Welcome

Newcastle is a great city for student life. Vibrant, multicultural, and easy to get around, it’s ranked in the top 5 student cities in the UK by QS Best Student Cities 2024.

And we want you to find your perfect home here.

Living in Newcastle you’ll be surrounded by world-class art, music and sport, great shopping and a food scene that’s influenced by cultures from around the world.

You’ll feel like you belong – one in six people is a student here – while fast road and rail links, plus direct flights to UK and world destinations, will mean home is never far away.

Living with us, you’ll make memories and friends for life and be supported by our University community to have the best possible experience, especially if this is your first time living away from home.

In this Guide we’ve explored the different types of accommodation available to you and – because all our residences have their own character and style – we’ve included highlights from each of them. The information listed in this Guide is for the academic year of entry 2024-25. Thinking of coming in 2025-26? Always check our website for the most up-to-date information and prices.

There’s a handy map showing how close all our accommodation is to our beautiful campus and city centre facilities, as well as a breakdown of our accommodation prices.

There’s also an explanation of the different ways you can apply for accommodation and, when you’re ready to find out more, you can get the most up-to-date and detailed information about our accommodation at ncl.ac.uk/nclaccommodation

Your new home

Where will you decide to call home? We think you'll be spoilt for choice...

We offer:

• University-owned accommodation: owned and managed by Newcastle University and staffed by our dedicated teams. Our accommodation is centred around vibrant student villages - Park View and Kensington/Park.

• Managed partnership accommodation: owned by private providers, but run in partnership with us. The private provider will manage your tenancy, but we'll sort out your application and allocation.

Please note that private accommodation - owned and managed by private landlords – is available in the city but doesn't feature in this Guide.

Self-catered accommodation
All of our residences are self-catered, giving you the independence and flexibility to cook what you like at times that suit you.

However we do have 12 cafes on campus to get something to eat. With a wide range of food and drinks catering to a variety of diets, there is something for everyone. Perfect for when you don’t fancy cooking or washing up. Take a look at the options available.

Your room
The majority of our residences offer shared accommodation – that means you’ll have your own bedroom, but share the communal living areas with other students.

• Standard rooms share washbasin, shower and toilet facilities.

• Washbasin rooms have private washbasins, but shared toilet and shower facilities.

• Rooms with en suite facilities feature a private pod bathroom with shower, washbasin and toilet.

All bedrooms include a bed, desk, chair, drawer unit, wardrobe and shelving.

For students with additional accommodation requirements due to a medical need or disability, we have a range of accessible accommodation. Contact us at accommodation.medical@newcastle.ac.uk to discuss your needs.

We also have dedicated accommodation for couples and/or families.

Your facilities
Contemporary kitchens, laundry facilities (chargeable as an additional fee), chill-out areas and bike storage come as standard at most of our residences.

Some residences also feature study zones, games areas, communal spaces and other great facilities. For a full list of what you can expect, check our residence profiles.

What will I need to bring with me?
Our residences really are well equipped, so don’t be tempted to over pack when it’s time to move in! If you bring your own TV or personal electronic device, just remember that you’ll need to register for a TV licence.

If you need help with sourcing the essentials for your accommodation, we are offering UniKitOut. UniKitOut provides quality student starter kits packed with cookware, bedding, towels and more. You can place your order and have it delivered to your room before you arrive.

We want you to feel safe and supported living with us. That’s why we have great teams who will help you settle in.

In University-owned accommodation, our reception team provides on-site support during office hours, advising on any issues you might have. CCTV, entry phone systems and Help Points also keep our residences safe and secure.

Our Security team is on duty across campus at all times, and the free SafeZone app allows students to get help quickly through ‘tap’ alerts to first aiders, security, and support teams.

Behind the scenes our Residences team makes sure everything is running smoothly. And if you’ve got a tenancy query or financial question, our Allocations and Finance team can talk through any questions or concerns you have.

Newcastle University’s Student Wellbeing teams also offer a range of services, including:

- counselling – from one-to-one sessions and workshops to self-help programmes
- disability support, including long-term health and mental health support – to access the resources and support you need
- financial support – from managing your money to help with student finance issues
- visa support – advice on your visa or immigration status

You can also access online support 24/7 through the TalkCampus mental health support network, and our iNCLude app, developed to help you create positive habits and great coping skills.

Our Support and Advice Hub and Welfare and Support Centre are based in the Students’ Union and offer professional advice. And there’s extra support available through the confidential listening service Nightline, and NUSU Buddies, which promotes an inclusive campus.

University-owned and managed partnership accommodation

Your contract will vary depending on whether you live in university-owned or managed partnership accommodation.

**University contracts**
- No deposit or guarantor required.
- Undergraduate contracts usually run for 40 weeks, although you might be able to extend your contract over the summer.
- The majority of postgraduate contracts are 50 weeks long, however we recommend checking this when you apply.

**Managed partnership contracts**
- For some managed partnership accommodation providers you may be asked to provide a UK guarantor and an advanced rent payment, if you’re unable to do this you may have to pay your full rent before you arrive.
- The majority of our managed partnership contracts are 40 weeks long, although we recommend double checking this when you apply.
- The terms and conditions for managed partnership contracts differ from university-owned contracts. This is because there is no notice period with the contract, so once you’ve accepted it, you’re responsible for paying your rent until the end of the contract, even if you leave early or move out. Find out more about the different types of contracts [ncl.ac.uk/accommodation/university/types](ncl.ac.uk/accommodation/university/types)

**Some facilities may incur additional charges on top of your rent**
- The shared laundries offer communal washing machine/dryers but are charged per wash and dry.
- Families and couples in Bowsden Court should also note that utility fees are in addition to the rent paid and are based on actual usage. The cost of gas and electricity in the UK is currently higher than usual. We recommend keeping this in mind when planning your budget, so you’re able to pay for adequate heating and lighting.

Wherever you live, your contract will cover the full academic year, including holidays, so you won’t have to move out at Christmas or Easter.

**So what are you waiting for? Take a look at our accommodation now and start to picture yourself living with us.**
[ncl.ac.uk/nclaccommodation](ncl.ac.uk/nclaccommodation)

We can’t wait to welcome you to your new home.
To apply for accommodation, you need to hold a firm offer to study at Newcastle University. Don’t worry there’s no rush to apply, because as long as you submit your application by 30 June 2024, you’ll be covered by our New Student Guarantee (eligibility criteria apply).

You apply for accommodation using our application portal. The application process you’ll follow depends on your application type, your degree level and when you apply.

**Advanced Booking**

Advanced Booking is the option to go for if you want to get your accommodation sorted straight away, as it enables you to reserve your room at the point of applying. This option will be available until 30 June for full-year undergraduates, who have a firm offer and meet our New Student Guarantee.

We want to reassure you that there’s no need to rush to reserve a room. Our accommodation release is carefully scheduled and only a percentage of each residence will be available to reserve via Advanced Booking. We’ll start releasing rooms from the opening of the application portal and continue through until mid-June. As a result, the availability of each residence will vary.

When going through the application process, we encourage you to keep in mind that once you’ve reserved a room via Advanced Booking, it’s not possible to change it, even if a room you prefer is released later on. So please ensure you fully consider your choice before making a reservation.

You won’t sign a contract at the point of reserving a room. We’ll send this to you in August, after A-Level results are announced and your place at Newcastle has been confirmed.

There’s no obligation to use Advanced Booking, it’s just one of the options available to apply for accommodation. You have the flexibility to submit an application if you prefer, which will be processed at a later stage.

**Submit an application**

If you’re not eligible to apply via the Advanced Booking option, or if you are eligible but would simply prefer not to reserve your room straight away, you can submit an application instead. This option is available to students looking for undergraduate, postgraduate, couple/family or part-year accommodation. If you’re an EU student coming to Newcastle as part of an Exchange programme, there are different rules for applying for accommodation. Please see our guidance [https://www.ncl.ac.uk/accommodation/applying-for-accommodation/part-year-student-accommodation/](https://www.ncl.ac.uk/accommodation/applying-for-accommodation/part-year-student-accommodation/)

This option allows you to express an interest in up to three accommodation options. Our Accommodation Team will then try to match you to one of your preferred options. While we try our best to do this, we encourage you to keep in mind that getting your preferred accommodation isn’t guaranteed.

Once we assign you a room, you’ll receive an email from us asking you to view your offer and sign a contract. When you receive this email depends on your application type.

Check out our ‘What Happens Next’ pages to find out what to expect after you’ve applied. [https://www.ncl.ac.uk/accommodation/applying-for-accommodation/what-happens-next/](https://www.ncl.ac.uk/accommodation/applying-for-accommodation/what-happens-next/)

Clearing, Insurance and late applicants (those applying after 30 June) will also be asked to apply via the submit an application option. The application process will vary slightly for these applicants so please check our website for further details.
