				<i>Home</i>	<i>International</i>	<i>Home</i>	<i>International</i>
A100 interview threshold	2720	2730	2820	2800	2870	2820	2600
A101 interview threshold	2920	2910	3030	3010		2930	

- 
- The UCAT threshold changes each year for both programmes.
  - We cannot predict our UCAT threshold. It depends on the number of applicants, and the average score of applicants who apply to Newcastle. Any national changes in scoring will change our threshold.
  - In order to widen access and encourage participation in Medicine by students from all backgrounds, we take account of contextual information and the threshold may vary for applicants who fulfil certain criteria.
