Prepare to progress to an undergraduate or postgraduate degree in Architecture at Newcastle University.

Architecture Programmes

International Foundation, International Year One and Graduate Diploma

Prepare to progress to an undergraduate or postgraduate degree in Architecture at Newcastle University.
**International Foundation**

- **Create a design portfolio showcasing your skills, personality and creativity as an architecture student**
- **Progress to Year 1 of a professionally accredited undergraduate Architecture degree**

**What will I study?**

- Architectural Communication (20 credits)
- Architecture, Culture and History (20 credits)
- English for Academic Purposes (40 credits)

You will need to earn 120 credits to successfully complete your pathway programme.

For detailed module descriptions, please visit: [www.intostudy.com/newcastle/FA](http://www.intostudy.com/newcastle/FA)

**Special features**

- Learn from a team of experienced architects with expertise in both practice and research.
- Develop your sketching and drawing skills in a creative and stimulating way by exploring the natural and built environment.
- Take inspiration from field trips, and study famous buildings in context. Regular destinations include Edinburgh, Manchester and Glasgow.

**Find the most up-to-date information here:** [www.intostudy.com/newcastle/FA](http://www.intostudy.com/newcastle/FA)

---

**International Year One**

- **Learn through an open design-studio culture, with an emphasis on the development of manual creativity and design skills**
- **Progress to Year 2 of a professionally accredited undergraduate Architecture degree**

**What will I study?**

- Architectural Communication (20 credits)
- Architectural Design 1 (20 credits)
- Architectural Design 2 (20 credits)

You will need to earn 120 credits to successfully complete your pathway programme.

For detailed module descriptions, please visit: [www.intostudy.com/newcastle/IYOA](http://www.intostudy.com/newcastle/IYOA)

**Special features**

- Benefit from practical learning as you're introduced to construction materials and technologies, research methods and computer-aided drawing in the INTO Centre Architecture Studio.
- Have the opportunity to demonstrate imaginative design responses to user needs within a natural and/or built context through practical projects.

**Find the most up-to-date information here:** [www.intostudy.com/newcastle/IYOA](http://www.intostudy.com/newcastle/IYOA)
Graduate Diploma

› Gain hands-on experience through practical-based learning in the INTO Centre Architecture Studio
› Progress to a range of postgraduate degrees that develop critical thinking around your own interests

What will I study?
Architecture 1 (20 credits)
Architecture 2 (20 credits)
Architecture, Culture and History (20 credits)
English for Academic Purposes (40 credits)
Professional Studies for Architecture (20 credits)

You will need to earn 120 credits to successfully complete your pathway programme. For detailed module descriptions, please visit: www.intostudy.com/newcastle/GDA

Special features
› Have the opportunity to transfer into architecture from related backgrounds.
› Attend degree shows, public lectures and research workshops at the School of Architecture, Planning and Landscape.
› Learn through lectures, seminars, group work and independent research that will introduce you to more complex architectural settings.
› Benefit from practical learning with projects that have elements of architectural design, urban planning and landscape architecture.

Prepare to progress to a degree at Newcastle University:

6th in the UK for Architecture*  
Top 20 in the UK for Town and Country Planning and Landscape**  
Top 250 universities worldwide†

* The Complete University Guide 2019
† QS World University Rankings 2019
** Times Higher Education World University Rankings by Subject 2018

“The classes were taught to a very high standard, with projects closely mirrored to Year 1 of the university programme. It was a smooth transition from INTO to Newcastle University, and the teaching prepared me for my second year.”

Sean, Singapore  
Completed International Year One and progressed to Architecture at Newcastle University

Key facts

Dates
Sep start (3 term): Mon 23 Sep 2019–Fri 12 Jun 2020
Jan start (3 term): Mon 06 Jan 2020–Fri 04 Sep 2020
Sep start (4 term): Mon 23 Sep 2019–Fri 04 Sep 2020

Programme length
3 terms or approximately 9 months
4 terms or approximately 12 months

Class hours
21-26 hours per week

Class size
16-18 students per class for English language teaching

Academic entry requirements
A pass in an undergraduate degree or a Diploma (3-5 years) with suitable grades. Design route programmes: a portfolio and curriculum vitae (CV) is required. Non-design route programmes: a statement outlining your academic achievements, research projects, and evidence of relevant skills and experience is required. Students intending to progress to Creative Arts Practice: Previous study in a relevant academic discipline is required, as well as an electronic portfolio of creative work. Applicants with non-standard qualifications and relevant work experience will be considered on an individual basis.

Portfolio guidelines:
You will be required to provide a portfolio as part of the application. This should document your experiences and the expertise you have gained in previous studies. It should demonstrate a range of core skills and a basic understanding of architecture.

For portfolio guidelines and assessment dates visit: www.intostudy.com/newcastle/GDA

English language entry requirements
3 term: IELTS 5.5 (with a minimum of 5.5 in all subscores) or equivalent
4 term: IELTS 5.0 (with a minimum of 5.0 in all subscores) or equivalent

If you do not meet the minimum English language requirements you should apply for our Academic English course.

Award and validating body
Graduate Diploma Certificate (FHEQ Level 6) from Newcastle University.

Tuition fees
4 term (Jun start): £24,250
4 term (Sep start): £24,400
3 term (Sep or Jan start): £19,500

Prices shown are for the current academic year 01 September 2019–31 August 2020 and are for indicative purposes only. All prices are subject to an increase of up to 4%.

* All students commencing courses on a published September start date must be 17 years old by 31 December of that calendar year. For all other start dates, students must be 17 years old on the published start date of the programme.
### Progress to 10+ degrees

**Key**

- FA: International Foundation in Architecture
- IYOA: International Year One in Architecture
- GDA: Graduate Diploma in Architecture

---

Please note: English level and academic progression requirements are correct to the best of our knowledge at the time of going to print. In some circumstances, requirements and degrees available may change throughout the year – please visit partnerportal.intoglobal.com for the most up-to-date information. Progression requirements, including English level and final grade, may be higher for degrees with a year in industry, year aboard/overseas placement, and with an integrated Master’s.
