

The Amec Legacy and Futures Fund Bursary

Provided by Community Foundation Tyne and Wear and Northumberland

Details

Bursaries are available to undergraduate students in the Engineering degree programmes: Mechanical Engineering, Electrical Engineering and Civil Engineering.

Awards of up to £3,000 may be made for one year, with the option of reapplying for successive years. Payments are made in termly instalments of £1,000 with an update required ahead of each successive payment.

Application is by competitive process. The fund awards bursaries to all and seeks to obtain a diverse balance of bursary recipients. We particularly welcome applications from female students from black and minoritised ethnic communities who are also currently under-represented in the bursary awards.

Eligibility

To be eligible for this award you must:

- Be an undergraduate home student in stage 1 of study
- Have been resident in one of the following postcodes for 5+ years NE, DH, TS, SR, DL
- Be studying an Engineering degree programme in one of the following disciplines: Mechanical Engineering, Electrical Engineering and Civil Engineering
- Have and be able to demonstrate financial need for the award. This could include:
 - Unable to cover basic costs including the costs associated with studying at university
 - Having to work in excess of 10 hours per week in a job

How to apply

Online applications must be submitted no later than **30 November 2026**.

Applications will be judged on academic potential, enthusiasm and aptitude for the chosen programme of study. Applicants should use the full word count available to state their case for support.

Recipients are required to provide proof of enrolment, a supporting statement from their tutor and an annual update on their progress. They should also be available to meet the fund advisor if requested.

Application via online application form:
