ICPR-AME 2026

Abstract Guidelines

1. Abstract Format
- Page Length: Strictly limited to one page, i.e. 250-350 words.
- Margins: Set margins to 1 inch (2.54 cm) on all sides.
- Font: Use Times New Roman, size 12pt for the main text.
- Line Spacing: Single-spaced.

2. Abstract Structure
Submissions should include the following sections:
- Introduction: Briefly describe the research context and the problem being addressed. (2-3 sentences)
- Objectives: Clearly outline the purpose of the research. (1-2 sentences)
- Methods: Provide a concise overview of the methodology or approach. (3-5 sentences)
- Key Results: Highlight significant findings or expected outcomes. Include quantifiable results if available. (3-5 sentences)
- Conclusions: Summarize the implications of your findings and potential future work. (2-3 sentences)
- Provide 3-5 keywords relevant to the topic of the research.

3. Submission Details
- Deadline: 31st January, 2026

4. Evaluation Criteria
Abstracts will be evaluated based on:
- Relevance to the conference themes.
- Clarity and conciseness of the presentation.
- Significance and originality of the research.
- Methodological rigor.

5. Additional Notes
- Abstracts not adhering to these guidelines will not be reviewed.
