About the University

As one of the consistently top-ranked universities in the UK, Newcastle has a reputation for academic excellence, world-leading research and graduate employability. Get your career off to the best start by studying here.

Global reputation
Over its 180-year history, Newcastle has established itself as an internationally recognised university with impressive accolades to its name, including ‘University of the Year’ (Educate North Awards 2018).

It’s also recognised for providing a wide range of degrees, with 25 subjects in the top 20 in the UK (The Times and The Sunday Times Good University Guide 2018). Choose from over 200 undergraduate and 300 postgraduate and research degrees in a wide variety of subjects: From Accounting, Architecture and Biomedical Sciences to Engineering, Pharmacy and Law. It's easy to find your perfect course.

Research power
As a research-intensive University, it will come as no surprise that Newcastle is rated 16th in the UK for ‘research power’ (Research Excellence Framework 2014). From pioneering medical and scientific breakthroughs, to investigating global issues in health, the environment and society, the University’s research helps to transform people’s lives around the world.

First-rate academics
Newcastle’s teaching is inspired by its internationally excellent research, meaning you’ll learn the latest theories and techniques from leading experts. As one of the most research-active universities in the UK, you’ll also have plenty of opportunities to carry out your own research with support from experienced researchers. It’s no wonder that Newcastle University is top 10 in Europe for teaching excellence (Times Higher Education Europe Teaching Rankings 2018).

International outlook
With campuses in Newcastle, London, Singapore and Malaysia, and a community of 28,000 students from more than 135 different countries, Newcastle is a global university. When you finish your studies, you’ll join an international network of 200,000 graduates in more than 200 countries, so you’ll never be far from a fellow Newcastle graduate!

Employability
With high-quality degrees, a focus on developing employability skills and a strong reputation with employers, Newcastle University will equip you with the skills needed to become a highly employable graduate. Many of the University’s degrees are accredited by, and developed with, professional organisations, preparing you for the world of work and further study.

You’ll also benefit from the University’s award-winning careers support and gain valuable experience and skills by taking part in the NCL+ initiative, which includes extracurricular activities and placements.

“We are committed to diversity and are proud of our international outlook, with a student community that includes students from throughout the UK and 200 countries worldwide.”

Facilities for you

At Newcastle University, you’ll find a modern learning environment with amazing social and recreational facilities, designed to provide you with a special university experience.

**Specialist facilities at Newcastle University**

- **Science** students can enjoy the recently refurbished Chemistry and Biomedical labs, while students of Engineering have access to specialist equipment that includes earthquake-resistant testing tables and boat-testing tanks.
- **Architecture** students can make use of the dedicated Architecture studios. The historic building boasts CAD facilities and is open 24/7.
- Students studying **Law** can practise arguing a case in the purpose-built Mooting Room.

**Investment in great facilities**

The University’s campus is built around you, and thanks to multimillion-pound investments, is always evolving to give you the best experience.

- Four libraries including the award-winning Philip Robinson Library, open 24/7, plus specialist law and medical libraries.
- IT facilities to support your studies include over 3,000 computers on campus, support staff and access to Blackboard, an online learning resource system.
- Newcastle has an excellent reputation for sport. Enjoy free Silver recreational membership of the Sports Centre, with access to all outdoor and indoor facilities excluding the Health and Fitness Suite. With a new £34m investment in sports facilities at the University, you’ll never be short of activities to do!
- Access a range of resources in over 150 languages in the popular Language Resource Centre.

Life on campus
With traditional buildings and modern architecture, Newcastle’s city centre campus is a beautiful place to study. Whether you need support at the INTO Centre or at your accommodation, we’re here to help you.

Your Study Centre
The modern INTO Study Centre is close to everything on campus from the Library to the Students’ Union, so you’ll be part of the University from day one. It’s been designed with you in mind, and it’s where most of your classes during your programme will take place.

To get you started, the Learning Resource Centre provides a comfortable study environment with computer facilities. You’ll also find plenty of areas to study and socialise throughout the Centre. Want a break between classes? Just head to the INTO Café or one of the other 15 cafés on campus for a coffee or a bite to eat. You’re also less than 5 minutes away from many cafés and shops in the city centre!

Support every step of the way
Need advice? The Centre offers 24-hour support from the moment you arrive. From visa and immigration support to airport pick-up and an orientation programme on your first week, you’ll have all the help you need to feel at home.

Our Student Experience team are also here to help you settle into life in Newcastle. Whether you’re opening a bank account, planning a trip or have an academic question, they’re here to help.

For students under 18 we offer extra support and there’s even a 24-hour telephone helpline if you need to speak to someone during out of office hours.

Find out more about how we support you: www.myin.to/StudentSupportNCL

200+ clubs and societies, from Debating to DJ’ing, and Politics to Surfing

Get involved
There’s more to campus life than just studying. You’ll take part in an orientation programme in your first week which will give you the chance to meet other students. Day trips, parties and excursions organised by the Student Experience team at the Centre will keep you busy for the rest of the year.

With its own building in the heart of the campus, the Students’ Union is the hub of social life. The Venue is the place to go for club nights and gigs, or there’s Luther’s, a trendy café bar hosting live music and quiz nights. NUSU Central provides a study space open 24/7, along with 80 computers and a café EAT@Central.

Distance from INTO Centre to…
campus facilities: 1 minute walk inside Centre to the INTO Café; 5 minute walk from campus to supermarkets, bank, coffee shop and restaurants
accommodation: 3 minute walk to Joseph Cowen Halls; 2 minute walk to Bernicia Halls
city centre: 15 minute walk to the Newcastle Central Train Station, 5 minute walk to Eldon Square shopping centre
airport: 25 minutes from Haymarket Metro to Newcastle International Airport

“INTO exposes students to university life at a very enjoyable pace. We were taught the skills required to succeed at university, and lecturers and teachers were always available for us to consult.”
Anru, China
Graduated with BEng Civil Engineering from Newcastle University

INTO Newcastle University 2019–2020
Discover Newcastle

Fun, friendly and affordable, Newcastle has a reputation as one of the UK’s favourite student cities. Come and discover the best places to eat, drink and relax!

INTO Centre and Newcastle University

Located in the middle of this compact city, you’ll never be far from the action. Shops, restaurants and bars are just moments away from where you’ll be studying. The Hatton Gallery and the Great North Museum are also near Campus – why not check out an exhibition between classes?

Shopping

There are over 600 shops in the city centre, including the UK’s largest city centre based shopping centre, Eldon Square, just a five-minute walk from the campus. You’ll also find independent boutiques in the High Bridge Quarter, and designer names around the Monument.

St James’ Park

The home of Premier League football club Newcastle United is not far from the campus. There are also many other places to watch live sport, including athletics at Gateshead International Stadium, and rugby team Newcastle Falcons at Kingston Park.

Quayside

Along the banks of the river, this bustling area is packed with cafés, bars, restaurants and a vibrant Sunday market.

Chinatown

Home to many Chinese restaurants and supermarkets, you’ll also find lots of international cuisine and fresh food markets in the city.

Sage Gateshead

See everything from classical to indie music by world-renowned artists here. If you enjoy going to gigs, our blog uncovers the five best music venues in Newcastle: www.myin.to/TopNewcastleMusicVenues

BALTIC

An impressive building showcasing contemporary art. You’ll have plenty of other opportunities to soak up world-class culture, with theatres, museums and art galleries across the city and on campus too.

“Newcastle is a great place to study – you’ll feel instantly at home here. I’m having so much fun getting to know the city.”

Kezia, Indonesia

Completed International Foundation and progressed to Combined Honours at Newcastle University

Your home from home

With a choice of accommodation options, including student residences on the University campus and homestay accommodation with approved hosts, it’s easy for you to find the perfect place to call home.

Homestay

This is a unique opportunity to experience British life and culture first hand. You will have a private room in a carefully selected host’s home, sharing mealtimes and living spaces.

Supporting you

In our residences you’ll find staff available 24/7 to offer support, and we’ll also provide you with a 24-hour helpline telephone number.

If you’re under 18, we offer extra support from on-site accommodation support staff or homestay hosts.

Accommodation

Live as part of a vibrant international student community in a modern, on-campus residence, or choose a homestay option to experience British life and culture first hand. There’s a range of options available to suit your needs and budget.

The self-catered student residences, Joseph Cowen Halls and Bernicia Halls, are perfectly situated in the centre of Newcastle on campus, right next to the INTO Centre.

There’s a sociable, community environment in the residences, with comfortable shared communal spaces to enjoy with friends. Here, you can relax and focus on your studies knowing you’re in a safe and secure environment.

English courses

Academic English

Intensive course offering progress of up to the equivalent of one IELTS band per term.

Blend of traditional face-to-face contact and online learning.

Course features

- Improve your reading, writing, speaking and listening skills, and learn to communicate effectively in English.
- Grow your vocabulary through discussions on current affairs and study real-world subjects to make your learning come alive.
- Develop the fluency and confidence you need to progress to further study.
- Gain the skills and knowledge needed for examination success.
- A blended learning approach offers you the best of traditional classroom teaching which is combined with online content which you’ll access both in and outside of class.

Pre-sessional English

A course designed to improve your English language skills to the level required by your chosen degree.

Learn how to give presentations on different areas of academic interest and enhance your vocabulary related to your degree.

Course features

- If you’re academically qualified, hold an offer from Newcastle University and need to improve your English language level, this short 6 or 10 week course is ideal for you.
- Intensive language and study skills taught by experienced teachers will prepare you for living and studying at Newcastle University.
- Develop your confidence and fluency outside the classroom through a range of less formal learning opportunities, including a diverse social programme.
- Improve your language skills pre-arrival with free access to INTO’s Get Ready for English programme.

Pre-sessional English

You can choose to study from the following entry requirements:

- 9 weeks: IELTS 5.0 overall (with a minimum of 5.0 in all sub-skills)
- 10 weeks: IELTS 5.5 overall (with a minimum of 5.0 in all sub-skills)
- 11 weeks: IELTS 6.0 overall (with a minimum of 5.5 in all sub-skills)
- 12 weeks: IELTS 6.5 overall (with a minimum of 5.5 in all sub-skills)
- 13 weeks: IELTS 7.0 overall (with a minimum of 6.5 in all sub-skills)

Graduate Diploma

You can choose to study from the following entry requirements:

- 4 term: IELTS 5.0 (with a minimum of 5.0 in all sub-skills) or equivalent
- 3 term: IELTS 5.5 (with a minimum of 5.5 in all sub-skills) or equivalent
- 2 term: IELTS 6.0 (with a minimum of 6.0 in all sub-skills) or equivalent
- 1 term: IELTS 6.5 (with a minimum of 6.5 in all sub-skills) or equivalent
- 0 term: IELTS 7.0 (with a minimum of 6.5 in all sub-skills) or equivalent

Music

You can choose to study from the following entry requirements:

- 5 term: IELTS 5.0 (with a minimum of 5.0 in all sub-skills) or equivalent
- 4 term: IELTS 5.5 (with a minimum of 5.5 in all sub-skills) or equivalent
- 3 term: IELTS 6.0 (with a minimum of 6.0 in all sub-skills) or equivalent
- 2 term: IELTS 6.5 (with a minimum of 6.5 in all sub-skills) or equivalent
- 1 term: IELTS 7.0 (with a minimum of 6.5 in all sub-skills) or equivalent

Graduate Diploma

Student progression results 2018-19:
- 77% Eligible to progress
- 97% Passed

Pre-sessional English

Student progression results 2018-19:
- 77% Eligible to progress
- 97% Passed

*150+ progression degree options*

### Progression degree overview table

There are more than 150 progression degree options at Newcastle University. You can progress to any of these from one of our INTO pathway programmes. Below is a selection of some of the most popular. See pages 13-16 for more details on the pathways.

For comprehensive information on our academic pathway programmes, all degree options and progression requirements, take a look at: [www.intostudy.com/newcastle/courses](http://www.intostudy.com/newcastle/courses)
**Dates and prices**

The cost of your programme may vary depending on factors including the pathway chosen and programme length. The following guide to costs is based on a typical 3-term programme to show the estimated cost of attendance. For specific cost information, please refer online: [www.intostudy.com/newcastle/courses](http://www.intostudy.com/newcastle/courses)
