

NORTH EAST **RACE EQUALITY** FORUM

INFORMATION BRIEFING No.21

Last month, the Runnymede Trust published a report *Facts don't lie*

<https://www.runnymedetrust.org/docs/search.html?cx=002282106998934022291%3A9g52mksuzv4&cof=FORID%3A11&q=facts+don%27t+lie&sa>

which brings together recent evidence from a range of sources and covering all sectors regarding the continued government-inspired attacks on the quality of life of Black and Minority Ethnic people in the UK. The report is an important resource for those engaged in anti-racist work across all sectors. Rather than publish sections of the report (which is very short) here, we are reproducing the list of key recent references, which will enable NEREF members to access the original sources.
