as to the nature of your concern, together with supporting evidence. The allegation of misconduct will normally be investigated under the Student Disciplinary Procedures https://www.ncl.ac.uk/students/progress/Regulations/Procedures/disciplinary/

Academic Appeals & Queries Procedure

You can request a review of Board of Examiners decisions (degree classification, final module results, stage or other progression decisions etc), decisions about Personal
Extenuating Circumstances (PEC), Unsatisfactory Progress sanctions, Degree Programme Director’s Decisions via a DPD Request Form (requests for exemptions, interruption of studies, etc) and Attendance Monitoring termination of studies by using the Academic Appeals & Queries Procedure. The full procedure, academic appeal form and supplementary guidance for students is available at https://www.ncl.ac.uk/students/progress/Regulations/Procedures/appeals.htm. You should follow Level 1 of the procedure in the first instance by submitting your query to your School/Institute for response. If you believe you still have a case for appeal following this review, you should complete the academic appeals form and submit this with your statement and supporting evidence to casework@ncl.ac.uk.

Good Academic Conduct

At Newcastle University we value high standards of academic conduct from our staff and students. Conduct is an important part of maintaining and developing our reputation. Good academic conduct reflects the values which underpin academic life, such as honesty, integrity, a shared community of ideas and respect for others’ work.

Attendance

As part of your commitment to your studies you are (except for absence with good cause) expected to attend all elements of your programme of study, including lectures, seminars, tutorials, practicals, laboratory work, language classes, performances, fieldwork and examinations. Research shows that students who attend their classes tend to be more successful in their studies.

You may be withdrawn from your programme if you do not demonstrate satisfactory attendance and progress. It is therefore important that you keep your School/Institute informed of any absence. The University’s policy on attendance is available at: www.ncl.ac.uk/students/progress/Regulations/SPS/Attendance/.

It is particularly important that all international students attend their classes or notify their School/Institute of any absence. The University’s Attendance Monitoring Policy requires that all international students maintain an overall attendance of 80% to ensure they meet the requirements of their visa. The University must report to the Home Office any international students who do not meet the minimum attendance level.
If you are absent from classes this could lead to the termination of your visa. Schools/Institutes may keep class lists or registers or ask students to confirm their attendance in other ways. Please also refer to the Programme Handbook for the approach in your subject area, and make sure you understand the attendance policy in your School/Institute.

**Tier 4 students**

If you are an international student and currently hold a Tier 4 visa, you need to be aware that you must comply with certain requirements for immigration purposes. This includes the following:

- Ensure that your Tier 4 visa is valid for Newcastle University. Your visa should show the Newcastle sponsor licence number CKTK52NU0;
- Ensure that you register for your programme of study on time;
- Maintain your registration on a full-time programme at all times;
- Attend your programme in full, ensuring that you comply with the attendance requirement for your programme;
- Inform your school or supervisor by following the student’s notification of absence procedure if you are unable to attend your classes;
- Register with the police, if required; and
- Ensure that you do not exceed the permitted number of working hours per week during term-time, as specified on your visa (for Tier 4 students: 20 hours per week for students studying at degree level or above/10 hours per week for students studying below degree level). Students working on a thesis or dissertation remain under the 20 hour per week restriction.
- Tier 4 students must not be self-employed.

As a Tier 4 student, you must ensure that you seek visa advice from the Visa Support Team if you intend to change your programme of study. For further details, please visit: [ncl.ac.uk/visa](http://ncl.ac.uk/visa)

**Examinations**

Please note that it is YOUR responsibility to make yourself available for examinations at ALL times during ALL THREE examination periods. You must therefore take note of the examination dates and especially when making arrangements for vacation, employment and any overseas travel as the University cannot accept individual requests with regards to the timing of examinations.
All University examinations are held in Newcastle, although some international students may be able to arrange off campus resit examinations in British Council offices within their home country. Examination dates for this year are on the back of this booklet.

For further information about examinations including how to enter, timetables, venues and what to take, please visit: www.ncl.ac.uk/exams/

Examination Rules

In relation to University examinations, candidates are expected to follow the Exam Rules and Guidance. Candidates who fail to follow the rules will be subject to the University’s Assessment Irregularity Procedures which can result in the issuing of academic penalties.

To view the rules in full, please visit: www.ncl.ac.uk/exams/rules

In particular, you should note that:

- Mobile phones, mobile devices and smart watches must be fully switched off (not just set to ‘silent’ mode) and placed in the area for personal belongings. They are not permitted to be in your possession during an exam even if they are switched off.

The following also represent some (not all) of the actions that would represent a breach of the rules:

- Writing notes/formulae on the exam paper or exam stationery before the examination has been started
- Viewing the exam questions prior to the start of the exam
- Communicating with other candidates whilst in an exam venue
- Refusing to comply with the instructions of the invigilators
- Removing or introducing any exam stationery from/into an exam venue
- Being in possession of any materials/devices that are not specifically authorised for the exam

You are strongly advised to spend a few minutes reading the Exam Rules and Guidance prior to any examinations to help ensure that you are fully aware of what is expected and required of you in the exam venues.

Calculators

Please note that ONLY the following 3 models of calculator are permitted in examinations:

- Casio FX-83
- Casio FX-85
- Casio FX-115
No other model of calculator is permitted (e.g. Casio FX-82 or Casio FX-99 are not allowed). The calculator model must be able to be identified.

It is your responsibility to ensure that you have a permitted model of calculator (if required for examinations). These are readily available to purchase from many different outlets including the Student Union Shop on campus.

**Assessment Irregularities**

The University will assess your work and at the end of your studies award you a degree on the basis of your achievements. It is only fair to other students that this work is your own and properly acknowledges the work of others. Everyone’s marks and awards are threatened by poor academic conduct.

We will investigate any reported assessment irregularities under the Assessment Irregularities Procedure [https://www.ncl.ac.uk/students/progress/Regulations/Procedures/assessment.htm](https://www.ncl.ac.uk/students/progress/Regulations/Procedures/assessment.htm). The most common assessment irregularities are Plagiarism and Collusion, defined below together with other examples of academic misconduct.

Further information about Good Academic Conduct can be found on the Academic Skills Kit (ASK) webpages here: [https://internal.ncl.ac.uk/ask/](https://internal.ncl.ac.uk/ask/)

**Plagiarism**

Plagiarism is defined as the use of others’ work without correct acknowledgement. Good academic work is expected to draw on other sources but these must be acknowledged appropriately using the correct referencing conventions. This enables others to see where the ideas you use have come from, which actually lends added authority to your work. It also allows readers to follow up these sources directly. It involves being honest about what is your work and what is the work of others. Students who plagiarise are gaining an unfair advantage over their honest colleagues.

**Collusion**

Collusion is defined as the submission by two or more students of the same or similar pieces of work, which are presented as the individuals’ own solely authored work. Apart from formal group work, any work you submit is expected to be entirely your own. Submitting work that is not entirely your own is considered to be dishonest. It is also dishonest to help another student gain credit for work that is not their own. Copying without the author’s permission
is not deemed to be collusion, however, taking another student’s work without permission is theft and constitutes academic misconduct.

**Contract Cheating/Custom Essay Writing.**

Defined as procuring or attempting to procure assessed work created by another person which is then submitted as your own work. Students are expected to produce their own work and therefore any submission of work created by another person constitutes improper means. An attempt to purchase such work shall be treated as an attempt to use improper means and may be considered as dishonest and/or a breach of academic integrity.

**Proof Reading**

As the work you submit should be your own work, there are limits to the extent to which you should use a proof reader. A proof reader may point out typographical, spelling or grammatical errors but cannot correct them.

**Auto (Self) Plagiarism**

This applies when work (or similar) has already been submitted for an assessment at Newcastle or elsewhere.

This may be considered to be an attempt to gain double credit for the same piece of work and is unfair and dishonest. This should not apply to draft copies of research work; if you are unsure, please speak to a member of staff for clarity before submitting your work.

**Disciplinary Procedures**

The Student Disciplinary Procedures seeks to ensure that student disciplinary matters are dealt with fairly and promptly at the appropriate level by those with clear authority from the University. Students who are found to be involved in an act of misconduct will be sanctioned in accordance with University rules and regulations; this can include a mandatory fine, written warnings, suspensions and expulsions. The Student Disciplinary Procedures provide full information including examples of misconduct and associated fines.

https://www.ncl.ac.uk/students/progress/Regulations/Procedures/disciplinary/

**Living in the Community and Noise Complaints**

The University provides guidance to all students living in the local community including developing relationships with neighbours, being respectful to others and the environment.
While the majority of students are considerate towards their neighbours, the University does sometimes receive complaints from other residents and Police reports of witnessed noise. See the Noise Nuisance Protocol [https://www.ncl.ac.uk/students/progress/Regulations/Procedures/NNP.htm](https://www.ncl.ac.uk/students/progress/Regulations/Procedures/NNP.htm) which explains how this type of misconduct is dealt with under the Student Disciplinary Procedures [https://www.ncl.ac.uk/students/progress/Regulations/Procedures/disciplinary/](https://www.ncl.ac.uk/students/progress/Regulations/Procedures/disciplinary/)

**Voting in local or national elections**

If you wish to vote while you are a resident in Newcastle your details will be securely transferred to Newcastle City Council who will check your eligibility to vote, and if you are eligible, you will receive an invitation to register.

For further information please see [https://www.ncl.ac.uk/students/progress/student-resources/registration/Registeringtovote.htm](https://www.ncl.ac.uk/students/progress/student-resources/registration/Registeringtovote.htm)
At the End of Your Studies
Congregations

Your Congregation Ceremony is a chance to celebrate all of your hard work during your time at Newcastle University. The University holds two sets of ceremonies annually:

- July (Summer ceremonies)
- December (Winter ceremonies)

Students are contacted by email during the year in which they are likely to graduate to invite them to a ceremony and are asked to complete an online application form. There is no charge for students and up to two guests to attend a ceremony and a reception. Further information on the University’s Congregation Ceremonies is available on the Congregations website and gives you a good idea of what to expect as well as checklists for before the day and on the day. You can also watch our congregation ceremonies online. www.ncl.ac.uk/congregations

Electronic Documents

Newcastle University issues secure and verified official electronic documents to students. All documents are issued via the Digitary CORE portal, a secure and trusted provider of electronic documents.

Benefits of electronic documents:

- Securely share your verified qualifications directly with employers/other universities by the click of a few buttons
- Completely free of charge
- Lifelong, 24/7 immediate access to your documents from anywhere in the world
- View and manage your documents from one place
- Fully compatible with mobile devices
- Environmentally sustainable

Whether you are applying for jobs or seeking further study, many employers or universities will often need to verify your academic qualifications directly with the University. This can be a slow process due to the volume of requests and the need to seek student consent.

The provision of electronic documents significantly speeds up this process by enabling you to share your verified qualifications with third parties directly. You are in full control!

Documents provided:

- Degree certificate (parchment) – issued to all students (normally) during the month of graduation
- Higher Education Achievement Report (HEAR) – will be issued to UG/PGT students* (normally) during the month of graduation

An interim HEAR will be issued to UG students* following the end of each stage (i.e. July, or September for resit students).

*(Not available to MBBS/UG Dentistry students – bespoke transcripts are available from the Faculty Office)

Further information and how to access

Please visit www.ncl.ac.uk/exams/results/documents for further information about this service and for details and guidance on how to access your documents.
