

Sports Services: Job Description

Sports Coach Newcastle Elite Academy

VOLUNTEER ROLE

The role

.....
Newcastle Elite Academy is a football academy set up by four Newcastle United players to provide the opportunity for young players to engage in high quality age specific football coaching programmes.

Delivered by a team of UEFA qualified coaches, our coaching programmes are structured and designed to replicate the standard of quality in professional football environments.

Newcastle Elite Academy provide challenge and development for striving young players, to further improve and take the next step in their footballing journeys. #PlayLearnGrow

Coaching opportunities within both development centres and holiday camps at Newcastle Elite Academy.

Candidates further along their coaching journey may be able to seek to the opportunity to volunteer on the 16-19 elite education programme based on site at Newcastle University.
