# Information for Part Year Students

## Applying for accommodation

If you are joining Newcastle University for part of the academic year, you are not covered by our new student guarantee. However, you can still apply for accommodation using our [online system](#) and we will endeavour to offer you a room.

When completing your application, our system will recognise you as a part-year student. It will ask you to provide us with your expected arrival and departure dates. We will use these dates to match you to the most suitable contract period. The contract periods\* available are:

- 11 September 2023— 7 January 2024
- 11 September 2023— 21 January 2024
- 24 January 2024— 9 June 2024 (Castle Leazes only)
- 24 January 2024— 23 June 2024 (excluding Castle Leazes)

\*Early arrival and late departure requests will be dependent on availability and cannot be guaranteed. **Please do not travel to Newcastle without first having secured accommodation.**

When applying for accommodation, you can choose any **University-owned** accommodation. Undergraduate part-year students are unable to apply for managed partner accommodation with Unite (Wellington St Plaza or Newgate Court) as contracts are for the full academic year.

**If the system identifies you as a full-year student in error**, please halt the application and [contact us](#) so that we can amend this. This will help us avoid any delays in processing your application.

## Processing your application

The Accommodation Team will process your application after all guaranteed applicants have been processed. If we are able to offer you a room, we expect to send you details of your accommodation from 31 August onwards.

## If we can't offer you accommodation

Please be patient and don't panic if you don't hear from us straight away. If we suspect that we won't be able to offer you a room, we will contact you as soon as we can.

We will approach accommodation providers in Newcastle to find out their availability and will share this with you. Although private providers may not have accepted part-year applicants initially, this can change.

## Private accommodation

Newcastle has a lot private student accommodation, including purpose-built student accommodation. If we cannot make you an offer of accommodation, or if you prefer to look elsewhere, the Student Union [housing guide](#) may help you with your search.

## I'm joining in January for the second semester, can I get accommodation?

We recommend that you apply for accommodation, whilst you are not guaranteed accommodation, we will aim to allocate you to a bedroom. If this is not possible, we will aim to provide you with the availability elsewhere in the city.

**Please do not travel to Newcastle without securing accommodation.**
