Your Programme

• Timetabled sessions
  • Some shared sessions

• Social activities

• Leisure time

• Make the most of this fantastic opportunity!
Code & Conduct
Expected

• 100% attendance expected
• Leave enough time to arrive to class on time
• Listen whilst the lecturer is talking
• Use the rest room in the lesson breaks
• Do not use your mobile phone whilst in class
• Newcastle University is a non-smoking campus
• Due to Health and Safety and Insurance reasons, additional guests cannot stay in your accommodation
Attendance

• Please attend and engage with all scheduled sessions.

• SMART card scanners used to record attendance. Paper attendance lists used for sessions where scanners are not available.

• 5 things you need to know to successfully record your attendance:
  • Swipe your card EVERY TIME you enter a room which has a scanner – watch for the green light flashing!
  • Make sure you always carry your card
  • Attend your timetabled classes to avoid being marked as absent
  • Remember you only need to swipe ONCE if classes follow each other in the same room
  • Thirty minutes before your class and up to thirty minutes before the end is your time to scan

• Card readers scan the microchip in your SMART card so close contact with the reader is required, remove cards from wallets and purses and have them ready.
