COVERED WORK

I would like to deposit:

- an electronic copy in the Newcastle University e-Thesis Repository
- a print copy of my material in Newcastle University Library

(Please tick as appropriate)

Research referred to below as "Work" is covered by this agreement and when I deposit my Work, whether personally or through an assistant or other agent, I agree to the following:

NON-EXCLUSIVE RIGHTS

Rights granted to Newcastle University Library through this agreement are entirely non- exclusive. I am free to publish the Work in its present version or future versions elsewhere. I agree that Newcastle University Library may, without changing content, translate the Work to any medium or format for the purpose of future preservation and accessibility.

DEPOSIT IN NEWCASTLE UNIVERSITY LIBRARY/THESIS REPOSITORY

The standard period of restriction for consultation is **6 months***, following which both the print and electronic version will be made available. After this time, I understand that:

- the Library will make the electronic version deposited in the Newcastle University e-Thesis Repository accessible to a wide variety of people and institutions – including automated agents - via the Internet.
- An electronic copy of my thesis may also be included in the national British Library database of theses.
- the print version (where available) will be made accessible for consultation in the Library or a Library to which it has been issued on inter- library loan, though it will not be permitted to leave the Library in either case.

I understand that once the Work is deposited, metadata for the work will always remain visible, although the author retains the right to update the Work.

*[*If you require thesis restriction beyond the 6-months, you should contact your Graduate School (see contact details below) before the end of the 6-month restriction period and they will advise you on how to apply for an extended restriction].*

I AGREE AS FOLLOWS:

- i. That I am the author, or have the authority of the author, to make this agreement and to hereby give Newcastle University Library the right to make available the Work in the way described above.
- ii. That the electronic version of the Work is the same as the final, approved print version (where available), including all corrections.
- iii. That I have exercised reasonable care to ensure that the Work is original, and does not to the best of my knowledge break any UK law or infringe any third party's copyright or other Intellectual Property Right.
- iv. Newcastle University Library does not hold any obligation to take legal action on behalf of the Depositor, or other rights holders, in the event of breach of intellectual property rights, or any other right, in the material deposited.
