

ICPR-AME 2026

Abstract Guidelines

1. Abstract Format

- Page Length: Strictly limited to one page, including all text, figures, and references.
- File Format: Submissions must be in PDF format.
- Margins: Set margins to 1 inch (2.54 cm) on all sides.
- Font: Use Times New Roman, size 12pt for the main text.
- Line Spacing: Single-spaced.

2. Abstract Structure

Submissions should include the following sections:

1. Title

- o Should be concise and descriptive, not exceeding 15 words.

2. Authors and Affiliations

- o List all authors' full names and affiliations below the title.
- o Include email addresses of the corresponding author(s).

3. Abstract Body

- o Introduction: Briefly describe the research context and the problem being addressed. (2-3 sentences)
- o Objectives: Clearly outline the purpose of the research. (1-2 sentences)
- o Methods: Provide a concise overview of the methodology or approach. (3-5 sentences)
- o Key Results: Highlight significant findings or expected outcomes. Include quantifiable results if available. (3-5 sentences)
- o Conclusions: Summarize the implications of your findings and potential future work. (2-3 sentences)

4. Keywords

- o Provide 3-5 keywords relevant to the topic of the research.

5. References (Optional)

- o Include a maximum of 3 references if relevant and within the page limit. Use a standard citation style (e.g., APA, IEEE).

3. Figures and Tables

- Figures and tables are allowed but must be relevant and fit within the one-page limit.
- Use captions below figures and above tables, with font size 10pt.

4. Submission Details

- Deadline: 31st January, 2026
- File Naming Convention: LastName_FirstName_Abstract.pdf (e.g., Hamilton_Lewis_Abstract.pdf).

5. Evaluation Criteria

Abstracts will be evaluated based on:

- Relevance to the conference themes.
- Clarity and conciseness of the presentation.
- Significance and originality of the research.
- Methodological rigor.

6. Additional Notes

- Abstracts not adhering to these guidelines will not be reviewed.
- Contact ***icpr.aem2026@newcastle.ac.uk*** for any queries.
