

**PACIFIC CENTRE FOR
PEACEBUILDING**

An Ocean of Peace is...

**THE PACIFIC AS
AN OCEAN OF PEACE**

**An Ocean of Peace is...
A friendly environment**

**An Ocean of Peace is...
A slow peaceful way
It is calm
And love**

**An Ocean of Peace...
Can mean so many things**

**An Ocean of Peace is...
Working together
Helping each other
People all together
And socialising**

**An Ocean of Peace is...
Caring for someone who is ill
It is sharing a house together
And living happily**

**An Ocean of Peace is...
Loving each other
It is a symbol of harmony
And care**

**An Ocean of Peace is...
Happiness
And being friendly to each other**

**An Ocean of Peace is...
A comfortable mind
Calmness
All together as a committed collective**
