

Overview of application numbers and UCAT thresholds in recent admission cycles

	UCAT threshold: based on 4 domains	UCAT threshold: based on 4 domains	UCAT threshold: based on 4 domains	UCAT threshold: based on 4 domains	UCAT threshold: based on 4 domains	
Admission entry year	2018	2019	2020	2021	2022	
Average national score	2540	2485	2483	2511	2499	
A100 WP/PARTNERS interview threshold	2530	2550	2620	2720	2710	
					<i>Home</i>	<i>International</i>
A100 interview threshold	2580	2720	2730	2820	2800	2870
A101 interview threshold	2940	2920	2910	3030	3010	

- The UCAT threshold changes each year for both programmes.
- We cannot predict our UCAT threshold. It depends on the number of applicants, and the average score of applicants who apply to Newcastle. Any national changes in scoring will change our threshold.
- In order to widen access and encourage participation in Medicine by students from all backgrounds, we take account of contextual information and the threshold may vary for applicants who fulfil certain criteria.
