

Immigration solicitors

The immigration solicitors (lawyers) below are based in or around Newcastle. Immigration solicitors will charge a fee for their services.

This list is for information only and is **not an indication of recommendation**.

When choosing an immigration representative, you should ensure that they are regulated by the Office of Immigration Service Commissioner* (OISC) or by the Law Society**.

When choosing a solicitor, you may wish to get an indication of their fees and a free assessment of your circumstances before allowing him/her to proceed with your case. Always ask for an outline of the services you will receive for that fee.
