

Sports Services: Job Description

Clean Sport / Anti-Doping Ambassador Newcastle University Sports Services

The role

.....

All sporting participants have the right to compete in clean sports. Newcastle University follows the guidelines set by UK Anti-Doping and World Anti-Doping Agency (WADA) to promote fair play. Cheating, including doping, goes against the essence of sports and undermines its positive impact on society.

We, at Newcastle University, pledge to support Clean Sport in the UK through the following measures, which are outlined in detail on our website <https://shorturl.at/INUZ6>

As part of our commitment, we will be appointing a Clean Sport Ambassador who will provide standard education across our clubs and performance sports.

We believe in the importance of upholding the values of sportsmanship and fair play and are dedicated to promoting a clean and healthy sports culture.
