

# Newcastle Brain, Cognition & Behaviour Symposium

A research retreat for early career researchers and technicians

Connecting NNND, MHDN, and BSP themes to foster an inclusive and collaborative research environment

## Talks

- 12 minute (+ 3min Q&A)
- 5 minute (no Q&A)

Inclusive to non-data-driven talks (i.e technical expertise and experiential insights)

## Research culture session

Connect with researchers across disciplines

Register to attend or present here
