Eagles Partnership

Newcastle Eagles

Newcastle University is an official partner of the Newcastle Eagles basketball club. As part of our pathway, all our Under British 23 players are able to play both NBL1 + BBL if selected. Our standout British recruits will also be assessed each year to determine if they are able to practice SLB alongside NBL1 and BUCS. We work directly alongside the Eagles within the community, academics, and performance pathways.

Our Coaching Staff

Mark Elderkin - Head Coach

Playing Career

Mark is a former professional BBL player from the North East of England who competed for three different teams in the NBL1 over the course of a 16-year playing career. As a player Mark was a ten-time NBL champion, a four-time NBL cup winner, a two-time NBL Assist leader, a BUCS Premiership North champion, and a three-time BUCS National finalist.

Coaching Career

Mark has two BBL Cup titles, an NBL1 playoff semi-final appearance, an NBL1 Trophy final appearance, a National Cup final appearance, a BUCS Premiership North title, a BUCS Premiership Championship title, an NBL Coach of the Year Award, and an NBL2 title.

Philosophy

Mark's coaching philosophy is based around constant speed and movement blended in with vision and creativity. Mark believes this promotes unselfish play which gives players the freedom to express their own unique skillsets. Mark believes in always moving towards the bigger picture as a team and never standing still.

Our Coaching Staff

Nazeem Ramadan – Assistant Coach

Playing Career

Naz is a former with nine years playing experience in the EABL, BUCS premiership, and NBL1. Naz has won the NBL1 playoffs and the national Trophy alongside two more NBL1 finals appearances for Newcastle Knights. In 2022 Naz won the BUCS premiership championship title with Newcastle University.

Coaching Career

Naz is in his first season as Head Coach in the Women's BUCS premiership, his knowledge and winning experience of Basketball in this country alongside his experience and presence at the club is a huge asset to have. Naz also has experience coaching in the junior national leagues and working internationally with BTM basketball.

Philosophy

Naz's coaching philosophy is to promote lots of movement and remove pressure by never being static. He wants his teams to focus on what everyone is best at and plan your game as a team to highlight the strengths of everyone on the roster. Naz believes cohesion is one of the major keys to success.

Our Coaching Staff

Ben Proctor – Development Coach

Playing Career

Ben is a Newcastle University alumni and former member of the BUCS premiership national championship team and NBL1 National and Trophy finals team. Alongside his experience playing in both the BUCS premiership and the NBL1 Ben was also the captain of the Men's development team who won the BUCS division 1a.

Coaching Career

Ben is in his first year as the head coach of the Men's development squad where he brings all his previous winning experiences at the club to the forefront. He also has four years worth of experience coaching at junior level between U14s – U18s for the Newcastle Eagles. Ben's pride in the programme and unselfish nature are a big part of his makeup as the Men's development coach.

Philosophy

Ben believes that the key to development is creating a fair environment where players and coaches feel open and comfortable to holding themselves accountable. Ben is creating a culture of accountability where constructive feedback can help players turn their mistakes into strengths.

Our Facilities

As a member of the Basketball team, you will have a full time Strength and Conditioning programme with access to our modern facilities and equipment.

Chris Ferriter

Chris Ferriter is a UKSCA Accredited Coach with an MSc in Strength and Conditioning to go alongside eight years of experience working with elite athletes at Newcastle University. Chris has worked with professional athletes within Basketball, Rugby Union, and Swimming and as a head coach, practitioner, and consultant.

Chris states the key objectives of the programme are to:

- Mitigate injury and build robustness
- Develop a strong base of athleticism
- Enhance basketball performance

His philosophy is based around providing a positive learning experience to ensure that athletes build a better understanding of their physical ability and learn the skills needed to develop it independently.

Our University
