ADDENDUM TO REMUNERATION COMMITTEE TERMS OF REFERENCE.

Remuneration Committee seeks to comply with the requirements of the Committee of University Chairs (CUC) Higher Education Senior Staff Remuneration Code. It also takes account of its obligations under the Office for Students (OFS) regulations to disclose details of all colleagues whose base salary exceeds £120k. A good governance framework is key to ensure compliance with external regulatory frameworks. With this in mind, this addendum summarizes the process to be followed when, following a recruitment campaign, there is a requirement to agree a salary offer in excess of £120k.

Step 1

In advance of all recruitment campaigns for new Professorial and IB level appointments, an assessment will be made as to where it is likely that there will be a requirement to offer a base salary level in excess of £120k.

This assessment will be informed by reference to both internal and external relativity information available from both the UCEA Senior Staff Survey and Korn Ferry Russell Group. All information gathered will be shared with the selection panel.

Step 2

Recruitment campaign undertaken for Professorial/IB level role and successful candidate's salary requirements confirmed as on or above £120k.

Step 3

The Director of People Services will contact the Chair of Committee, provide all relevant information and seek approval for the salary offer.

Step 4

All approvals will be reported to the next Remuneration Committee meeting.
