Please Note

- All online content will be embedded within the Canvas Course and accessible at a later date, including Zoom sessions, which will be recorded.
- Academics will be available for open or private discussion during your online days during the 'Academic Open Office' slots.
- Final Timetables will be available within Canvas at the start of PASS, which will include more details about: room locations for on-campus sessions, access details for online sessions and social activities.
- Our Student Wellbeing Team will be available for appointments and advice during your lunch break. We will also allocate you a personal tutor for assistance outside of this time.
- Students on the Medicine strand do not have to complete the 'Ask the Experts' employability module
- The timetable and group allocations for rotations will be posted on Canvas and students will be given a walk-through of the timetable in the Case Launch lecture on the first day. This will include an explanation of which group you are in for activities with rotations.
