

OVERVIEW OF THE UCAT THRESHOLDS USED IN RECENT ADMISSIONS CYCLES

	2022 ENTRY	2023 ENTRY	2024 ENTRY	2025 ENTRY
UCAT CUT OFF SCORE	(Standard) 2690 (Contextual) 2600	(Standard) 2790 (Contextual) 2690	(Standard) 2680 (Contextual) 2600	(Standard) 2800 (Contextual) 2770

The UCAT threshold changes each year for A206.

UCAT recalibrates scores each year, so your score is not directly comparable with previous years.

We cannot predict our UCAT score. It depends on the average score of applicants that apply to us. Any national changes in scoring will change our threshold.

For information regarding the average national UCAT scores please see their website at <https://www.ucat.ac.uk/ucat/results/test-statistics/>

In order to widen access and encourage participation in Dentistry by students from all backgrounds, we take account of contextual information, and the threshold may vary for applicants who fulfil certain criteria.
