

School of Biomedical, Nutritional and Sport Sciences

Prizes 2025-2026

| Student name            | Prog  | Stage | Prize                                                                                                                                                   |
|-------------------------|-------|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------|
| Amy Ward                | C700  | 1     | Awarded the Stage 1 School Prize for achieving the highest overall mark for a Stage 1 student in the School of Biomedical Sciences                      |
| Yen K. Yoo              | 1213U | 1     | Awarded the Stage 1 NuMed Prize for Stage 1 Biomedical Sciences 2 + 1 Programme.                                                                        |
| Anya Linsky             | C600  | 1     | Awarded the Stage 1 Sport and Exercise Science Prize for achieving the highest overall mark for a Stage 1 student.                                      |
| Alec J. Roberts         | B401  | 1     | Awarded the Stage 1 Dietetics Prize for achieving the highest overall mark for a Stage 1 student.                                                       |
| Esme Hodgson            | B4D6  | 1     | Awarded the Stage 1 Nutrition Prize for achieving the highest overall mark for a Stage 1 student.                                                       |
| Mariana Mitkovova       | B913  | 2     | Awarded the John Corran Book Prize in Biomedical Genetics for achieving the highest overall mark for a Stage 2 Biomedical Genetics student.             |
| Jack O'Reilly           | C703  | 2     | Awarded the Kenneth Burton Book Prize in Biochemistry for achieving the highest overall mark for a Stage 2 Biochemistry student.                        |
| Jessica Bastin          | B940  | 2     | Awarded the Stage 2 Biomedical Sciences Prize for achieving the highest overall mark for a Stage 2 Biomedical Sciences student.                         |
| Eleanor Lowry           | B211  | 2     | Awarded the Stage 2 Pharmacology Prize for achieving the highest overall mark for a Stage 2 Pharmacology student.                                       |
| Lillie Hannam           | B122  | 2     | Awarded the Stage 2 Physiological Sciences Prize for achieving the highest overall mark for a Stage 2 Physiological Sciences student.                   |
| Jack Ong                | 1213U | 2     | Awarded the Stage 2 NuMed Prize for Stage 2 Biomedical Sciences 2 + 1 Programme.                                                                        |
| Aaron L. Whetham-Tragen | C600  | 2     | Awarded the Stage 2 Sport and Exercise Science Prize for achieving the highest overall mark for a Stage 2 student.                                      |
| Elsa G. Lees            | B401  | 2     | Awarded the Stage 2 Dietetics Prize for achieving the highest overall mark for a Stage 2 student.                                                       |
| Brin Dobinson           | BD46  | 2     | Awarded the Stage 2 Nutrition Prize for achieving the highest overall mark for a Stage 2 student.                                                       |
| Theodore Williams       | B940  | 3     | Awarded the Ian Massey Prize for achieving the highest overall final year mark.                                                                         |
| Alexander Baxter        | C703  | 3     | Awarded the Gus Lienhard Prize for Biochemistry for achieving the highest final year mark in Biochemistry.                                              |
| Louise Smyth            | 1300U | 3     | Awarded the JD Reed Memorial Prize for overall excellence in performance by a final year undergraduate studying for a degree in Physiological Sciences. |
| Laura Butler            | B943  | 3     | Awarded the Stage 3 Biomedical Sciences Prize for achieving the highest overall mark in Stage 3 Biomedical Sciences.                                    |
| Claudia Johnson         | B943  | 3     | Awarded the Stage 3 Biomedical Sciences Prize for achieving the highest overall mark in Stage 3 Biomedical Sciences.                                    |
| Lucy Renshaw            | B913  | 3     | Awarded the Stage 3 Biomedical Genetics Prize for achieving the highest overall mark in Stage 3 Biomedical Genetics.                                    |

School of Biomedical, Nutritional and Sport Sciences

Prizes 2025-2026

|                        |       |   |                                                                                                                                                                             |
|------------------------|-------|---|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Katie Eley             | B210  | 3 | Awarded the Stage 3 Pharmacology Prize for achieving the highest overall mark in Stage 3 Pharmacology.                                                                      |
| Jason Chong Kah Chye   | B941  | 3 | Awarded the Stage 3 NUMed Prize for achieving the highest overall mark in Stage 3 Biomedical Sciences 2 + 1 Programme.                                                      |
| Milla Withers          | C701  | 4 | Awarded the Joan Curtis Prize for achieving the highest Stage 4 mark in Biomedical Sciences MSci.                                                                           |
| Theodore Tait          | B210  | 3 | Awarded the Research Project Prize in the Institute of Biosciences. This prize is awarded for an outstanding project performance.                                           |
| Madilynn Mitsu Gardner | B210  | 3 | Awarded the Research Project Prize in the Institute of Biosciences. This prize is awarded for an outstanding project performance.                                           |
| Hannah Sophia Ash      | B940  | 3 | Awarded the Research Project Prize in the Institute of Translational and Clinical Research. This prize is awarded for an outstanding project performance.                   |
| Lucy Carrington        | B940  | 3 | Awarded the Research Project Prize in the Institute of Translational and Clinical Research. This prize is awarded for an outstanding project performance.                   |
| Sophie Ewbank          | B940  | 3 | Awarded the Research Project Prize in the Institute of Population and Health Sciences. This prize is awarded for an outstanding project performance.                        |
| Grace Shinwell         | B943  | 3 | Awarded the Research Project Prize in the Institute of Population and Health Sciences. This prize is awarded for an outstanding project performance.                        |
| Lucy Greenwood         | B940  | 3 | Awarded the Research Project Prize in Faculty of Medicine Schools. This prize is awarded for an outstanding project performance.                                            |
| Ananya Gupta           | B940  | 3 | Awarded the Research Project Prize in Faculty of Medicine Schools. This prize is awarded for an outstanding project performance.                                            |
| Harrison Freddie Crask | C703  | 3 | Awarded the Emmerson 3rd Year Biochemistry Research Project Prize for achieving the highest project mark in Biochemistry.                                                   |
| Theo Jackson           | B100  | 3 | <b>Nominated</b> for the Physiological Society Prize. The award is for overall excellence in performance by a final year undergraduate studying for a degree in physiology. |
| Katie Eley             | B210  | 3 | <b>Nominated</b> for the Pharmacological Society Undergraduate Pharmacology Prize                                                                                           |
| Phone Htet Paing       | B940  | 3 | <b>Nominated</b> for the British Society for Immunology final year project prize                                                                                            |
| Oscar Chin             | B900  | 3 | <b>Nominated</b> for the Royal Society of Biology Advanced Accreditation Top Project Award                                                                                  |
| Anna Grace Greenwood   | B943  | 3 | <b>Nominated</b> for the Royal Society of Biology Accreditation Top BSc Project Award                                                                                       |
| Eleanor Stretch        | C600  | 3 | Awarded the Stage 3 Sport and Exercise Science Prize for achieving the highest overall mark for a Stage 3 student.                                                          |
| James A. Cooper-Price  | C600  | 3 | Awarded the Stage 3 Sport and Exercise Science Prize for achieving the highest research project module mark.                                                                |
| Ellie Pimlott          | 1810U | 3 | Awarded the Stage 3 Nutrition Prize for achieving the highest overall mark for a Stage 3 student.                                                                           |

School of Biomedical, Nutritional and Sport Sciences

Prizes 2025-2026

|                  |       |   |                                                                                                               |
|------------------|-------|---|---------------------------------------------------------------------------------------------------------------|
| Ellie Pimlott    | 1810U | 3 | Awarded the Kelly Bronze Prize for achieving the highest final year mark among all Nutrition students.        |
| Lucy Dehadray    | B46D  | 3 | Awarded the Stage 3 Nutrition Prize for achieving the highest research project module mark.                   |
| Alicia Ismail    | B401  | 4 | Awarded the Stage 4 Dietetics Prize for achieving the highest overall mark for a Stage 4 student.             |
| Alicia Ismail    | B401  | 4 | Awarded the Stage 4 Dietetics Prize for achieving the highest research project module mark.                   |
| Olivia Broadbent | B401  | 4 | Awarded the Aymes Prize for achieving the highest overall mark in DTC4001 Professional Practice in Dietetics. |
