Closing Form	Signatu safety	re of per	son monitoring	Actua	al time persons exited roof	Date form is closed : Time f		form is closed:	

Procedure

- This form must be completed by all personnel planning to access building roofs
- The completed form must be given to an ESS employee (buddy) who will be asked to monitor the safety of the persons accessing the roof
- Persons accessing the roof must advise their buddy when all parties have left the roof, the form will then be closed and filed in Customer Services and Administration Office.

Emergency Procedures

In the event that the individual monitoring safety does not hear from the persons that have accessed the roof by the anticipated exit time (above) they must:

- 1. Attempt to contact the persons using their mobile phone
- 2. Dispatch a member of staff to the roof to investigate.
- 3. Inform an ESS Manager/Security Control (out of hours)
