

Sports Services: Job Description

Video Analysis Assistant

Newcastle Elite Academy

STUDENT PLACEMENT / VOLUNTEER ROLE

The role

.....
Newcastle Elite Academy (NEA) is a football academy set up by four Newcastle United players to provide the opportunity for young players to engage in high quality age specific football coaching programmes.

Delivered by a team of UEFA qualified coaches, our coaching programmes are structured and designed to replicate the standard of quality in professional football environments.

Newcastle Elite Academy provide challenge and development for striving young players, to further improve and take the next step in their footballing journeys. #PlayLearnGrow

This role offers the the opportunity to be involved with the growing video analysis field at NEA.

Review, clipping, analysing, and presenting findings to the different teams within the programme.

Hours and Rate of Pay

.....
Games are filmed on a weekly basis using VEO technology which can be shared so that work can be done remotely.

Varied – 2 hours per week in season.

No games throughout the holiday periods (October half term, Christmas, February half term, Easter)

Reporting to

.....
Head coach of the respective team.

Key Tasks and Duties

-
- Access the video footage of the relevant game.

- Understand brief, what are you analysis? Is it player based, or team based?
- Analyse appropriate phases of the game, making notes that can be fed back and clipping it to use as examples.
- Provide relevant stats for requested areas
- Prepare and present back to the relevant team/players

Benefits and CPD Opportunities

.....

Brilliant opportunity to use real life examples to build experience in the video analysis field. In a growing field it is great way to understand more and put it in to practice.

Potential employment opportunities can develop off the back of volunteering if there is a need within the organisation.

The Person: Essential Experience, Skills & Knowledge

.....

- Passion for football
- Attention to detail
- Good communication skills
- Knowledge/understanding of technical and tactical elements of football
- Interest in data analysis
- Articulate in presenting the data back

Pre-requisites for the role
