

V100 History: Suggested Reading List

HIS1027: European History

Davies, N., Europe: a History (Oxford University Press, 1996).

HIS1030: Evidence and Argument

This transition module requires no preparatory reading. Each tutor will focus on a different historiographical debate and you will build up your own individual reading list as you work through the module. Your tutor may provide some introductory reading on your particular topic when you meet him/her in induction week.

HIS1044: Aspects of British History

Kearney, H., The British Isles: A History of Four Nations, 2nd edition (Cambridge: Cambridge University Press, 2006).

Morgan, K. O., The Oxford History of Britain, updated edition (Oxford: Oxford University Press, 2010).
