

An Ocean of Peace is...

An Ocean of Peace is...
An ocean of love
It is clean and safe

An Ocean of Peace is...
Connecting and friendship
It is living in harmony with myself, my family, and
my neighbors

An Ocean of Peace is...
Sharing and caring in our home and villages
It is love, faith, and helping each other
Family and faith – one and together

An Ocean of Peace is...
Love
Love your neighbor
Love your village

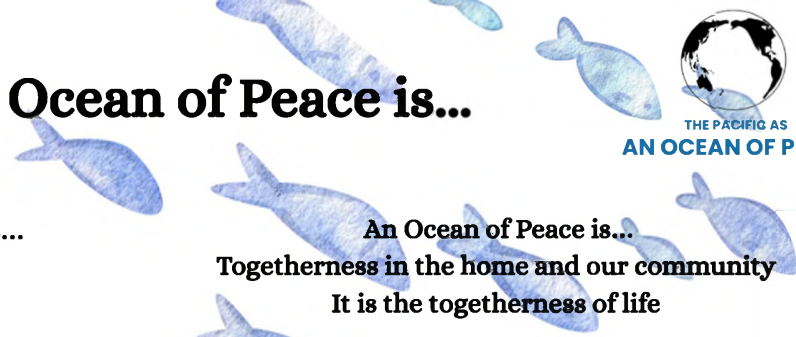

An Ocean of Peace is...
Being at peace

An Ocean of Peace is...
Having a good house
Decent jobs
And no sickness

An Ocean of Peace is...
Faith and hope and love within each other
It is living in a happy and peaceful place
Free from conflict

An Ocean of Peace is...
Love
And love
And sharing
And love

An Ocean of Peace is...
Togetherness in the home and our community
It is the togetherness of life

An Ocean of Peace is...
Knowing that if the Ocean covers the world
Then peace can cover the world too

An Ocean of Peace is...
Hope and comfort
With no conflict and trouble

An Ocean of Peace is...
Loving each other
Understanding each other
Stopping the violence
And respecting each other

An Ocean of Peace is...
The good life and doing it together

An Ocean of Peace is...
Two words – beautiful and calm

An Ocean of Peace is...
The sound of the sea
The love between two people and communities

An Ocean of Peace is...
To be together
To connect everything together
Land
People
And sea creatures

An Ocean of Peace is...
Ocean of difference
Coming together
