

Vice- Chancellor's EU Scholarships – Postgraduate Taught

Newcastle University offers a large number of partial scholarship awards to assist EU students to study for a postgraduate Master's degree (including MRes/MLitt/MPhil/MMus degrees). The awards will be credited to the student's fee account to reduce the overall cost of tuition fees.

Terms and Conditions

1. To be considered for awards, applicants must have been offered a place to study on their chosen Master's degree programme at the University's Newcastle city centre campus for the 2024/25 academic year.
2. Eligible applicants will be considered automatically for awards based on their programme application to study at Newcastle University.
3. To be considered for awards applicants must be domiciled in an EU member state for other than study and tourism purposes and must be classed as international for tuition fee purposes. EU applicants domiciled in the UK who qualify for international fees will also be considered. Applicants domiciled in EEA member states that are not part of the EU are not eligible.
4. The value of the award is 25% of the international fee.
5. To receive awards applicants must become registered students at Newcastle University in the 2024/25 academic year for a Master's degree programme. Awards cannot be deferred to later academic years.
6. Scholarships are offered for the duration of the programme and will be subject to academic progression.
7. Fully sponsored students do not qualify for these awards. A fully funded scholarship or full sponsorship covers fees and maintenance. The University reserves the right to suspend payment and recover any scholarship amounts already made to international students with full funding.
8. Scholarships will not be confirmed unless applicants satisfy all conditions related to their scholarship offer.
9. Successful applicants cannot be in receipt of a Vice-Chancellor's EU Scholarship award AND an award from any of the following scholarship schemes operated by the University: MBA Business Excellence Scholarships, MBA Leadership Scholarships, Women in Leadership Scholarships, full tuition fee MBA scholarships, any Elite Sports Scholarships, Medical Sciences International Masters Excellence Scholarships, International Family Discount, Alumni Progression Discount, Alumni Progression Scholarship or any faculty and school scholarships. Applicants may apply for and/or be considered for more than one award but if successful in the Vice-Chancellor's EU Scholarship and one of the schemes listed then they would receive the Higher of the awards with the lower value award reallocated to another applicant. This list of schemes is not exhaustive, and applicants should check the regulations for all funding opportunities to which they apply to ensure eligibility.
10. Students on 2 year degree programmes will receive the same scholarship value (e.g. 25% of the international fee) for the whole duration of the degree programme. The value of the scholarship will not increase in line with the tuition fee increases in year 2 of the degree programme.
11. The following applicants are not eligible to receive Vice-Chancellor's EU Scholarship awards:
 - Applicants for Doctoral (PhD, Integrated PhD, EngD, DClintPych), Postgraduate Certificate, Postgraduate Diploma and online (e-learning) degree programmes
 - Applicants for the MClintDent Endodontics, MClintDent Periodontics, MClintDent Prosthodontics, dual award degree programmes, degree apprenticeships, degree programmes with a January start or part-time degree programmes

 - Students studying at the Malaysia and Singapore campuses

- Applicants initially assessed as international for fee purposes but whose fees change to "home" (due to receiving settled status, pre-settled status or for any other reason)

12. The University reserves the right to vary all or any scholarship awards at its sole discretion.
13. The University's decision on all Vice-Chancellor's EU Scholarship awards and interpretation of rules and regulations shall be final, appeals will not be considered.
