

Admissions Complaints and Appeals Procedure for Applicants

1. General Principles

Time Limits:

1.1 Complaints received more than one month after the event in question shall not normally be investigated. Appeals received more than one month after the date of notifying an applicant of a decision shall not normally be investigated. Complaints or appeals received after the normal time limit will be referred to the Head of Admissions who shall determine whether circumstances exist which make it reasonable for the complainant or appellant not to have made a submission within the normal time limit.

1.2 Complaints or appeals will be investigated as quickly as possible and will normally be determined within 30 calendar days from receipt of the complaint or appeal, but circumstances may require a longer period. The Complainant shall be informed of the reasons should a longer period of investigation be required.

Anonymous Complaints:

1.3 Complaints made anonymously will not normally be investigated. Exceptionally, however, an anonymous complaint may be considered when there is a compelling case supported by additional evidence.

How to submit and responsibilities of complainant or appellant:

1.4 Complaints or appeals shall be made in writing via email to the Head of Admissions, (hereafter referred to as the 'Admissions Officer') to:

Undergraduate – ug-admissions@newcastle.ac.uk

Postgraduate – pgadmissions@newcastle.ac.uk

The email should include:

- Complainant's full name and UCAS Personal ID number (if applicable)
- Detailed information about the grounds for complaint or appeal, including relevant names and dates
- The complaint or appeal shall also include confirmation that the complainant or appellant consents to the matter being investigated with all relevant parties and to any information disclosed in the complaint or appeal being shared with those relevant parties.

Monitoring:

1.5 An annual evaluation is undertaken by the Director of Student Recruitment and Admissions to ensure that any necessary corrective actions and procedural changes are in place. The Admissions Officer shall keep a record of complaints and appeals received and investigated under this procedure.

Confidentiality:

1.6 All information obtained within the process of consideration of the complaint or appeal will be held in accordance with Data Protection legislation and the University's Privacy Notice. <https://www.ncl.ac.uk/data.protection/>

1.7 All information which a complainant or appellant provides to the Admissions Officer, Complaints or Appeals Officer or any other officers dealing with the matter during an investigation shall be treated as confidential, subject to the need to share it with relevant parties during the investigation and subject to any requirements of the Data Protection Act. It is equally important that the Complainant also respects the need for confidentiality throughout the complaints process.

1.8 Applicants should avoid disclosing unnecessary personal information (e.g. medical conditions etc.) in their complaint unless they feel that it is relevant to the issues raised. Applicants must also avoid disclosing personal data of another person/s in their complaint or appeal unless they have been given permission by them to do so, and this is also submitted.

1.9 Relevant members of staff involved or investigated in the complaint or appeal will be informed of the outcome, in confidence. Senior members of staff may also receive a copy of the outcome, in confidence in order for the University to learn / act on issues identified from admissions complaints and appeals.

1.10 No applicant who complains about or appeals against the decision of an admissions selector shall be disadvantaged in any way in any future applications to the University as a result of the complaint or appeal.

2. Complaints Procedure

2.1 The procedure described below will be followed in cases where an undergraduate or postgraduate applicant to the University wishes to complain about the administration of the University's admissions policies and procedures. It shall not be used where a complaint relates to the service or procedures of the Universities and Colleges Admissions Service (UCAS), in which case UCAS' own complaints procedure should be followed.

I) Initial Investigation

- a) The Admissions Officer¹ shall, wherever possible, attempt to resolve complaints quickly and informally the Admissions Officer shall determine whether the complaint discloses sufficient grounds related to the administration of the University's admissions policies and procedures.
- b) If it is decided that the complaint does not disclose sufficient grounds, the Admissions Officer shall explain the reason(s) for this decision in writing to the complainant.
